The attached form submission is for your review and approval for group policies delivered in your state.

Your state approved the 2001 CSO Mortality Table for new issues of individual policies on or after January 1, 2009. The above-referenced forms are group life insurance policy and certificate forms that were previously approved by your state and are not subject to this law but do currently reference the 1980 CET table. It is our intent to update the maximum cost of insurance reference table with the more current table.

Attached is the new form for the Table of Guaranteed Maximum Monthly Life Insurance Rates. The changed language

on this form has been highlighted for your ease of reference. The form number has also been revised to include (2001 CSO) as part of the form number. Any reference to the older table in the policy and certificate forms will be changed to "200% of the 2001 Commissioner's Standard Ordinary Mortality Table (age last birthday)".

Use of the 2001 CSO Mortality Table with:  
XX603404/XX603405 – Group Universal Life Insurance Policy  
Company Filing ID #: 08-4007

Dear Commissioner Bowman:

The enclosed form submission is for your review and approval for group policies delivered in your state.

Your state approved the 2001 CSO Mortality Table for new issues of individual policies on or after January 1, 2009. The above-referenced forms are group life insurance policy and certificate forms that were previously approved by your state and are not subject to this law but do currently reference the 1980 CET table. It is our intent to update the maximum cost of insurance reference table with the more current table.

Attached is the new form for the Table of Guaranteed Maximum Monthly Life Insurance Rates. The changed language on this form has been highlighted for your ease of reference. The form number has also been revised to include (2001 CSO) as part of the form number. Any reference to the older table in the policy and certificate forms will be changed to “200% of the 2001 Commissioner’s Standard Ordinary Mortality Table (age last birthday)”.
