individual deferred annuity contracts and also with certificates of participation under a group deferred annuity contract. These endorsements will be used with the company's fixed and variable annuity portfolio, both existing products and products we may develop in the future, in instances where a 403(b) tax-qualified annuity is sold.

These forms relate to a change in federal tax law in the Worker, Retiree, and Employer Recovery Act of 2008 (enacted in December of 2008), which modified the required minimum distribution rules of Section 401(a)(9) of the Internal Revenue Code to provide that 403(b) tax-sheltered annuities and other qualified retirement plans may allow the required minimum distribution for 2009 to be waived. However, in order for a tax-sheltered annuity or retirement plan to allow the owner or participant to exercise this choice, the annuity contract or plan must be amended by the last day of the 2011 plan year (or by the last day of the 2012 plan year for governmental plans). This endorsement is to ensure that our 403(b) tax-sheltered annuity contract owners have the choice to waive the 2009 required minimum distribution without incurring a tax penalty. It will be added to all existing 403(b) tax-sheltered annuity contracts for those who may otherwise be subject to the required minimum distribution rules for 2009 (generally those who are age 70½ or older in 2009, or have died). Please note that this endorsement gives the choice to the owner, and it expands and does not in any way reduce the owner's rights under the existing contract.

RE: Request For Approval - Annuity Investors Life Insurance Company
E6027709NW RMD Waiver Endorsement
E6027809NW RMD Waiver Endorsement

Dear Insurance Commissioner Bradford:

Enclosed for your review and approval, please find the forms referenced above. These forms are new forms and do not replace any existing forms, nor have they been previously submitted to your Department for preliminary review. This submission does not contain any provisions, conditions, or concepts that are uncommon, unusual or possibly controversial from the standpoint of normal company or industry standards. These forms were filed in Ohio, our state of domicile, on November 11, 2009.

Form E6027709NW will be used with group deferred annuity master contracts. Form E6027809NW will be used with individual deferred annuity contracts and also with certificates of participation under a group deferred annuity contract. These endorsements will be used with the company's fixed and variable annuity portfolio, both existing products and products we may develop in the future, in instances where a 403(b) tax-qualified annuity is sold.

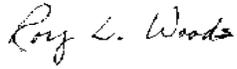

These forms relate to a change in federal tax law in the Worker, Retiree, and Employer Recovery Act of 2008 (enacted in December of 2008), which modified the required minimum distribution rules of Section 401(a)(9) of the Internal Revenue Code to provide that 403(b) tax-sheltered annuities and other qualified retirement plans may allow the required minimum distribution for 2009 to be waived. However, in order for a tax-sheltered annuity or retirement plan to allow the owner or participant to exercise this choice, the annuity contract or plan must be amended by the last day of the 2011 plan year (or by the last day of the 2012 plan year for governmental plans). This endorsement is to ensure that our 403(b) tax-sheltered annuity contract owners have the choice to waive the 2009 required minimum distribution without incurring a tax penalty. It will be added to all existing 403(b) tax-sheltered annuity contracts for those who may otherwise be subject to the required minimum distribution rules for 2009 (generally those who are age 70½ or older in 2009, or have died). Please note that this endorsement gives the choice to the owner, and it expands and does not in any way reduce the owner's rights under the existing contract.

With this information, I look forward to receiving a favorable response to this filing.
