CERTIFICATION

Life Insurance Illustrations

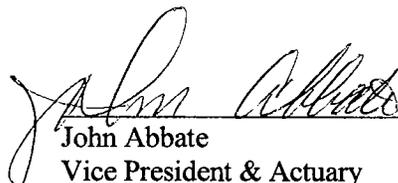

I, John Abbate, am a Senior Vice President and Actuary of the AXA Equitable Life and Annuity Company. I have been designated by said insurer to be the responsible officer for all plans of insurance subject to the Life Insurance Illustration Regulation (“Regulation”) for this state. To the best of my belief and knowledge, I do hereby certify the following:

That the AXA Equitable Life and Annuity Company’s authorized illustration formats for policy forms that are subject to the Regulation and that have been designated as marketed with an illustration (the “Policy Forms”) meet or exceed the requirements of the Regulation;

That the scales of non-guaranteed elements used in the AXA Equitable Life and Annuity Company authorized illustrations to be used with the Policy Forms are those scales certified by the Illustration Actuary appointed by the AXA Equitable Life and Annuity Company’s Board of Directors; and,

That the AXA Equitable Life and Annuity Company has provided its agents with information about the expense allocation method used by AXA Equitable Life and Annuity Company in its authorized illustrations for the Policy Forms and certified by the Illustration Actuary.

Dated this 5th day of December 2008.

MEMORANDUM

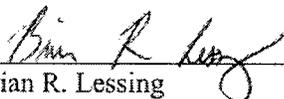

Brian R. Lessing, FSA, MAAA
Vice President and Actuary
Phone: (212) 314-2931

Date: November 7, 2008
To: Charles Marino
Executive Vice President & Chief Actuary
Subject: NAIC Life Insurance Illustrations Model Regulation -
Illustration Actuary and Responsible Officer Certifications

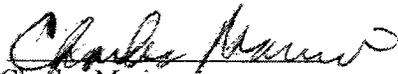

In December of 1995, the National Association of Insurance Commissioners adopted the Life Insurance Illustrations Model Regulation (The "Regulation"), which applies to non-variable life insurance products.

The Regulation requires that an illustration actuary certify annually to the Board of Directors and to the insurance commissioners in states where the Regulation has been adopted that the disciplined current scale used in company authorized illustrations is in conformity with the Actuarial Standard of Practice No. 24 and that the illustrated scales used in insurer authorized illustrations meet the requirements of the Regulation. In 2001, I was appointed by the Board as the illustration actuary.

I have reviewed the results of the testing performed and believe that we are in compliance with the Regulation as stated in the attached illustration actuary certification. Accordingly, please submit the attached certification to the Board of Directors.

CERTIFICATION Life Insurance Illustrations

I, Brian R. Lessing, am a Vice President and Actuary of AXA Equitable Life Insurance Company ("AXA Equitable Life") and AXA Equitable Life and Annuity Company and am a member of the American Academy of Actuaries in good standing. I was appointed by the Board of Directors of said insurers to be the illustration actuary for all plans of insurance subject to the Life Insurance Illustrations Regulation ("Regulation"). I meet the Academy requirements for making this certification and the requirements of applicable state regulations.

I am certifying to the following plans of insurance, which are offered for new business and sold with an illustration: AXA Equitable ART, Athena Survivorship Universal Life III, Athena UL-LPR, Athena UL-DB and Athena UL-ESLI, as well as AXA Equitable Interest Sensitive Whole Life, which will be offered for new business and sold with an illustration beginning December 15, 2008.

Non-guaranteed elements illustrated for new policies are consistent with those illustrated for similar in-force policies. Moreover, no currently payable scale for business within the scope of this certification has been reduced for reasons other than changes in the experience factors underlying the disciplined current scale. The products to which this certification applies are: Equitable Whole Life, Equitable TERM III, Equitable ART, AXA Equitable ART, Level Term, Level Term Plus, Level Term Premier, Equitable Universal Life, Equitable Survivorship Universal Life, Equitable Universal Life II, Equitable Survivorship Universal Life II, Athena Universal Life, Athena Universal Life II, Athena Survivorship Universal Life, Athena Survivorship Universal Life II, and Athena Survivorship Universal Life III, Athena UL-LPR, Athena UL-DB and Athena UL-ESLI, as well as Equitable of Colorado Level Term, Equitable of Colorado Level Term Plus, Equitable of Colorado Level Term Premier and Term 10, Term 15 and Term 20 for AXA Equitable Life and Annuity Company.

Scales of non-guaranteed elements used in insurer-authorized illustrations of the plans of insurance described above meet the requirements of the Regulation. The disciplined current scales for these plans are in conformity with the Actuarial Standard of Practice for Compliance with the NAIC Life Insurance Illustrations Model Regulation (ASOP 24) promulgated by the Actuarial Standards Board.

Illustrated non-guaranteed elements for new and in-force policies subject to this regulation are consistent with the non-guaranteed element amounts actually paid, credited or charged to the same or similar forms.

The minimum expenses used in the calculation of the disciplined current scale for all policy forms listed above were Fully Allocated.

I have relied upon information supplied by Heather Smith, Vice President, Linda Rodway, Vice President and Actuary, and Dominique Baede, Vice President & Senior Actuary.
