This is a "print advertisement" which can be used in a variety of print formats including, but not limited to a flyer, poster, table top ad, mailer, postcard or brochure. It may be printed in color or black and white and the size may vary based on its use. Any change in size will not affect the content of this advertisement.

This is a print advertisement that will be used to advertise a sample monthly premium. The ad contains a grid with variable fields (see the Memorandum of Variability) that apply to the rating structure for your state. The agent/independent producer would choose which sample rate they would like to advertise by selecting a plan and any other corresponding variable information.
