GB8-uK(SVAonly) - Guaranteed Benefit Unallocated Group Retirement Annuity, with Stable Value Account

The form listed above is being submitted for review and approval. This form is new and does not replace any form currently in use. We are submitting the form in "John Doe" fashion, with any variable information displayed in bold-face type within brackets. Pursuant to Indiana Regulations IC §27-1-12.5-1 and Bulletin 93, this type of group annuity form is exempt from filing in the state of Indiana, our state of domicile.

Form GB8-uK(SVAonly) is an unallocated group deferred annuity policy issued to employers to fund plans that are tax-qualified under Internal Revenue Code §401(a), §457, or §501(c)(9). Record keeping is done at the contract level, not at the participant level. Contributions are deposited into a Stable Value Account (SVA) that is part of AUL's general account. The target market is plan sponsors eligible to provide such plans and programs for their employees and/or retirees.

This contract contains an investment option called the Stable Value Account, which is part of AUL's General Asset Account. This Stable Value Account uses a portfolio interest rate crediting methodology as explained in our Actuarial Memorandum.

The application to be used with this contract will be Form P-11104, which was approved by your office on April 17, 2000.

American United Life has reviewed the form and believes, to the best of its knowledge, that the form is both consistent with the laws and regulations of your state and in compliance with those laws and regulations. The form contains no unusual or possibly controversial items deviating from normal company or industry standards.

- 1.20 "Withdrawal Value" is your Account Value, less any Withdrawal Charge.

SECTION 2 - ADMINISTRATION OF THE CONTRACTHOLDER ACCOUNT

- 2.1 How Contributions Are Handled: You determine the amount to be contributed to this contract. We do not guarantee that the amounts held under this contract will be sufficient to purchase the benefits provided by the Plan. Our liability to provide annuities or other benefits is limited to the amounts available under this contract.

A Contribution is credited to the Contractholder Account on the Business Day we receive that Contribution. Contributions are credited to the appropriate Contribution-Sources within the Contractholder Account as you direct.

As soon as administratively feasible following the Business Day that we receive your notice of intent to terminate the contract pursuant to §8.1, but no later than **[5]** Business Days following the Business Day that we receive such notice, no Contributions may be credited to the SVA. If we receive Contributions that are to be credited to the SVA pursuant to your direction after the date that no Contributions may be credited to the SVA, such Contributions shall instead be credited to the Interest Account described in §8.2(a)(1).

- 2.2 Transfers from Other Retirement Programs: If permitted by the Plan and by applicable state and federal law, we may accept, or may initiate the transfer of, amounts transferred from other retirement programs. Such transferred amounts, as identified by you, are credited as a rollover Contribution and are tracked within this contract as required by applicable state and federal law.
- 2.3 Excess Contributions: Contributions may vary in amount and frequency, as determined by your Plan.

On receipt of instructions from you, we will withdraw Excess Contributions, plus interest, from your Account and return them as you direct. Such instructions must state the amount to be returned and certify that such Contributions are Excess Contributions and that such return is permitted by the Plan and the Code. A return of Excess Contributions is not subject to a Withdrawal Charge.

SECTION 3 -- OPERATION OF THE STABLE VALUE ACCOUNT (SVA)

- 3.1 Allocations to the SVA: We allocate Contributions to the SVA as you direct. We credit interest daily from the date of the Contribution to the SVA to the date of withdrawal from the SVA.
- 3.2 Provision of a Guaranteed Rate for the SVA: Each year, at least **[35 days]** prior to January 1, we shall declare a Guaranteed Rate for the SVA that shall apply for the subsequent calendar year. All monies in the SVA will earn interest at the Guaranteed Rate in effect. At the time we declare a Guaranteed Rate for the next year, you shall have the option of rejecting the new rate, provided that notice of such rejection is received by us at our Home Office at least **[5 days]** prior to the date that the new Guaranteed Rate takes effect. If you reject the new Guaranteed Rate, you will have terminated the contract as provided in §8.1(a). Until such time as SVA funds are transferred to the Interest Account pursuant to §8.2(a)(1) and are distributed using the form of payment elected by you (as described in §8.2(a)), amounts invested in the SVA and in the Interest Account shall continue to earn interest at the Guaranteed Rate in effect for the SVA as of the Business Day that we receive notice of your rejection of the new Guaranteed Rate at our Home Office.
- 3.3 Minimum Rate Guarantee: No Guaranteed Rate may be less than an annual effective interest rate of **[0%]**. Thus, principal and interest accrued on all amounts invested in the SVA are guaranteed (although such amounts are subject to the Withdrawal Charge).
- 3.4 Limitation on Contributions to SVA: Except for annuity purchases as described in §5.1, we reserve the right to limit or disallow allocation of new Contributions and loan repayments to the SVA upon **[30 days]** notice to you.

SECTION 4 - BENEFIT PAYMENTS AND TRANSFERS

- 4.1 Plan Benefit Payments: You will advise us of any person for whom a payment is due under the Plan, including the nature and amount of such payment, before the date such payment is due or as soon thereafter as is practicable. Any withdrawal request under this Section must certify the purpose of the request. You assume full responsibility for determining whether any withdrawal is permitted under applicable law and under the Plan. We may rely solely upon your representation made in the withdrawal request.

Prior to notification of contract termination (but not thereafter, subject to the provisions of §8.2), you may direct us to withdraw all or a portion of your Account Value to pay to you a single sum (except as described below) to provide:

(Use this (a) for 401(a))

- [(a) Plan benefits for retirement, death, disability, hardships, loans, required minimum distribution benefits pursuant to Code §401(a)(9), or, for profit-sharing plans, benefits after age 59 1/2 or as otherwise allowed by the Code (provided that such profit-sharing plan benefits are paid in a taxable distribution to the Participant). Such a withdrawal is not subject to a Withdrawal Charge.]**

(Use this (a) for governmental 457 NRDCP)

- [(a) Plan benefits for retirement, death, disability, unforeseeable emergencies, or required minimum distribution benefits pursuant to Code §401(a)(9). Such a withdrawal is not subject to a Withdrawal Charge.]**

- (b) Plan benefits for termination of employment. Such a withdrawal is not subject to a Withdrawal Charge, with the following exceptions:**

- (1) Any such payment requested for a Participant who terminates employment on or after the date your Plan is terminated is subject to a Withdrawal Charge.**
- (2) Any such payment requested for a Participant whose termination of employment is part of a partial Plan termination under IRS guidelines is subject to a Withdrawal Charge.**
- (3) Even if there is no full or partial Plan termination under paragraphs (1) and (2) above, we reserve the right to apply a Withdrawal Charge to any such termination of employment payments during the Contract Year (or, at our option, during the 365-day period preceding our receipt of a termination of employment benefit payment request) which exceed 20% of your Account Value determined as of the first day of the Contract Year (or the first day of the 365-day period).**
- (4) Any such payment requested for a Participant who terminates employment on or after the date the Plan Sponsor files for protection under federal bankruptcy law, is deemed insolvent, dissolves, closes, or shuts down its business, or ceases operations is subject to a Withdrawal Charge.**

- (c) Plan benefits not otherwise listed in Subsections (a) and (b) above. Such a withdrawal is subject to a Withdrawal Charge.**

Under Subsections (b)(1), (2), (3) and (4) and under (c) above, if the entire Account Value is withdrawn, the amount paid equals the Withdrawal Value minus any charges described in §6. If a portion of the Account Value is withdrawn, the Account Value is reduced by an amount sufficient to make the payment requested and to cover the Withdrawal Charge and any charges described in §6. However, under the exceptions specified in Subsections (b)(1), (2), and (4) above, we reserve the right to pay you the SVA Account Value you request (subject to the Withdrawal Charge and any charges described in §6) according to the provisions of the third and fourth paragraphs of §8.2(a)(1), except that the term “contract termination effective date” as used in those paragraphs of §8.2(a)(1) shall be replaced by “withdrawal effective date.”]

As soon as administratively feasible following the Business Day that we receive your notice of intent to terminate the contract pursuant to §8.1, but no later than [5] Business Days following the Business Day that we receive such notice, the above-described Plan benefits shall not be paid under this Section, but instead amounts shall be paid under the provisions of §8.

4.2 Other Funding: If more than one funding medium is used to fund the Plan, the amount to be withdrawn from this contract to pay a Plan benefit is equal to $[(1) \times (2)] + 3 + 4$ where:

- (1) is the total Plan benefit payable;
- (2) is the percentage of total Plan assets held under this contract, as you certify to us;
- (3) is the amount of any applicable Withdrawal Charge applied under §4.1; and
- (4) is the amount of any applicable charges under §6.

SECTION 5 - ANNUITIES

- 5.1 **Annuity Purchases:** Prior to notification of contract termination (but not thereafter, subject to the provisions of §8), you may withdraw all or a portion of your Account Value to provide a Plan benefit in the form of an annuity. Such a withdrawal is not subject to a Withdrawal Charge. Such amounts remain in the SVA until the Account Value of such requested amounts (reflecting gains and losses) is applied to purchase the annuity on **[the last day of the month preceding the Annuity Commencement Date]**. As of that annuity purchase date, those funds are no longer maintained in this contract.

Your annuity purchase request must specify the purpose for the annuity, the Participant's name, the election of an annuity option, Annuity Commencement Date, any contingent annuitant or beneficiary, and any additional information we require. If the Participant or any contingent annuitant dies before the Annuity Commencement Date, the annuity election is cancelled.

The minimum amount that may be applied to purchase an annuity is **[the lesser of \$10,000 or your entire Account Value]**.

As soon as administratively feasible following the Business Day that we receive your notice of intent to terminate the contract pursuant to §8.1, but no later than **[5]** Business Days following the Business Day that we receive such notice, Plan benefits payable in the form of an annuity shall not be paid under this Section, but instead amounts shall be paid under the provisions of §8.

- 5.2 **Annuity Options:** You may elect any optional form of annuity we offer at the time of purchase. Available annuity options always include:
- (a) **Life Annuity.** A monthly annuity is payable as long as the annuitant lives.
 - (b) **Survivorship Annuity.** A monthly annuity is payable as long as the annuitant lives. After the annuitant's death, all or a portion of the monthly annuity is paid to the contingent annuitant as long as the contingent annuitant lives.
 - (c) **10-Year Certain and Life Annuity.** A monthly annuity is payable to the annuitant for as long as the annuitant lives. If the annuitant dies before receiving payments for the 10-year certain period, any remaining payments for the balance of the 10-year certain period are paid to the annuitant's beneficiary.

If a certain period annuity is available, the certain period may not extend beyond the life expectancy of a Participant or the joint life expectancy of a Participant and any contingent annuitant, as determined on the Annuity Commencement Date.

- 5.3 **Determining Annuity Amount:** We compute the annuity amount using the factors reflected in the Table of Guaranteed Immediate Annuities attached to this contract. However, if our current single premium, nonparticipating, immediate annuity rates for this class of group annuity contracts produce a higher monthly annuity than the Table of Guaranteed Immediate Annuities, then that more favorable annuity rate is applied.
- 5.4 **Proof of Age and Survival; Minimum Payments:** We may require proof of any annuitant's or contingent annuitant's date of birth before commencing payments under any annuity. We may also require proof that an annuitant or contingent annuitant is living before making any annuity payment. If a monthly annuity is less than our current established minimum payment, we may make payments on a less-frequent basis.

5.5 Annuity Certificates: We issue to each person for whom an annuity is purchased a certificate setting forth the annuity's amount and terms.

SECTION 6 - OTHER CONTRACT CHARGES

- 6.1 Taxes: We may deduct any premium tax we incur that is directly related to amounts received for the Participant from the balance applied to purchase an annuity, or at such other time as we incur a premium tax.
- 6.2 Other Charges:
- (a) We apply those charges listed in the Table of Contract Charges.
 - (b) Charges due AUL for which the Plan is responsible, and to which the Plan Sponsor and Contractholder have otherwise agreed in writing, that are unpaid **[60]** days after the payment due date, will be deducted from your Account. Charges due AUL for which the Plan Sponsor (not the Plan) is responsible, and to which the Plan Sponsor has otherwise agreed in writing, must be paid by the Plan Sponsor.

SECTION 7 - CONTRACT MODIFICATIONS

- 7.1 **Contract Amendment:** You and we may agree to any change or amendment to this contract without the consent of any other person or entity. This contract cannot be modified or amended, nor can any provision or condition be waived, except by written authorization of a corporate officer of AUL.
- 7.2 **Rates and §6 Charges:** We may announce new Guaranteed Rates, as described in §3.2. We may also modify the charge levels in §6 (but may not exceed the maximum charge levels listed in the Table of Contract Charges) using the procedures of §7.5.
- 7.3 **Conformance with Law:** We may amend this contract at any time, without your consent, or that of any other person or entity, if the amendment is reasonably needed to comply with, or give you or Participants the benefit of, any provisions of federal or state laws. Any such amendment will be delivered to you prior to its effective date.
- 7.4 **Our Right to Initiate Changes:** In addition to those amendments permitted by §§7.2 and 7.3, we may initiate an additional provision or modification of any other provision of this contract (except for those prohibited amendments listed in §7.5) by giving you **[60]** days notice of such modification. Any such modification is effective without your affirmative assent unless you notify us before its effective date that you reject the modification. If you reject a modification, we may terminate this contract pursuant to §8.1.
- 7.5 **Prohibited Amendments:**
- (a) Notwithstanding our right to initiate changes under §7.4, we may not initiate changes to our obligation to set Guaranteed Rates for the period of time specified in §3.2, the payment provisions upon contract termination specified in §8.2, or the maximum charge levels listed in the Table of Contract Charges. We may not modify the Table of Guaranteed Immediate Annuities more often than once every 5 years, and such modified Table will only apply to those individuals who become Participants on or after the effective date of such modification.
 - (b) No modification to this contract may change the terms of a previously purchased annuity or reduce any interest guarantee applicable to Account balances held in the SVA on the modification's effective date.

SECTION 8 - TERMINATION OF CONTRACT

8.1 Termination by Either Party:

- (a) You may terminate this contract by giving us notice and electing a form of payment described in §8.2(a). Your rejection of a new Guaranteed Rate declared for the SVA pursuant to §3.2 shall constitute notice of your termination of the contract, provided that notice of such rejection is received by us at our Home Office at least **[5 days]** prior to the date that the new Guaranteed Rate takes effect.
- (b) We may terminate this contract by giving you notice and making the payment described in §8.2(b) if:
 - (1) you reject a modification to this contract that we propose under §7.4;
 - (2) we have ceased issuing new contracts of this type and intend to terminate substantially all contracts similar in nature to this contract;
 - (3) after the first **[3]** Contract Years have elapsed, your Account Value under this contract totals less than **[\$100,000]**;
 - (4) the Plan continues to be operated or administered in a manner that we determine would disqualify the Plan, is unlawful, violates ERISA or the Internal Revenue Code, or exposes us to potential liability, after we have provided you with at least **[30]** days notice of our concern; or
 - (5) the Plan Sponsor files for protection under federal bankruptcy law, is deemed insolvent, dissolves, closes, shuts down its business, or ceases operations.
- (c) Termination by either party is effective on the **[90th]** day following receipt of the termination notice, unless you and we agree to another date.

8.2 Payment upon Termination:

- (a) If you terminate the contract, you may elect the following options:
 - (1) If you terminate the contract by rejecting a new Guaranteed Rate declared for the SVA pursuant to §3.2 (or if you reject a new Guaranteed Rate after having previously given us notice of contract termination), your SVA Account Value as determined on the Business Day that we receive at our Home Office your notice of rejection of the new Guaranteed Rate and intent to terminate the contract shall be transferred as of that date from the SVA to an Interest Account within our general asset account. (Amounts may be credited to this Interest Account only as described in this Subsection (a)(1).) All amounts accumulated in this Interest Account shall continue to earn interest at the Guaranteed Rate in effect for the SVA as of the date notice of rejection of the new Guaranteed Rate and intent to terminate the contract is received by us at our Home Office.

If you terminate the contract for reasons other than rejection of a new Guaranteed Rate declared for the SVA pursuant to §3.2, your SVA Account Value as determined on the Business Day preceding the termination effective date shall be transferred from the SVA to the Interest Account discussed in the previous paragraph on the termination effective date. All amounts accumulated in the Interest Account shall continue to earn interest at the Guaranteed Rate in effect for the SVA

as of the contract termination effective date.

Amounts accumulated in this Interest Account, subject to a Withdrawal Charge, shall be paid out [365 days] following the contract termination effective date. **[Only Plan benefit distributions that are paid pursuant to §5.1, and Plan benefit distributions that are paid pursuant to §4.1 for retirement, death, disability, termination of employment, and Code §401(a)(9) required minimum distributions and that are not subject to a Withdrawal Charge, shall continue to be made during this 365-day period.]** Provided that both you and we agree, an earlier payout within this [365-day] period may be arranged.

- (2) **Transfer to Another Contract:** You may transfer your Account Value to any group annuity contract that has a withdrawal charge that we may make available. You may transfer your Withdrawal Value to any group annuity contract that does not have a withdrawal charge that we may make available. Monies can be transferred to such group annuity contract, subject to the same limitations as described in Subsection (a)(1) above.
 - (b) If we terminate the contract, we pay you your Withdrawal Value in a lump-sum. Payment is made on the termination effective date, unless you and we agree to another date. Calculation of the amount to be paid is made on the Business Day preceding the payment date. However, if we terminate the contract for the reasons in §8.1(b)(1) or (2), we pay you a lump-sum equal to your Account Value.
 - (c) As soon as administratively feasible following the Business Day that we receive your notice of intent to terminate the contract, but no later than [5] Business Days following the Business Day that we receive such notice, no Contributions may be credited to the SVA pursuant to §2.1.
- 8.3 **Indemnification Required:** Payments or transfers under §8.2 are in full settlement of our obligations under this contract. Prior to making such payments or transfers under §8.2(a), we may require you and the Plan Sponsor to indemnify and hold us harmless from any and all losses, claims, or demands that may later be asserted against us in connection with the making of such payment or transfer.
- 8.4 **Effect on Contract Obligations:** Any annuities purchased prior to notification of contract termination are unaffected by a termination. We may refuse further Contributions at any time after a termination notice has been given. This contract terminates automatically if no amounts remain in the SVA.

We may rely on your or your designee's statements or representations in honoring any benefit payment request.

We may rely on any information you or your designee furnishes. We need not inquire as to the accuracy or completeness of such information. If any essential data pertaining to any person has been omitted or misstated, including, but not limited to, a misstatement of an annuitant's or contingent annuitant's age, we will make an equitable adjustment to provide the annuity or other benefit determined using correct data.
