Actuarial Certification

Dear Department of Insurance:

The above-referenced Actuarial Memorandum was filed and approved by your department on July 16, 1999. It was then amended on March 10, 2003 to include an elimination period of 0/3.

The sole purpose of this filing is to inform you of a new commission structure for this policy. The new commission structure reflects an 80% first year commission and a 20% renewal commission. There are no other changes to the Actuarial Memorandum, premium rates or the policy.

We have included the required filing fee and transmittal form. If you have any questions, or if you require additional information, please call me at (800) 825-5682 extension 2141. You may also e-mail me directly at: david.mather@ntalife.com.
