Filing Description:

Berkshire Life Insurance Company of America is submitting the forms listed below for your review and approval. The riders will be used with policy 1600 (06/10). Policy 1600 (06/10) and the riders to be replaced are indicated below and were approved in your state on 03/04/2010 File NumberGARD-126519929.

The Lump Sum Rider, Form 1616 (07/11), is new and does not replace any previously approved form.

Forms 1604 (07/11), 1612 (07/11), 1613 (07/11), 1604-A (07/11), 1612-A (07/11) and 1613-A (07/11) include language revisions and will replace forms as indicated below. We are including red-lined versions of the previously approved

forms for your convenience as the changes are relatively minimal and were approved so recently in your state.

We are submitting new rates for Forms 1605 (07/11), 1614 (07/11), 1611-A (07/11) and 1611-A-FIO (07/11). The language is exactly the same as previously approved.

Application DI-2011 which is filed concurrently will be used to apply for this product.

These forms and rates are filed concurrently in our state of domicile, Massachusetts. Additionally we are concurrently filing riders with the exact language for use with previously approved Policy Forms 1400 (06/10) and 1500 (06/10). The only difference with the three filings are the rates. The riders for policy form 1400 (06/10) have sex distinct rates. The riders for policy form 1500 (06/10) have unisex rates and will be used primarily for employer sponsored programs where the employer is paying the premiums. Any effort you can make to keep these three filings together will be appreciated. If the forms submitted in your state contain a state suffix, all references in this letter to such form number without a state suffix apply to the suffixed version submitted.

Riders

3% Compound Cost of Living Adjustment Rider – 1604 (07/11), 1604-A (07/11) The 3% Compound Cost of Living Adjustment Rider provides a 3% adjustment in the monthly indemnity on the anniversary of a claim, while benefits are payable. This adjustment is applicable to benefits paid for the next 12 months. There is no cap to the amount of the adjustments that may be made over the life of the claim. Upon recovery, the insured receives the incremental monthly indemnity generated by this rider at no additional cost.

Future Increase Option Rider – 1605 (07/11) The Future Increase Option Rider provides an opportunity for the insured to purchase additional coverage without having to provide evidence of good health or insurable occupation. A special option date may be used if the insured loses his or her group LTD coverage and it is not subsequently replaced.

Additional Monthly Benefit Rider - 1611-A (07/11) The Additional Monthly Benefit Rider allows for additional monthly indemnity to be added to the policy without the issuance of a separate disability income policy. Additional coverage is fully underwritten. This is available only as an add-on (after issue) rider.

Additional Monthly Benefit Rider - 1611-A-FIO (07/11) The Additional Monthly Benefit Rider allows for additional monthly indemnity to be added to the policy without the issuance of a separate disability income policy. This rider is used for successful exercises of the FIO Rider for this policy series and the prior approved policy form 1600 policy series. This is available only as an add-on (after issue) rider.

6% Maximum Cost of Living Adjustment Rider – 1612 (07/11), 1612-A (07/11) The 6% Maximum Cost of Living Adjustment Rider provides an adjustment in the monthly indemnity on the anniversary of a claim, while benefits are payable, and that adjustment in monthly indemnity that will be applicable to benefits paid for the next 12 months. Adjustments are triggered to the change in the CPI-U, but will never be less than what a 3% compound rate would provide or more than what a 6% compound rate would provide. Upon recovery, the insured receives the incremental monthly indemnity generated by this rider at no additional cost.

Four-Year Delayed Cost of Living Adjustment Rider – 1613 (07/11), 1613-A (07/11) The Four-Year Delayed Cost of Living Adjustment Rider provides a 3% adjustment in monthly indemnity starting on the fourth anniversary of a claim, while benefits are payable, and this adjustment will be applicable to benefits paid for the next 12 months. There is no cap to the amount of the adjustments that may be made over the life of the claim. Upon recovery, the insured receives the incremental monthly indemnity generated by this rider at no additional cost.

Graded Lifetime Indemnity for Total Disability Rider – 1614 (07/11) The Graded Lifetime Indemnity for Total Disability Rider provides lifetime benefits if the insured becomes totally disabled before age 65 and remains continuously totally disabled until the end of the benefit period. The lifetime indemnity is a function of when the continuous total disability begins. For each year after age 45 the percentage of lifetime indemnity reduces by 5%. The percentage is applied to the monthly indemnity payable to the insured on the last month of the benefit period, determining the lifetime indemnity that is payable monthly after the end of the benefit period.

Retirement Protection Plus (RPP) Disability Benefit Rider – 1615 (06/10) – The Retirement Protection Plus Disability Benefit Rider provides a RPP monthly indemnity benefit payable to an irrevocable trust in the event an insured is totally disabled and is not gainfully employed. When the insured reaches age 65, the trust assets are distributed to the insured.

Lump Sum Disability Benefit Rider 1616 (07/11) The Lump Sum Disability Benefit Rider provides a disability benefit in a lump sum payment that is equal to 35% of all total and/or residual disability benefits paid to the insured during the life of the policy. This lump sum benefit is paid at the policy's expiration date. To be eligible for this lump sum benefit, the insured must have received sufficient total and/or residual disability benefits to have satisfied the qualifying amount.

Review Date
Review Date means the recurrence each year of the date on which You were first Disabled in the same claim.

PROVISIONS RELATING TO COST OF LIVING ADJUSTMENT

Adjustment of the Monthly Indemnity
On the Review Date while benefits are payable, We will adjust the Monthly Indemnity on a compound interest basis as follows: We will determine Your adjusted Monthly Indemnity for the next 12 months by multiplying the Monthly Indemnity in effect immediately prior to the Review Date by the Cost of Living Adjustment Factor.

If You are no longer Disabled and We are no longer paying benefits under the Policy, We will increase the Monthly Indemnity of the Policy by the Incremental Monthly Indemnity, if any, determined on the last Review Date, if:

- Your Disability ends prior to the Expiration Date; and
- the Incremental Monthly Indemnity is at least $200.

There will be no extra premium charge for the Incremental Monthly Indemnity until the Expiration Date.

Adjusted Monthly Indemnity After the Expiration Date
At the time You first renew the Policy after the Expiration Date, You may choose one of the following amounts of Monthly Indemnity for any claim for Total Disability that begins after that date:

- the Monthly Indemnity shown in the Schedule Page; or

We will base Your premium after the Expiration Date on the amount of Monthly Indemnity You select. You must meet all the conditions in the Policy for renewal after the Expiration Date.

PROVISIONS RELATING TO FUTURE INCREASE OPTIONS

Exercising an Increase Option During an Option Period
Subject to the Conditions and Limitations provision of this rider, You may exercise an Increase Option during an Option Period. Each Increase Policy applied for during an Option Period will be underwritten based on Our underwriting rules then in use, or those in effect on the Effective Date of the Policy, whichever are more favorable to You, to determine the maximum amount of allowable Monthly Indemnity, if any, available to You.

Exercising an Increase Option When Disabled or Benefits are Payable
Subject to the Conditions and Limitations provision of this rider, You may exercise an Increase Option during an Option Period when You are Disabled or benefits are being paid. You may not exercise an Increase Option during a Special Option Period if You are Disabled or benefits are being paid.

Your Income for the purpose of exercising an Increase Option when You are Disabled will be based upon the 12-month period immediately prior to the onset of Your Disability.

If You exercise an Increase Option when You are Disabled or benefits are being paid, any Increase Policy issued will only apply to a new and separate Disability. Under no circumstances will an Increase Policy, issued during a period of Disability or when benefits are being paid, provide a benefit for the current Disability or current claim for benefits.

Any Increase Policy approved during a period of Disability or while benefits are being paid will only be issued on a separate policy form that is most like the Policy then in use on a regular basis in the place where You live.

The premium for any Increase Policy issued when You are Disabled or benefits are being paid will be waived if premiums are then being waived for the Policy to which this rider is attached.

Exercising an Increase Option on a Special Option Date
You may be eligible to apply for an Increase Policy on a Special Option Date if:

- You are Gainfully Employed Full Time; and
- benefits are not being paid under the Policy.

The Increase Policy applied for during a Special Option Period will be underwritten in accordance with Our underwriting rules in effect when You exercise an Increase Option to determine the maximum amount of allowable Monthly Indemnity, if any, available to You.

We will issue only one Increase Policy as a result of a Special Option Date while the Policy and this rider are in effect. If We issue an Increase Policy as a result of a Special Option Date, You forfeit the Increase Option on the next Option Date.

Proof of Insurability
When You exercise an Increase Option, You must provide evidence of Your Income, employment and all other disability insurance with any insurer that is in force, which You have applied for, or for which You are eligible. We may require additional evidence of financial insurability, as necessary. You do not have to provide evidence of Your medical insurability or occupation.

Maximum Amount of Monthly Indemnity Available to You
Until You attain Age 45, You may apply for all or part of the remaining Total Increase Option.

On or after Age 45:

- You may apply for up to one-third of the original Total Increase Option; or
- You may apply for the remaining Total Increase Option if it is less than $1,000; or
- You may apply for the remaining Total Increase Option if You are applying for an Increase Policy on a Special Option Date because You are no longer eligible to participate in Your employer's group LTD plan or a group LTD plan under which You were covered ends and has not been converted or replaced.

Conditions and Limitations
All of the following conditions apply when You exercise an Increase Option:

- We must receive Your written application for an Increase Policy during an Option Period or Special Option Period.

- Each Increase Policy applied for during an Option Period or a Special Option Period will be underwritten to determine the maximum amount of Monthly Indemnity, if any, available to You. You must provide

evidence of Your Income, employment and all other disability insurance with any insurer that is in force, which You have applied for, or for which You are eligible. We may require additional evidence of financial insurability, as necessary. You do not have to provide evidence of Your medical insurability or occupation.

- If You exercise an Increase Option during a Special Option Period because You are no longer eligible to participate in Your employer's group LTD plan or a group LTD plan under which You were covered ends and has not been converted or replaced, You must also provide evidence of Your eligibility status in the group LTD plan, or evidence that the group LTD plan has terminated and has not been converted or replaced.

- The Increase Policy may either be added to the Policy in the form of an Additional Monthly Benefit Rider or will be issued on a separate policy form that is most like the Policy then in use on a regular basis in the place where You live. Any Increase Policy approved during a period of Disability or while benefits are being paid will only be issued on a separate policy form.

- The Increase Policy cannot have a shorter Elimination Period or a longer Benefit Period than the Policy to which this rider is attached.

- We will not issue an Increase Policy with less than $200 of Monthly Indemnity.

- The Increase Policy may or may not include the same provisions and benefits as the Policy to which this rider is attached. The Increase Policy may only include those benefits that are part of the Policy to which this rider is attached if We are then offering such benefits to new applicants.

- The premium for each Increase Policy will be based on the rates in effect on the date of issue of the Increase Policy. The premium will be based on the following factors:

  - the Increase Policy amount; and
  - Your Age on the date of issue of the Increase Policy; and
  - the Class of Risk and Occupation Class of the Policy to which this rider is attached; and
  - any special class rating that applies to the Policy to which this rider is attached; and
  - the policy form of the Increase Policy; and
  - any rider that is attached to the Increase Policy that adjusts or determines a benefit based upon Monthly Indemnity.

  Your Class of Risk and Occupation Class under the Increase Policy will not be less favorable than under the Policy to which this rider is attached.

  If You submit to Us satisfactory evidence that Your Class of Risk and Occupation Class on the Effective Date of the Increase Policy is more favorable to You than it was when the Policy went into effect, then We will apply the more favorable risk classification to the Increase Policy. Any Increase Policy approved will only be issued on a separate policy form that is most like the Policy then in use on a regular basis in the place where You live.

- Conditions that are excluded by name or specific description under the terms of the Policy to which this rider is attached will be excluded under the Increase Policy.

- In order for an Increase Policy to become effective, We must receive the first premium unless premiums are then being waived because You are Disabled or benefits are being paid under the Policy.

Premium and Renewal

The premium for this rider on the date of issue is shown in the Schedule Page. Each time We issue an Increase Policy, We will reduce the remaining Total Increase Option available to You under this rider by the amount issued. The premium for this rider will be reduced accordingly.

This rider will expire and no further premium will be due for it after You are Age 55 or, if earlier, after Your last Increase Policy is issued.

TERMINATION

This rider will terminate when the first of the following events occurs:

- You attain Age 55;
- the Total Increase Option as shown in the Schedule Page has been issued;
- the premium for this rider remains unpaid for more than 31 days;
- the date of Your written request to terminate this rider; or
- the Policy terminates.

DISABILITY INCOME PROTECTION COVERAGE
REQUIRED OUTLINE OF COVERAGE

Policy Form 1600

1. READ YOUR POLICY CAREFULLY – This outline provides a very brief description of Your Policy. This is not the insurance contract and only the actual provisions will control. The Policy itself sets forth in detail the rights and obligations of both You and Your insurance company. It is, therefore, important that YOU READ YOUR POLICY CAREFULLY.

2. DISABILITY INCOME PROTECTION – Policies of this category are designed to provide, to persons insured, Coverage for Disabilities resulting from a covered Injury or Sickness, subject to any limitations set forth in the Policy. Coverage is not provided for basic hospital, basic medical-surgical, or major medical expenses.

3. BENEFITS OF THE POLICY – The Policy provides benefits for Total Disability.

   $_____ Monthly Indemnity will be paid each month while You are Totally Disabled.

   Benefits will start at the end of an Elimination Period of _____.

   Your Benefit Period is _____.

   Total Disability Definition – The definition of Total Disability that applies to the Policy is checked below:

   ☐ Total Disability or Totally Disabled means that, solely due to Injury or Sickness, You are not able to perform the material and substantial duties of Your Occupation.

   You will be Totally Disabled even if You are Gainfully Employed in another occupation so long as, solely due to Injury or Sickness, You are not able to work in Your Occupation.

   Working an average of more than 40 hours in a week, in itself, is not a material and substantial duty.

   Your Occupation means the occupation (or occupations, if more than one) in which You are Gainfully Employed during the 12 months prior to the time You become Disabled.

   ☐ Total Disability or Totally Disabled means that, solely due to Injury or Sickness, You are not able to perform the material and substantial duties of Your Occupation.

   You will be Totally Disabled even if You are Gainfully Employed in another occupation so long as, solely due to Injury or Sickness, You are not able to work in Your Occupation.

   Working an average of more than 40 hours in a week, in itself, is not a material and substantial duty.

   Your Occupation means the occupation (or occupations, if more than one) in which You are Gainfully Employed during the 12 months prior to the time You become Disabled.

   If You have limited Your Occupation to the performance of the material and substantial duties of a single medical specialty or to a single dental specialty, We will deem that specialty to be Your Occupation.

☐ Total Disability or Totally Disabled means that, solely due to Injury or Sickness, You are not able to perform the material and substantial duties of Your Occupation and You are not Gainfully Employed.

Working an average of more than 40 hours in a week, in itself, is not a material and substantial duty.

Your Occupation means the occupation (or occupations, if more than one) in which You are Gainfully Employed during the 12 months prior to the time You become Disabled.

OPTIONAL BENEFITS – You have applied for those optional benefits checked below. There is a separate premium charge for each added benefit.

☐ Social Insurance Substitute Rider 1601 (All classes) – This rider provides a benefit for Disability when the benefits that You may be receiving from any social insurance plan do not equal or exceed the SIS Maximum Monthly Indemnity.

Your SIS Maximum Monthly Indemnity is $_____ per month.

The SIS benefit each month is equal to the SIS Maximum Monthly Indemnity less any benefits You are receiving from a social insurance plan. Social insurance benefits include benefits for disability from workers' compensation or occupational disease law or for disability or retirement from Social Security.

This benefit will be added to the Monthly Indemnity of the Policy in each month when such indemnity is payable for Disability.

This rider terminates on the earlier of the Expiration Date or the date You retire under the Social Security Act.

☐ Two-Year Residual Disability Benefit Rider 1603 (see Residual Disability Benefit Rider 1602 below)

Benefits for Residual Disability may be payable for up to 24 months in any one claim.

☐ Residual Disability Benefit Rider 1602 (Classes 6, 6M, 5, 5M, 4, 4M, 3 and 3M) – This rider provides reduced Monthly Indemnity when You are Residually Disabled.

Residual Disability means that You are Gainfully Employed and are not Totally Disabled under the terms of the Policy; but solely because of Injury or Sickness, Your Loss of Income is at least 15% of Your Prior Income.

The rider has the same Elimination Period as Your Policy.

For each month of the first 12 months that You are eligible for a Residual Disability benefit in the same claim, the policy will pay a Loss of Income Indemnity. The Loss of Income Indemnity is equal to Your Loss of Income less any individual disability insurance benefits You are receiving, or that You are eligible to receive from Berkshire Life Insurance Company of America and all other insurance companies on policies that are in force before the effective date of this rider. The Loss of Income Indemnity will not exceed your Monthly Indemnity. If you continue to be Residually Disabled after the Loss of Income Indemnity has been paid for 12 months, the policy pays a Residual Indemnity.

Your Residual Indemnity is based on the following formula:

$$\text{Residual Indemnity} = \frac{\text{Loss of Income}}{\text{Prior Income}} \times \text{Monthly Indemnity}$$

If You have a Social Insurance Substitute Rider, an Automatic Benefit Enhancement Rider, or an Additional Monthly Benefit Rider, any Monthly Benefits provided by these riders will be added to the Monthly Indemnity of this formula.

You may be Totally or Residually Disabled to satisfy the Elimination Period of the Policy or rider and to meet the conditions for waiver of premium.

You may not renew this rider after the Expiration Date.

☐ 3% Compound Cost Of Living Adjustment Rider 1604 (Classes 6, 6M, 5, 5M, 4, 4M, 3 and 3M) – This rider provides on the anniversary of a claim, while benefits are payable, a 3% adjustment in Monthly Indemnity that will be applicable to benefits paid for the next 12 months.

If You have a Social Insurance Substitute Rider, an Automatic Benefit Enhancement Rider, or an Additional Monthly Benefit Rider, any Monthly Benefits provided by these riders will be adjusted in the same manner.

You may not renew this rider after the Expiration Date.

☐ Future Increase Option Rider 1605 (Classes 6, 6M, 5, 5M, 4, 4M, 3 and 3M) – This rider gives You the right to apply for additional disability income insurance in future years despite any change in Your health or occupation. Your Option Date each year is the Policy Anniversary until You are Age 55.

This rider includes a Special Option Date that may be used once while this rider is in effect if You lose Your Group Long-Term Disability Coverage and it is not subsequently replaced.

Your total Future Increase Option is $_____.

Until You are Age 45, You may apply for all or part of the remaining Total Increase Option on any one Option Date. On or after Age 45, You may apply for up to one-third of the remaining Total Increase Option, or the remaining Total Increase Option if it is less than $1,000, on any Option Date.

Each Increase Policy applied for during an Option Period or a Special Option Period will be underwritten to determine the maximum amount of Monthly Indemnity, if any, available to You. You must provide evidence of Your Income, employment and all other disability insurance with any insurer that is in force, which You have applied for, or for which You are eligible. We may require additional evidence of financial insurability, as necessary. You do not have to provide evidence of Your medical insurability or occupation.

This rider expires after You are Age 55 or, if earlier, when You use Your last Increase Option.

☐ Automatic Benefit Enhancement Rider 1606 (Classes 6, 6M, 5, 5M, 4, 4M, 3 and 3M) – This rider provides for an Automatic Increase of 4% in the Monthly Indemnity of the Policy on each of five consecutive Policy Anniversaries.

- another five Automatic Increases; or
- the number of Automatic Increases between your attained Age and Age 60, whichever is less; or
- the number of Automatic Increases which will not cause the Monthly Indemnity to exceed the maximum amount of allowable Monthly Indemnity, if any, available to You based on Our underwriting rules in effect at the time You apply for rider renewal.

If You apply to renew this rider, You must provide evidence of Your medical insurability, Income, occupation, employment and other insurance in force, applied for, or for which You are eligible. We may require additional evidence of financial insurability to renew this rider.

Your application to renew this rider will be underwritten in accordance with Our underwriting rules in effect at the time You apply for renewal to determine if You are eligible to renew this rider.

If benefits have been paid by Us under the Policy, You are not eligible to renew this rider.

This rider is renewable at five-year intervals but not past Age 60.

☐ Partial Disability Benefit Rider 1607 (Classes 2, 2M, 1 and 1M) – This rider provides one-half of the Monthly Indemnity when You are Partially Disabled after a period of Total Disability.

The Partial Indemnity of this rider is payable for six months or, if earlier, the end of the Benefit Period.

You must be Totally Disabled for the length of the Elimination Period before You become Partially Disabled.

Partial Disability means that You are Gainfully Employed but, because of Injury or Sickness:

If You have a Social Insurance Substitute Rider, an Automatic Benefit Enhancement Rider, or an Additional Monthly Benefit Rider, any Monthly Benefits provided by these riders will be adjusted in the same manner.

Your Monthly Indemnity may vary from year to year as the CPI-U rises or falls in relation to the Original Index Month. The adjustment to the Monthly Indemnity will never be less than what a 3% compound rate would provide or more than a 6% compound rate would provide.

PROVISIONS RELATING TO COST OF LIVING ADJUSTMENT

Cost of Living Adjustment
On the Review Date while benefits are payable, We will adjust the Monthly Indemnity for the next 12 months to reflect any changes in cost of living since the start of claim. - less than the amount We would pay if the CPI-U had risen each year exactly by the Minimum Increase Percent.

If You are no longer Disabled and We are no longer paying benefits under the Policy, We will increase the Monthly Indemnity of the Policy by the Incremental Monthly Indemnity, if any, determined on the last Review Date, if:

- ~~You have not attained Age 60; and~~ Your Disability ends prior to the Expiration Date; and
- the Incremental Monthly Indemnity is at least $200.

There will be no extra premium charge for the Incremental Monthly Indemnity until the Expiration Date.
