Form Number: 620-GAQC-08; Endorsement

Dear Filing Analyst:

Enclosed and submitted for informational purposes only is Endorsement, Form 620-GAQC-08. This form will replace existing Form 619-GAQC-08, approved by your Department on February 11, 2008. This form was filed for informational purposes with your Department. At the time of the prior approval, we indicated should any subaccount be deleted or added to the separate account, United would file such change with your Department for informational purposes. Thus, we are filing the endorsement with your department to indicate the changes made to the investment options (subaccounts) offered under the separate account. This informational filing is being made to add two new funds, the Small Cap Stock Index Fund and the Vanguard Global Equity Fund, to the fund line up while also removing the Templeton Growth Fund for performance issues. Approval is pending with the Nebraska Department of Insurance.

I would like to reiterate our intent to eliminate the need to refile minor revisions with your Department under this separate account, and therefore as agreed to in the past, we wish to reserve the right to make variations to the following provisions for each of the Subaccounts as set forth in Form 620-GAQC-08: Subaccount name and investment manager; type of underlying investment; investment objective; investment fee paid; and special provisions. Pursuant to the terms of the Contract, the Contractholder would be notified of any proposed change and is given the right to terminate the Contract should it object to such change. Since such changes would be so infrequent and the impact on Contractholders would be insignificant, we will continue to assume that formal review and approval by your Department for each of the minor changes listed above would not be necessary, unless we hear otherwise.

The [bracketed] text indicates variable material that is subject to change, including effective date and contract number. These forms are in final printed form and may be subject to change regarding paper stock, print style, and corporate logo. These forms do not contain any provisions that we know to be controversial by industry or company standards.

Since there are several existing customers anxious to deposit pension plan funds in the new subaccounts, your rapid response would be greatly appreciated. If you have any questions regarding this informational filing, please contact Kate Mullin at (800) 843-2455, ext. 4193 or via email at kate.mullin@mutualofomaha.com, or via fax at (402) 997-1901.
