Dear Virgil Meier,

This will acknowledge receipt of the captioned filing.

Objection 1

- Health - Actuarial Justification (Supporting Document)

Comment: Under the Scope and Reason of the Actuarial memo, it is stated that the rate increase will be effective for renewal business on the next semi-annual anniversary on or after 6/30/08. In my approval letter last year on September 17, 2008, the approval was subject to the following conditions:

1. Rate increases will not be given prior to the first ANNUAL anniversary date of any policy, and
2. After the first annual anniversary date of any polkcy, increases will not be given more frequently than once in a twelve month period.

Please advise as to how many Arkansas policyholders we have on this block of business.

Also, when we reconsidered the rate increase last year, I responded to an e-mail sent to our Department from Mr. Jim Wynstra with your company and a cc: to April Holdun. Under separate cover I am sending you a copy of the e-mail for your review.

Please feel free to contact me if you have questions.

Sincerely,
Rosalind Minor

Dear Rosalind Minor,

Comments:

Response 1

Comments: Dear Rosalind Minor,

Our default language for Actuarial Memorandum says "semi-annual". This has been fixed for AR and going forward will say "annual". I have attached updated Actuarial Memorandum and Rate Pages.

Once again, when it comes to actual rate increases, our system does recognize AR insureds and only increases their premium once in 12 months.

Thank you for your patience,
Sergei Mordovine.

Rosalind,

I apologize for the incorrect language in our documents. Updated versions will be submitted shortly. As for the rate increases, our system flags anyone who lives in AR to increase their premium only once in 12 months.
