Filing Description:

Everest National Insurance Company is filing the enclosed signature page EAH 00 505 12 08 for use with our Excess Loss (Accident and Health) policies.

We have shown 'current position holder' in the signature fields in lieu of formal signatures or reference to the officers' names because the signatures are variables that may change periodically as the officer(s) change. Our filing on this basis would allow us to revise the forms with new officer(s)' signatures when there is a change in officer(s) and begin using them quickly to better serve our policyholders. We request your approval of these forms for our Excess Loss (Accident and Health) policies.
