30-1165-1 Individual Limited Premium Deferred Annuity Contract

The form submitted is new and does not replace any previously approved forms.

Individual Limited Premium Deferred Annuity Contract 30-1165-1

Annuity Contract form 30-1165-1 is similar to Annuity Contract form 30-1165 which the Department approved on 2/24/2009, State tracking Number 41606, and SERFF tracking number PACL-126041026. Except for the form number and the changes described below, the provisions of the form are otherwise identical to form 30-1165. The changes include:

1. Adopting the Standard Nonforfeiture Law for Individual Deferred Annuities indexed methodology for determining the nonforfeiture rate that is based upon the 5 Year Constant Maturity Treasury rate reported by the Federal Reserve. The methodology is detailed in the accompanying Actuarial Statement of Computation Basis (Actuarial Memorandum).
2. Changing all references in the Contract from the Guaranteed Rate never being less than 3.0% to reflect that the guaranteed rate will never be less than the Minimum Guaranteed Interest Rate set forth on the Contract Specifications page.
3. Prohibiting Joint and Contingent Annuitants in cases where the Contract is owned by a non-natural owner.
4. Updating the Entire Contract provision.
5. Defining effective date of ownership changes.
6. Clarifying the amount received under the Purchase Payment Guarantee provision.
7. Omitting the Interest on Death Benefit Amount provision under the DEATH BENEFIT PROVISIONS section.
8. Updating the Table of Guaranteed Values.

The Contract is an individual, fixed, non-participating, limited premium deferred annuity contract with a 6- year declining withdrawal charge scale. As described in the Contract, withdrawals are allowed, however, there may be a withdrawal charge imposed. The withdrawal charge is assessed as a fixed percentage of the amount withdrawn, with waiver of such charges in certain cases.

There are three interest rate guarantee period options available, either 1, 3, or 6 years as selected by the contract owner. The Contract credits interest daily at a rate which compounds over one year to the annualized effective interest rate we declared when the purchase payment was made and is guaranteed for the chosen guarantee period.

When a purchase payment is made, a Credit Enhancement, as described in the Contract, will be applied to the contract

value. All Credit Enhancements will be considered earnings under the Contract. If the Contract is cancelled in accordance with the Right to Cancel provision, we will deduct any Credit

Enhancements previously applied to the Contract. Additionally, if an Owner or sole surviving Annuitant dies in the first contract year, we will deduct from the death benefit any Credit Enhancements applied to the Contract (as described in the Death Benefit contract provision) The recapture of any Credit Enhancement does not include any interest otherwise earned or credited to such additional amount.

A death benefit is payable only if the sole surviving Annuitant or any Owner dies before the Annuity Date and while the contract is in force.

Annuity payments may be paid on a fixed annuity basis under any of the Annuity Options provided under the contract or allowed by us.

There are no unusual features contained in the Contract.

Contract issue ages are 0 through 90.

Requests for withdrawals received by us on any day usually will be processed within 24 hours unless the transaction or event is scheduled to occur on another day. If any transaction or event is scheduled to occur on a day that does not exist in a given calendar month, such transaction or event will be deemed to occur on the last day of the given calendar month.

Generally, all other instructions and requests normally will be effective as of the end of the day following the day such instructions and requests are received by us, unless the event is scheduled to occur on another day. You acknowledge and agree that we will not be liable for any loss, liability, cost or expense of any kind or character for acting on instructions or requests submitted to us that we reasonably believe to be genuine.

Entire Contract – This Contract, the attached application and any riders and endorsements, constitute the entire Contract, and supersede any and all prior agreements, whether oral or written, about the terms of this Contract and the application. All statements made in the application are representations and not warranties.

No change will be made to this Contract that adversely affects your rights unless the change is required by law. Subject to any required regulatory approval, we may modify the Contract to reflect any clarifications that may be needed or are appropriate to maintain its tax qualification or to conform this Contract to any applicable changes in the tax qualification requirements. You will be provided with notice of any change affecting your Contract.

Annuity Tax Qualification – This Contract is intended to qualify as an annuity contract for federal income tax purposes. To that end, the provisions of this Contract are to be interpreted and administered to ensure or maintain such tax qualification, notwithstanding any other provisions to the contrary.

Basis of Values – A detailed statement showing how values are determined has been filed in accordance with state insurance requirements. All values and reserves are at least equal to those required by the laws of the state in which this Contract is issued.

Minimum Benefits – The benefits provided under this contract are not less than the minimum benefits required by any statute of the insurance laws of the state in which this Contract is delivered. Such benefits may be altered by additional amounts credited, partial withdrawals or surrenders as described in the applicable sections of this Contract.

Claims of Creditors – The Contract Value and other benefits under this Contract are not subject to the claims of your creditors, to the extent permitted by law.

Ownership – This Contract belongs to the Owner. The Owner is entitled to exercise all rights available under this Contract. If this Contract names two Owners, both Owners must join in any request to exercise these rights. The Owner may exercise these rights without the consent of the Beneficiary or any other person, except as otherwise required by law.

Assignment – You may assign all rights and benefits under this Contract before the Annuity Date. The assignment must be in writing in a form satisfactory to us and received at our Service Center. The assignment is effective on the date the notice of assignment is signed, subject to any payments made or actions taken by us prior to our receipt of the notice. Delay of Payment – We may delay payment of any withdrawal or full surrender for a period of not more than six months after the requested effective date of the transaction, as permitted under applicable law. Incontestability – We will not contest the validity of this Contract.

Proof of Life or Death – Before we make a payment, we have the right to require proof of the life or death of any person on whose life or death determines whether, to whom, or how much we must pay any benefits under this Contract.

Premium Taxes – If applicable in the jurisdiction in which you reside, the amount of any premium tax imposed on us relating to this Contract will be deducted in accordance with our then current practice and any applicable jurisdictional law regarding premium taxes.

If premium tax rates change under laws of the jurisdiction in which you reside, the applicable premium tax may also change. If you change the jurisdiction in which you reside, the premium tax may or may not apply.

Withholding Taxes – We reserve the right to withhold from all payments made or deemed made under this Contract, any taxes required to be withheld by applicable federal or state law, unless the Owner or payee elects otherwise pursuant to applicable withholding rules.

Misstatement of Age and/or Sex – We may require proof of the Annuitant's or Owner's Age and/or sex before any payments associated with the death benefit are made. If the Age and/or sex of the Annuitant or Owner is incorrectly stated, we will base any such payment associated with the death benefit on the Annuitant's or Owner's correct Age and/or sex, if applicable.

We may require proof of the Annuitant's Age and/or sex before starting annuity payments. If the Age and/or sex of the Annuitant are incorrectly stated, we will correct the amount payable, based upon the Annuitant's correct Age and/or sex, if applicable. If we make the correction after annuity payments have started, and we have made overpayments, we will deduct the amount of the overpayment, with interest at 3% per year, from any payments due then or later. If we have made underpayments, we will add the amount, with interest at 3% per year, of the underpayments to the next payment we make after we receive proof of the correct Age and/or sex.

PURCHASE PAYMENTS

Initial Purchase Payment – This Contract will not be in force until we receive at our Service Center the Initial Purchase Payment. The Initial Purchase Payment is shown on the Contract Specifications page. Your Initial Purchase Payment is allocated to the Initial Guarantee Term at the Initial Interest Rate shown on the Contract Specifications page.

Upon the expiration of the Initial Guarantee Term, the Contract Value will continue to automatically renew for one year periods. You may obtain information on Guaranteed Rates and Guarantee Terms by using the toll free number shown on the Contract Specifications page. We will notify you of the effective Guaranteed Rate(s) and Guarantee Term(s) on your annual statement.

Additional Purchase Payments – You may make additional Purchase Payments within the first six (6) months of the Contract Date if each Purchase Payment is at least \$1,000. Subsequent Purchase Payments do not start a new Guarantee Term. We may limit the amount of any Purchase Payment as well as the cumulative amount of all Purchase Payments.

Purchase Payments are payable in U.S. dollars at our Service Center. Checks should be made payable to **Pacific Life Insurance Company**. If you make Purchase Payments by check other than a cashier's check, withdrawal payments and any refund under the **Right to Cancel** provision may be delayed until your check has cleared.

Credit Enhancement – We will add a Credit Enhancement to the Contract Value at the time each Purchase Payment is applied to this Contract. The Credit Enhancement percentage is shown on the Contract Specifications page. The Credit Enhancement is treated as earnings for all purposes under the Contract and is not considered part of your Purchase Payments. Any applicable **Purchase Payment Guarantee** provision does not include any Credit Enhancement that was applied to any Purchase Payment.

Recapture of Credit Enhancement – If the Owner cancels the Contract in accordance with the **Right to Cancel** provision, we will deduct any Credit Enhancements previously applied to the Contract. If any Owner or sole surviving Annuitant dies in the first Contract Year, we will deduct from the Death Benefit amount any Credit Enhancements applied to the Contract (as described in the **Death Benefit** provision).

Purchase Payment Guarantee – Upon a full withdrawal, you will get an amount at least equal to

- total Purchase Payments, minus
- prior partial withdrawals including any withdrawal charges on those prior partial withdrawals.

If you have not taken any partial withdrawals prior to the full withdrawal, then you will always get an amount at least equal to total Purchase Payments.

INTEREST

Interest Rate – The rate at which interest will be earned. We may declare guaranteed rates at any time. The initial guaranteed interest rate that will apply to the Initial Purchase Payment and is guaranteed for the length of the Initial Guarantee Term is shown on the Contract Specifications page under **Initial Interest Rate**. The guaranteed rate for any Guarantee Term will never be less than the Minimum Guaranteed Interest Rate shown on the Contract Specifications page.

Subsequent Purchase Payments will earn interest at a rate no less than the rate in effect at the time of each Purchase Payment which will be guaranteed for the remainder of the Initial Guarantee Term.

After the expiration of the Initial Guarantee Term, and on all subsequent Contract Anniversaries, we will declare the renewal interest rate that the Contract Value will earn. Each rate will be guaranteed for one Contract Year and be effective on the Contract Anniversary.

Crediting Interest – Interest will be credited daily at a rate which compounds over one year to the annualized effective interest rate.

Interest Enhancement – We may credit additional interest to your Contract Value based on the cumulative amount of Purchase Payments paid. If applicable, adjustments will be made to the crediting rates on prior Purchase Payments.

WITHDRAWAL PROVISIONS

Withdrawals – You may withdraw all or a portion of the Contract Value while the Annuitant is living. Such withdrawals will be subject to applicable withdrawal charges and any applicable premium taxes.

Each withdrawal, including systematic withdrawals:

- Must occur at least 30 days after the Contract Date but before the Annuity Date,
- Must be at least \$500.

Your withdrawal, plus any withdrawal charge, will be deducted from your Contract Value.

If any withdrawal reduces the Contract Value to an amount less than \$1,000, we may terminate the Contract and pay you the amount described in the **Full Withdrawal** provision.

Full Withdrawal – If you choose to make a full withdrawal, the Contract will terminate. We will pay you the greater of the Contract Value less any applicable withdrawal charges or the amount described in the **Purchase Payment Guarantee** provision.

Systematic Withdrawals – If you wish, you can choose between three systematic withdrawal options: (a) Fixed Amount; (b) Earned Interest Only; and (c) RMDs, all more fully explained below. We need at least 10 days notice to change or stop these options.

- (a) **Fixed Amount** – Expressed as either a dollar or percentage amount. The withdrawals can occur on a monthly, quarterly, semi-annual, and annual basis.
- (b) **Earned Interest Only** – Withdrawals of the prior period's earnings. For this purpose only, Credit Enhancement amounts are excluded from earnings. The prior period is measured as the 12 months prior to the date of the withdrawals.
- (c) **RMDs** – Withdrawals intended to qualify as required minimum distributions for Qualified Contracts.

Free Withdrawals – During the first Contract Year, you may withdraw up to 10% of the Purchase Payments, less withdrawals, free of withdrawal charges. For each subsequent Contract Year, you may withdraw up to 10% of the Contract Value as of the prior Contract Anniversary free of withdrawal charges.

Withdrawal Charge – A withdrawal of all or a portion of the Contract Value before the end of the first 6 Contract Years may be subject to a withdrawal charge. The withdrawal charge is equal to a percentage of the amount withdrawn from the Guarantee Term based on the Contract Year of withdrawal. The withdrawal charge percentages are shown on the Contract Specifications page.

Waiver of Withdrawal Charges – No withdrawal charge will be imposed:

- (a) on withdrawals after the first Contract Year, if the Owner or Annuitant has been diagnosed as having a medically determinable condition indicating life expectancy of 12 months or less and we are provided with medical evidence satisfactory to us;
- (b) on withdrawals designated to meet required minimum distributions for Qualified Contracts as they apply to amounts held under the Contract;
- (c) on withdrawals after 90 days from the Contract Date if the Owner or Annuitant has been confined to an accredited nursing home for 60 days, and was not confined to a nursing home on the Contract Date;
- (d) after the first Contract Year, if the Contract Value is applied to provide an annuity option from us;
- (e) on withdrawals that qualify as a 10% free withdrawal under the **Free Withdrawals** provision;
- (f) surrenders on the default annuity date;
- (g) on distributions resulting from the death of the first Owner or the sole surviving Annuitant before the Annuity Date.

DEATH BENEFIT PROVISIONS

Death Benefit – A death benefit will be payable if the sole surviving Annuitant or any Owner dies before the Annuity Date and while this Contract is in force. The death benefit will be payable upon receipt of, in a form satisfactory to us, proof of death and instructions regarding payment of the death benefit proceeds (the “Notice Date”). Such proceeds will equal the Death Benefit Amount reduced by any charges for any applicable premium taxes and/or other taxes. If the death benefit is payable in the first Contract Year, then the Death Benefit Amount will also be reduced by:

- deductions for the unamortized amount of any Credit Enhancements applied to the Contract. The unamortized amount for each Credit Enhancement will be determined on a proportional basis for the period between the date of death and the date the Credit Enhancement was applied to the Contract.

If you are not also the Annuitant and in the event of simultaneous deaths of both you and the Annuitant, we will presume that you died first.

Death Benefit Amount – The Death Benefit Amount as of any day prior to the Annuity Date is equal to the Contract Value. The Death Benefit Amount may be payable in a lump sum, as an Annuity Option under this Contract or towards the purchase of any Annuity Option we then offer, or in accordance with the Code (see **Death of Owner Distribution Rules**).

Death of Annuitant – If the Annuitant dies before the Owner and before the Annuity Date, the death benefit proceeds will be equal to the Death Benefit Amount as of the Notice Date. Unless there is a surviving Joint Annuitant or Contingent Annuitant, we will pay the death benefit proceeds to the first person among the following who is (1) living; or (2) an entity entitled to receive the death benefit proceeds; following the death of the sole surviving Annuitant:

- (a) the Owner;
- (b) the Joint Owner;
- (c) the Beneficiary; or
- (e) the Contingent Beneficiary.

If none are living (or if there is no entity entitled to receive the death benefit proceeds), we will pay the death benefit proceeds to the Owner’s estate.

If an Annuitant dies and there is a surviving Joint Annuitant, the surviving Joint Annuitant becomes the Annuitant. If there is no surviving Joint Annuitant and there is a Contingent Annuitant, the Contingent Annuitant becomes the Annuitant. No death benefit will be paid, except as otherwise provided under the Death Benefit provision.

If you are the Annuitant and you die, we will determine the amount of any death benefit and to whom it will be paid under this **Death of Annuitant** provision. If the Contract is issued as a Non-Qualified Contract, we will distribute any death benefit proceeds under the **Death of Owner Distribution Rules** provision.

Death of Owner – If you are not the Annuitant and you die before the Annuitant and before the Annuity Date, the death benefit proceeds will be equal to the Contract Value as of the Notice Date.

If you die while the Annuitant is living and prior to the Annuity Date, we will pay the death benefit proceeds to the first among the following who is (1) living; or (2) an entity entitled to receive the death benefit proceeds:

- (a) the Joint Owner;
- (b) the Beneficiary; or
- (c) the Contingent Beneficiary.

If none are living (or if there is no entity entitled to receive the death benefit proceeds), we will pay the death benefit proceeds to your estate.

If you are not also the Annuitant and in the event of simultaneous deaths of both you and the Annuitant, the death benefit will be calculated under the **Death of Annuitant** provision and payment will be made in accordance with this **Death of Owner** provision.

If you are a Non-Natural Owner of a Contract other than a Contract issued under a Qualified Plan as defined in Section 401 or 403 of the Code, the Primary Annuitant will be treated as the Owner of the Contract for purposes of the **Death of Owner Distribution Rules**.

Death of Owner Distribution Rules – The following rules will determine when a distribution must be made under this Contract. These rules do not affect our determination of the amount of death benefit proceeds payable or distribution proceeds. If there is more than one Owner, these rules apply on the date on which the first of these Joint Owners die.

If the Owner dies before the Annuity Date, the designated recipient of the death benefit proceeds may elect to receive the death benefit proceeds:

- in a lump sum payment;
- within five (5) years following the Owner's death; or
- in the form of an annuity for life or over a period that does not exceed the life expectancy of the designated recipient, with annuity payments that start within one (1) year after the Owner's death.

Unless otherwise required by law, an election to receive an annuity (in lieu of a lump sum payment) must be made within such time frames as we may prescribe from time to time, or the lump sum payment option will be deemed elected. We will consider that deemed election as our receipt of instructions regarding payment of the death benefit proceeds.

The Owner may designate that the Beneficiary is to receive the death benefit proceeds either through an annuity for life or over a period that does not exceed the life expectancy of the Beneficiary. Such designation must be made in writing in a form acceptable to us, and may only be revoked by the Owner in writing in a form acceptable to us. Upon death of the Owner, the Beneficiary cannot revoke or modify any designation made by the Owner on how the death benefit proceeds are to be paid.

If the spouse of the deceased Owner is the sole surviving Beneficiary, or is the sole surviving Joint Owner, and has an unrestricted right to receive the death benefit proceeds in a lump sum, the spouse may continue this Contract as Owner rather than receive the death benefit proceeds, provided that we receive instructions to continue the Contract within such time frames as we may prescribe from time to time.

If the Owner dies on or after the Annuity Date, but payments have not yet been completed, then distributions of the remaining amounts payable under this Contract must be made at least as rapidly as the rate that was being used at the date of the Owner's death. All of the Owner's rights granted by the Contract will be assumed by the first person among the following who is (1) living; or (2) an entity entitled to assume the Owner's rights granted by the contract:

- (a) the Joint Owner;
- (b) the Beneficiary; or
- (c) the Contingent Beneficiary.

If none are living (or if there is no entity entitled to assume the Owner's rights granted by the Contract), all of the Owner's rights granted by the Contract will be assumed by the Owner's estate.

If the Owner is a Non-Natural Owner, the rules set forth in these **Death of Owner Distribution Rules** apply in the event of the death or change of the Primary Annuitant.

This Contract incorporates all applicable provisions of Code Section 72(s) and any successor provision, as deemed necessary by us to qualify this Contract as an annuity contract for federal income tax purposes, including the requirement that, if the Owner dies before the Annuity Date, any death benefit proceeds under this Contract shall be distributed within five (5) years of the Owner's death (or such other period that we offer and that is permitted under the Code or such shorter period as we may require).

These **Death of Owner Distribution Rules** do not apply to Qualified Contracts issued under Qualified Plans as defined in Section 401, 403, 408 or 408A of the Code or to an annuity that is a qualified funding asset as defined in Code Section 130(d) (but without regard to whether there is a qualified assignment).

BENEFICIARY PROVISIONS

Designation of Beneficiary – The Beneficiary is the person you name who may receive the Death Benefit Amount, or any remaining annuity payments after the Annuity Date, if the Annuitant or Owner dies. If you leave no surviving Beneficiary, your estate may receive the death benefit.

If more than one person is named within the same class of Beneficiary, any payment will be made in equal shares to the survivors or survivor of such persons, unless otherwise provided.

If the Beneficiary is a trustee, we will neither be responsible for verifying a trustee's right to receive any Death Benefit Amount, nor for how the trustee disposes of any Death Benefit Amount. If before payment of any Death Benefit Amount, we receive proper notice that the trust has been revoked or is not in effect, then any Death Benefit Amount payable will be paid to the Contingent Beneficiary, if living; if not to the Owner's estate.

Adding or Changing Your Beneficiary – You may add, change, or remove any Beneficiary subject to the terms of any assignment, at any time prior to the death of the Annuitant or Owner, by providing us with a written request in a form satisfactory to us. Qualified Contracts may have additional restrictions on naming and changing Beneficiaries. Any change or addition will take effect on the date the notice of change is signed by the Owner, subject to any payments made or actions taken by us prior to receipt of the notice.

ANNUITY PROVISIONS

Date Annuity Payments Begin – Annuity payments will begin on the Annuity Date, if the Annuitant is living and the Contract has not been terminated. Once annuity payments begin, no changes can be made to the Annuity Option and no further withdrawals will be allowed.

Default Annuity Date and Annuity Option – If you did not choose an Annuity Date when you submitted your application for this Contract, the Annuity Date will be the Annuitant's 95th birthday. If there are Joint Annuitants, the Annuity Date will be based on the younger Annuitant's birthday, unless otherwise required by law.

For all Non-Qualified Contracts and those Qualified Contracts where you are not married, the Annuity Option will be Life with 10 Year Period Certain. If this is a Qualified Contract and you are married, the Annuity Option will be Joint and Survivor Life, with survivor payments of 50%, and your spouse will automatically be named as the secondary Annuitant.

Change of Annuity Date and Annuity Option – You may change the Annuity Date and/or Annuity Option by providing proper notice to us at least ten (10) days prior to the current Annuity Date or new Annuity Date, whichever is earlier.

The Annuity Date may not be earlier than the first Contract Anniversary and must occur on or before the day the younger Annuitant reaches his or her 95th birthday, or earlier as required by state law or the Code.

Prior to the Annuity Date, the Annuity Option in effect may be changed to any other Annuity Option contained in this Contract or allowed by us, subject to any state law or the Code.

If this is a Qualified Contract, additional restrictions under your Qualified Plan may apply. You should consult with your Qualified Plan administrator before making your selection.

Application of Contract Value – On the Annuity Date, unless directed otherwise, we will apply the Contract Value, less any applicable premium taxes, to provide annuity payments under the Annuity Option selected.

Annuity benefits will not be less than those that would have been provided by the application of an amount to purchase any single consideration immediate annuity offered by us at the time annuity payments commence to the same class of annuitants.

Minimum Amount – The minimum amount that may be applied to provide annuity payments is \$5,000. You may elect to have annuity payments made monthly, quarterly, semiannually, or annually. Regardless of the frequency of payments, the minimum annuity payment that you may elect to receive is \$240. We reserve the right to reduce the frequency of payments or the period certain if the initial annuity payment is less than \$240.

Conversion to Current Rates – Annuity payments will be based on the greater of:

- our current income factors in effect for this Contract; or
- our guaranteed income factors.

The dollar amount of any payments after the first annuity payment is specified during the annuity payment period according to the provisions of the elected Annuity Option.

ANNUITY OPTIONS

The following Annuity Options are available under this Contract. Additional options may become available in the future:

Option 1 – Life Only. Periodic payments are made to the designated payee during the Annuitant's lifetime. Payments stop when the Annuitant dies.

Option 2 – Life with Period Certain. Periodic payments are made to the designated payee during the Annuitant's lifetime, with payments guaranteed for a specified period. You may choose to have payments guaranteed five (5) through thirty (30) years (in full years only). If the Annuitant dies before the guaranteed payments are completed, we will pay the remainder of the guaranteed payments to the first person among the following who is (1) living; or (2) an entity entitled to receive the remainder of guaranteed payments:

- (a) the Owner;
- (b) the Joint Owner;
- (c) the Beneficiary; or
- (d) the Contingent Beneficiary.

If none are living (or if there is no entity entitled to receive the remainder of the guaranteed payments), we will pay the remainder of the guaranteed payments to the Owner's estate.

If the Annuitant dies after all of the payments under the period certain have been paid, payments will stop when the Annuitant dies.

Option 3 – Joint and Survivor Life. Periodic payments are made to the designated payee during the lifetime of the Primary Annuitant. After the death of the Primary Annuitant, periodic payments are based on the life of the secondary Annuitant named in the election if and so long as such secondary Annuitant lives. Payments made based on the life of the secondary Annuitant may be in installments equal to 50%, 66-2/3% or 100% (as specified in the election) of the original payment amount payable during the lifetime of the Primary Annuitant.

Option 4 – Period Certain Only. Periodic payments are made to the designated payee during the Annuitant's lifetime, with payments guaranteed for a specified period. You may choose to have payments guaranteed five (5) through thirty (30) years (in full years only). If the Annuitant dies before the guaranteed payments are completed, we will pay the remainder of the guaranteed payments to the first person among the following who is (1) living; or (2) an entity entitled to receive the remainder of the guaranteed payments:

- (a) the Owner;
- (b) the Joint Owner;
- (c) the Beneficiary; or
- (d) the Contingent Beneficiary.

If none are living (or if there is no entity entitled to receive the remainder of the guaranteed payments), we will pay the remainder of the guaranteed payments to the Owner's estate.

ANNUITY OPTION TABLES

Applicability of Rates – The annuity rates contained in the tables on the following pages will be used to provide a minimum guaranteed monthly annuity. The rates shown are for each \$1,000 of value applied under the applicable Annuity Option and does not include any applicable premium taxes. Any applicable premium taxes will be withdrawn as described in the **Premium Taxes** provision.

For some Qualified Plans and in some states, the use of sex-distinct income factors is prohibited. Therefore, we use blended (50% male and 50% female) unisex income factors for life payment options, for both male and female Annuitants.

Basis of Computations – The actuarial basis for the annuity rates contained in the tables is the 2000 Individual Annuity Mortality Table with the ages set back 8 years and with interest at an annual rate of 3%.

Rates Not Shown – Any rates and/or ages not shown in the tables contained in this Contract will be provided by the Company upon request.

TABLE OF GUARANTEED VALUES

The values shown below assume that the Initial Purchase Payment of \$10,000 is paid on the Contract Date and allocated to a Guarantee Term of 1 year with interest accumulated at the minimum guaranteed rate of [1%] per year and a Credit Enhancement of [.25%]. The values further assume that no withdrawals have been made, no premium taxes paid and that the Contract Value renews for 1 year periods.

The Contract Value for end of Contract Years 1 through 6 reflects the waiver of withdrawal charges on amounts up to the Free Withdrawal amount. The Free Withdrawal amount in Contract Year 1 is 10% of total Purchase Payments less total withdrawals. The Free Withdrawal amount after Contract Year 1 is 10% of the previous Contract Year's ending Contract Value. The full withdrawal value will never be less than total Purchase Payments paid less total withdrawals taken, less prior withdrawal charges.

We may credit an annual interest rate during a Guarantee Term that is higher than the Minimum Guaranteed Interest Rate.
