Dear Mr. Shields:

We submit the above-referenced form for your attention and approval. This is a new form, not previously submitted, and does not replace any currently approved forms.

Due to changing market conditions, this data page is being filed to give the flexibility to update the Minimum Guaranteed Interest Rate as allowed by the current Standard Non-Forfeiture Law. A Statement of Variability is attached to reflect the intended ranges for the rates that are contained in brackets.

DPA10146-0409 will be used with Contract LU10146AR approved by your Department on 7/3/02.

These forms have been generated by our home office computer system. These forms may also be generated using other hardware, which can result in changes in formatting (e.g., typeface, margins, page breaks), but the contents will remain unaffected.

Please note that some of the variable information on the pdfs of these forms was bracketed using Adobe Acrobat. Although the bracketing appears on the attached pdfs when viewed electronically, the bracketing may not appear on printed hard copies unless your printer is given special instructions to do so.

If you have any questions, please feel free to contact me at the address, phone, or e-mail on my letterhead. Thank you for your consideration of this matter.

Sincerely,

Erica A. Ames

**Statement of Variability**  
Form(s) DPA10146-0409 series

Items in the above-referenced form(s) are bracketed to indicate variable information. Some items vary to reflect policy-specific information. For other items, this Statement of Variability defines a permissible range that may be used for newly-issued policies without the necessity of a re-filing, thereby allowing the company to promptly respond to changes, such as in the market, company experience, or the regulatory environment. Any decision to apply a new factor within the permitted range, will affect newly-issued policies only, and not in-force business. Further, any such changes will be based on sound actuarial practice and administered in a uniform, non-discriminatory manner.

**DPA10146-0409 series, Annuity Data Page**

Bracketed Items	Range of Variability
