Dear Shari Vick,

This will acknowledge receipt of the captioned filing.

Objection 1

- Health - Actuarial Justification (Supporting Document)

Comment:

Our Department has been working with the insurance companies on the rate increases which they are submitting to our Department.

The majority of the companies have been filing rate increases in excess of 15% on specified disease and other limited policies. Our Department is limiting our approval to no more than 15% due to substantial increases in past years and/or the impact that another increase would have on the insureds during this difficult economic time.

Please submit a revised actuarial memorandum and rates reflecting the 15%.

Thank you for your understanding and cooperation.

Please feel free to contact me if you have questions.

Sincerely,

Rosalind Minor
