Dear Mr :

The form included in this SERFF filing is being submitted for your review and approval. The form is new and is not intended to replace any form previously approved by your Department. The filing includes no assumption or provisions that unfairly discriminate in availability, rates, benefits, or any other way for prospective insureds of the same class, equal expectation of life, and degree of risk. This filing does not contain any unusual or controversial items. To the best of our knowledge, information and belief, the form submitted herewith is in compliance with the provisions of the insurance laws, rules, regulations and bulletins of your state, and such form contains no provisions previously disapproved by your Department.

Form VR411-09 will be used with any individual contract, group contract, or group certificate previously approved by your Department. This endorsement will be made a part of the annuity contract to which it is attached. The endorsement would permit the Company to pass through employer-imposed and TPA-imposed fees on newly issued contracts or certificates, to address an increasingly important issue in light of final 403(b) regulations. The endorsement will be attached to new issues only.

Please contact me at 1.800.262.4764 x8705 or via e-mail at Natalie.prevost@valic.com if I can assist with your review.

Sincerely,

Natalie Prevost
