Mistake in Product Name Title!

**Comments:**

I recently was assigned your state for filings and compliance. I was copying what the person who previously handled the filing of the LTC Partnership Quarterly Report, and forgot to update the title to "First Quarter 2010 Report...". I apologize!

Should I resubmit the filing with the correct "Product Name"? Do you have the post-submission "update" feature to allow me to make the correction, or can you make the correction?

Thank you for your reply!
