change is needed in the policy forms themselves and the policy forms are not being filed at this time. The enclosed actuarial memorandums have been updated only for the mortality basis for each product and no other changes have been made. This informational filing is being submitted in Nebraska, our state of domicile, and in all other states where Pacific Life is licensed which require such filing.

The following pertain to this submission:

- Updated Actuarial Memorandum for each product is included.
- The policy will NOT be illustrated, so an Illustration Actuary's Certification (and sample illustration) is not applicable and therefore is not enclosed.
- The Actuarial Memorandums do not need to pass readability requirements, so no readability score is provided.
- Because there are no forms being filed, we have not sent a filing fee.
- The original approval dates for the policy forms are 12/30/97 and 12/30/97, respectively.

To the best of my knowledge and belief this filing complies with the laws and regulations of your state. If you would like to discuss any aspect of this filing, please feel free to contact me at [jill.dease@pacificlifec.com](mailto:jill.dease@pacificlifec.com) or (800) 800-7681, extension 7081.
