TZ118 Modification of Features Of The New Policy Provision Endorsement

The forms referenced above were approved by your Department on 8/5/09 (SERFF Tracking # MASS-126254274). The forms have not yet been issued by Massachusetts Mutual Life Insurance Company. We are planning to launch the products on or about 8/30/10.

Several changes have been made to the products since the filing was approved as follows:

- We have expanded the issue age range and conversion period for the VTART product. As a result, the Actuarial Memorandum for that product has been revised and is enclosed.
- The policy rates have been revised for all three products. Copies of the revised current and guaranteed rates are enclosed.
