[Section 1: What's Covered - Benefits]

["Accessing Benefits" in (Section 1: What's Covered - Benefits) is replaced with the following:]

[Accessing Benefits]

[You can choose to receive either Network Benefits or Non-Network Benefits. In most cases, you must see a Network Physician or other Network provider to obtain Network Benefits. For facility services, Network Benefits apply to Covered Health Services that are provided at a Network facility under the direction of either a Network or non-Network Physician or other provider.]

Admin. [text] ¹Include text if the plan design supports paying non-network benefits for a non-Network facility-based Physician (a non-Network anesthesiologist, radiologist, or pathologist).

¹Covered Health Services provided in a Network facility by a non-Network facility-based Physician (a non-Network anesthesiologist,

[To continue reading, go to right column on this page]

radiologist, or pathologist) will be paid as Non-Network Benefits.]

You must show your identification card (ID card) every time you request health care services from a Network provider. If you do not show your ID card, Network providers have no way of knowing that you are enrolled under a [UnitedHealthcare] Policy. As a result, they may bill you for the entire cost of the services you receive. For details about when Network Benefits apply, see (Section 3: Description of Network and Non-Network Benefits).

Benefits are available only if all of the following are true:

- Covered Health Services are received while the group Policy is in effect.
- Covered Health Services are received prior to the date that any of the individual termination conditions listed in (Section 8: When Coverage Ends) occurs.

[To continue reading, go to left column on next page.]

- The person who receives Covered Health Services is a Covered Person and meets all eligibility requirements specified in the Policy.

Admin. [text] ¹Always include unless the Shared Savings Program does not apply to Benefits under this COC. "Shared Savings Program" is bracketed to accommodate possible name change.

Depending on the geographic area and the service you receive, you may have access ¹through our [Shared Savings Program] to non-Network providers who have agreed to discount their charges for Covered Health Services. If you receive Covered Health Services from these providers, and if your Copayment is expressed as a percentage of Eligible Expenses for Non-Network Benefits, that percentage will remain the same as it is when you receive Covered Health Services from non-Network providers who have not agreed to discount their charges; however, the total that you owe may be less when you receive Covered Health Services ¹from [Shared Savings Program] providers than] from other non-Network providers, because the Eligible Expense may be a lesser amount.]

[Subrogation and Reimbursement is replaced with the following:]

[Subrogation and Reimbursement]

[Subrogation is the substitution of one person or entity in the place of another with reference to a lawful claim, demand or right. Immediately upon paying or providing any Benefit, we shall be subrogated to and shall succeed to all rights of recovery, under any legal theory of any type for the reasonable value of any services and Benefits we provided to you, from any or all of the following listed below.

In addition to any subrogation rights and in consideration of the coverage provided by this Certificate of Coverage, we shall also have an independent right to be reimbursed by you for the reasonable value of any services and Benefits we provide to you, from any or all of the following listed below.

- Third parties, including any person alleged to have caused you to suffer injuries or damages.
- Your employer.
- Any person or entity who is or may be obligated to provide benefits or payments to you, including benefits or payments for underinsured or uninsured motorist protection, no-fault or traditional auto insurance, medical payment coverage (auto,

homeowners or otherwise), workers' compensation coverage, other insurance carriers or third party administrators.

- Any person or entity who is liable for payment to you on any equitable or legal liability theory.

These third parties and persons or entities are collectively referred to as "Third Parties".

You agree as follows:

- That you will cooperate with us in protecting our legal and equitable rights to subrogation and reimbursement, including, but not limited to:
 - providing any relevant information requested by us,
 - signing and/or delivering such documents as we or our agents reasonably request to secure the subrogation and reimbursement claim,
 - responding to requests for information about any accident or injuries,
 - making court appearances, and
 - obtaining our consent or our agents' consent before releasing any party from liability or payment of medical expenses.
- That failure to cooperate in this manner shall be deemed a breach of contract, and may result in the termination of health benefits or the instigation of legal action against you.

[United HealthCare Insurance Company]

- That we have the sole authority and discretion to resolve all disputes regarding the interpretation of the language stated herein.
- In the event that you recover from a Third Party, we agree to pay our share of the reasonable costs of collection and attorney fees in the proportion we benefit from the recovery.
- That regardless of whether you have been fully compensated or made whole, we may collect from you the proceeds of any full or partial recovery that you or your legal representative obtain, whether in the form of a settlement (either before or after any determination of liability) or judgment, with such proceeds available for collection to include any and all amounts earmarked as non-economic damage settlement or judgment.
- That benefits paid by us may also be considered to be benefits advanced.
- That you agree that if you receive any payment from any potentially responsible party as a result of an injury or illness, whether by settlement (either before or after any determination of liability), or judgment, you will serve as a constructive trustee over the funds, and failure to hold such funds in trust will be deemed as a breach of your duties hereunder.
- That you or an authorized agent, such as your attorney, must hold any funds due and owing us, as stated herein, separately and alone, and failure to hold funds as such will be deemed as a breach of contract, and may result in the termination of health benefits or the instigation of legal action against you.
- That we may set off from any future benefits otherwise provided by us the value of benefits paid or advanced under this section to the extent not recovered by us.
- That you will not accept any settlement that does not fully compensate or reimburse us without our written approval, nor will you do anything to prejudice our rights under this provision.
- That you will assign to us all rights of recovery against Third Parties, to the extent of the reasonable value of services and benefits we provided.
- That our rights will be considered as the first priority claim against Third Parties, including tortfeasors for whom you are seeking recovery, to be paid before any other of your claims are paid.
- That we may, at our option, take necessary and appropriate action to preserve our rights under these subrogation provisions, including filing suit in your name, which does not obligate us in any way to pay you part of any recovery we might obtain.
- That we shall not be obligated in any way to pursue this right independently or on your behalf.]

The Certificate of Coverage is modified as described in this Amendment.

[Section 1: What's Covered - Benefits]

["Accessing Benefits" in (Section 1: What's Covered - Benefits) is replaced with the following:]

[Accessing Benefits]

Admin. [text] ¹Include text if the plan design supports paying non-network benefits for any service provided by a non-network facility-based physician in a Network facility.

[You can choose to receive either Network Benefits or Non-Network Benefits. To obtain Network Benefits you must see a Network Physician or other Network provider.

¹For facility services, Network Benefits apply to Covered Health Services that are provided at a Network facility by a Network Physician or other Network provider. To be payable as Network Benefits, the Covered Health Services you receive must be provided by a Network provider at a Network facility. Covered Health Services

provided in a Network facility by a non-Network facility-based Physician (a non-Network anesthesiologist, radiologist, or pathologist) will be paid as Non-Network Benefits.]

You must show your identification card (ID card) every time you request health care services from a Network provider. If you do not show your ID card, Network providers have no way of knowing that you are enrolled under a [UnitedHealthcare] Policy. As a result, they may bill you for the entire cost of the services you receive. For details about when Network Benefits apply, see (Section 3: Description of Network and Non-Network Benefits).

Benefits are available only if all of the following are true:

- Covered Health Services are received while the group Policy is in effect.

[To continue reading, go to left column on next page.]

- Covered Health Services are received prior to the date that any of the individual termination conditions listed in (Section 8: When Coverage Ends) occurs.
- The person who receives Covered Health Services is a Covered Person and meets all eligibility requirements specified in the Policy.

Admin. [text] ¹Always include unless the Shared Savings Program does not apply to Benefits under this COC. "Shared Savings Program" is bracketed to accommodate possible name change.

Depending on the geographic area and the service you receive, you may have access [¹through our [Shared Savings Program]] to non-Network providers who have agreed to discount their charges for Covered Health Services. If you receive Covered Health Services from these providers, and if your Copayment is expressed as a percentage of Eligible Expenses for Non-Network Benefits, that percentage will remain the same as it is when you receive Covered Health Services from non-Network providers who have not agreed to discount their charges; however, the total that you owe may be less when you receive Covered Health Services [¹from [Shared Savings Program] providers than] from other non-Network providers, because the Eligible Expense may be a lesser amount.]

If you have a medical condition that we believe needs special services, we may direct you to a Designated Facility or other provider chosen by us. If you require certain complex Covered Health Services for which expertise is limited, we may direct you to a non-Network facility or provider.

In both cases, Network Benefits will only be paid if your Covered Health Services for that condition are provided by or arranged by the Designated Facility or other provider chosen by us.

You or your Network Physician must notify us of special service needs (including, but not limited to, transplants or cancer treatment) that might warrant referral to a Designated Facility or non-Network facility or provider. Section 9: General Legal Provisions

[*Subrogation and Reimbursement is replaced with the following:*]

[Subrogation and Reimbursement]

[Subrogation is the substitution of one person or entity in the place of another with reference to a lawful claim, demand or right. Immediately upon paying or providing any Benefit, we shall be subrogated to and shall succeed to all rights of recovery, under any legal theory of any type for the reasonable value of any services and Benefits we provided to you, from any or all of the following listed below.

In addition to any subrogation rights and in consideration of the coverage provided by this Certificate of Coverage, we shall also have an independent right to be reimbursed by you for the reasonable value of any services and Benefits we provide to you, from any or all of the following listed below.

- Third parties, including any person alleged to have caused you to suffer injuries or damages.
- Your employer.
- Any person or entity who is or may be obligated to provide benefits or payments to you, including benefits or payments for underinsured or uninsured motorist protection, no-fault or traditional auto insurance, medical payment coverage (auto, homeowners or otherwise), workers' compensation coverage, other insurance carriers or third party administrators.

[*To continue reading, go to right column on this page.*]

- Any person or entity who is liable for payment to you on any equitable or legal liability theory.

These third parties and persons or entities are collectively referred to as "Third Parties".

You agree as follows:

- That you will cooperate with us in protecting our legal and equitable rights to subrogation and reimbursement, including, but not limited to:
 - providing any relevant information requested by us,
 - signing and/or delivering such documents as we or our agents reasonably request to secure the subrogation and reimbursement claim,
 - responding to requests for information about any accident or injuries,
 - making court appearances, and
 - obtaining our consent or our agents' consent before releasing any party from liability or payment of medical expenses.
- That failure to cooperate in this manner shall be deemed a breach of contract, and may result in the termination of health benefits or the instigation of legal action against you.
- That we have the sole authority and discretion to resolve all disputes regarding the interpretation of the language stated herein.

[*To continue reading, go to left column on next page.*]

[United HealthCare Insurance Company]

- In the event that you recover from a Third Party, we agree to pay our share of the reasonable costs of collection and attorney fees in the proportion we benefit from the recovery.
- That regardless of whether you have been fully compensated or made whole, we may collect from you the proceeds of any full or partial recovery that you or your legal representative obtain, whether in the form of a settlement (either before or after any determination of liability) or judgment, with such proceeds available for collection to include any and all amounts earmarked as non-economic damage settlement or judgment.
- That benefits paid by us may also be considered to be benefits advanced.
- That you agree that if you receive any payment from any potentially responsible party as a result of an injury or illness, whether by settlement (either before or after any determination of liability), or judgment, you will serve as a constructive trustee over the funds, and failure to hold such funds in trust will be deemed as a breach of your duties hereunder.
- That you or an authorized agent, such as your attorney, must hold any funds due and owing us, as stated herein, separately and alone, and failure to hold funds as such will be deemed as a breach of contract, and may result in the termination of health benefits or the instigation of legal action against you.
- That we may set off from any future benefits otherwise provided by us the value of benefits paid or advanced under this section to the extent not recovered by us.
- That you will not accept any settlement that does not fully compensate or reimburse us without our written approval, nor will you do anything to prejudice our rights under this provision.
- That you will assign to us all rights of recovery against Third Parties, to the extent of the reasonable value of services and benefits we provided.
- That our rights will be considered as the first priority claim against Third Parties, including tortfeasors for whom you are seeking recovery, to be paid before any other of your claims are paid.
- That we may, at our option, take necessary and appropriate action to preserve our rights under these subrogation provisions, including filing suit in your name, which does not obligate us in any way to pay you part of any recovery we might obtain.
- That we shall not be obligated in any way to pursue this right independently or on your behalf.]

- When Covered Health Services are received from non-Network providers as a result of an Emergency or as otherwise arranged by us, Eligible Expenses are billed charges unless a lower amount is negotiated.

For Non-Network Benefits, Eligible Expenses are based on either of the following:

Admin. [text] Include the provisions that apply for determining Eligible Expenses for Non-Network Benefits.

- When Covered Health Services are received from non-Network providers, Eligible Expenses are determined, [at our discretion,] based on [the lesser of]:

Eligible Expenses are determined solely in accordance with our reimbursement policy guidelines. We develop our reimbursement policy guidelines, in our discretion, following evaluation and validation of all provider billings in accordance with one or more of the following methodologies:

- As indicated in the most recent edition of the Current Procedural Terminology (CPT), a publication of the American Medical Association, and/or the Centers for Medicare and Medicaid Services (CMS).
- As reported by generally recognized professionals or publications.
- As used for Medicare.
- As determined by medical staff and outside medical consultants pursuant to other appropriate source or determination that we accept.]

[The definition of Network is replaced with the following:]

Admin. [text]

¹Always include unless the Shared Savings Program does not apply to Benefits under this COC. "Shared Savings Program" is bracketed to accommodate possible name change.

[Network] - when used to describe a provider of health care services, this means a provider that has a participation agreement in effect (either directly or indirectly) with us or with our affiliate to participate in our Network; however, this does not include those providers who have agreed to discount their charges for Covered Health Services ***[¹by way of their participation in the [Shared Savings Program]]***. Our affiliates are those entities affiliated with us through common ownership or control with us or with our ultimate corporate parent, including direct and indirect subsidiaries.

A provider may enter into an agreement to provide only certain Covered Health Services, but not all Covered Health Services, or to be a Network provider for only some of our products. In this case, the provider will be a Network provider for the Covered Health Services and products included in the participation agreement, and a non-Network provider for other Covered Health Services and products. The participation status of providers will change from time to time.]

[The definition of Out-of-Pocket Maximum is replaced with the following:]

Group [Para] Include if group chooses a plan design that includes an Out-of-Pocket-Maximum provision.

Group [text] ¹Include if Annual Deductible provision applies and if the OOPM includes the Annual Deductible.

[Out-of-Pocket Maximum - the maximum amount of ¹Annual Deductible and] Copayments you pay every [calendar] [Policy] year. If you use both Network Benefits and Non-Network Benefits, two separate Out-of-Pocket Maximums apply. Once you reach the Out-of-Pocket Maximum for Network Benefits, Benefits for those Covered Health Services that apply to the Out-of-Pocket Maximum are payable at 100% of Eligible Expenses during the rest of that [calendar] [Policy] year. Once you reach the Out-of-Pocket Maximum for Non-Network Benefits, Benefits for those Covered Health Services that apply to the Out-of-Pocket Maximum are payable at 100% of Eligible Expenses during the rest of that [calendar] [Policy] year. Copayments for some Covered Health Services will never apply to the Out-of-Pocket Maximum, as specified in (Section 1: What's Covered--Benefits) and those Benefits will never be payable at 100% even when the Out-of-Pocket Maximum is reached.

The following costs will never apply to the Out-of-Pocket Maximum:

- Any charges for non-Covered Health Services.

[The following definition of *Shared Savings Program* is added:]

Admin. [text] ¹Always include unless the Shared Savings Program does not apply to Benefits under this COC. "Shared Savings Program" is bracketed to accommodate possible name change.

¹**[*Shared Savings Program*]** - the [Shared Savings Program] provides access to discounts from the provider's charges when services are rendered by those non-Network providers that participate in that program. We will use the [Shared Savings Program] to pay claims when doing so will lower Eligible Expenses. We do not credential the [Shared Savings Program] providers and the [Shared Savings Program] providers are not Network providers. Accordingly, Benefits for Covered Health Services provided by [Shared Savings Program] providers will be paid at the Non-Network Benefit level (except in situations when Benefits for Covered Health Services provided by non-Network providers are payable at Network Benefit levels, as in the case of Emergency Health Services). When we use the [Shared Saving Program] to pay a claim, patient responsibility is limited to Copayments calculated on the contracted rate paid to the provider, in addition to any required Annual Deductible.]

2002 Amendment to the Certificate of Coverage

The Certificate of Coverage is modified as described in this Amendment.

[Section 1: What's Covered - Benefits]

["Accessing Benefits" in (Section 1: What's Covered - Benefits) is replaced with the following:]

[Accessing Benefits]

[You can choose to receive either Network Benefits or Non-Network Benefits. To obtain Network Benefits, you must select a Primary Physician who will provide or coordinate all of the Covered Health Services you receive. Not all Covered Health Services require a referral from your Primary Physician. For facility services, Network Benefits apply to Covered Health Services that are provided at a Network facility under the direction of either a Network or non-Network Physician or other provider.

Admin. [text] ¹Include text if the plan design supports paying non-network benefits for a non-Network facility-based Physician (a non-Network anesthesiologist, radiologist, or pathologist).

[To continue reading, go to right column on this page]

¹Covered Health Services provided in a Network facility by a non-Network facility-based Physician (a non-Network anesthesiologist, radiologist, or pathologist) will be paid as Non-Network Benefits.]

You must show your identification card (ID card) every time you request health care services from a Network provider. If you do not show your ID card, Network providers have no way of knowing that you are enrolled under a [UnitedHealthcare] Policy. As a result, they may bill you for the entire cost of the services you receive. For details about when Network Benefits apply, see (Section 3: Description of Network and Non-Network Benefits).

Benefits are available only if all of the following are true:

- Covered Health Services are received while the group Policy is in effect.

[To continue reading, go to left column on next page.]

- Covered Health Services are received prior to the date that any of the individual termination conditions listed in (Section 8: When Coverage Ends) occurs.
- The person who receives Covered Health Services is a Covered Person and meets all eligibility requirements specified in the Policy.

Admin. [text] ¹Always include unless the Shared Savings Program does not apply to Benefits under this COC. "Shared Savings Program" is bracketed to accommodate possible name change.

Depending on the geographic area and the service you receive, you may have access [¹through our [Shared Savings Program]] to non-Network providers who have agreed to discount their charges for Covered Health Services. If you receive Covered Health Services from these providers, and if your Copayment is expressed as a percentage of Eligible Expenses for Non-Network Benefits, that percentage will remain the same as it is when you receive Covered Health Services from non-Network providers who have not agreed to discount their charges; however, the total that you owe may be less when you receive Covered Health Services [¹from [Shared Savings Program] providers than] from other non-Network providers, because the Eligible Expense may be a lesser amount.]

[The introductory portion of the Network Benefits section in (Section 3: Description of Network and Non-Network Benefits) is replaced with the following:]

[Network Benefits]

[Network Benefits are generally paid at a higher level than Non-Network Benefits. Network Benefits are payable for Covered Health Services which are:

- Provided by or under the immediate direction of your Primary Physician.
- Provided by or under the direction of a Network Physician or other Network provider when the Covered Health Service does not require a referral from your Primary Physician (as identified for you by your Primary Physician.)
- For facility services, these are Benefits for Covered Health Services that are provided at a Network facility under the direction of either a Network or non-Network Physician or other provider.
- Emergency Health Services.

¹Include text if the plan design supports paying non-network benefits for a non-Network facility-based Physician (a non-Network anesthesiologist, radiologist, or pathologist).

[¹Covered Health Services provided in a Network facility by a non-Network facility-based Physician (a non-Network anesthesiologist, radiologist, or pathologist) will be paid as Non-Network Benefits, unless the Covered Health Services are provided under the immediate direction of your Primary Physician.]]

[Designated Facilities and Other Providers in (Section 3: Description of Network and Non-Network Benefits) is replaced with the following:]

[Designated Facilities and Other Providers]

If you have a medical condition that we believe needs special services, we may direct you to a Designated Facility or other provider chosen by us. If you require certain complex Covered Health Services for which expertise is limited, we may direct you to a non-Network facility or provider.

In both cases, Network Benefits will only be paid if your Covered Health Services for that condition are provided by or arranged by the Designated Facility or other provider chosen by us.

[To continue reading, go to left column on next page.]

You or your Primary Physician or other Network Physician must notify us of special service needs (including, but not limited to, transplants or cancer treatment) that might warrant referral to a Designated Facility or non-Network facility or provider. If you do not notify us in advance, and if you receive services from a non-Network facility (regardless of whether it is a Designated Facility) or other non-Network provider, Network Benefits will not be paid. Non-Network Benefits may be available if the special needs services you receive are Covered Health Services for which Benefits are provided under the Policy.]

[The introductory portion of the Non-Network Benefits section in (Section 3: Description of Network and Non-Network Benefits) is replaced with the following:]

[Non-Network Benefits]

[Non-Network Benefits are generally paid at a lower level than Network Benefits. Non-Network Benefits are payable for Covered Health Services which are any of the following:

Admin. [text] ¹Always include unless the Shared Savings Program does not apply to Benefits under this COC. "Shared Savings Program" is bracketed to accommodate possible name change.

Depending on the geographic area and the service you receive, you may have access [¹through our [Shared Savings Program]] to providers who have agreed to discount their charges for Covered Health Services. If you receive Covered Health Services from these providers, and if your Copayment is expressed as a percentage of Eligible Expenses for Non-Network Benefits, that percentage will remain the same as it is when you receive Covered Health Services from non-Network providers who have not agreed to discount their charges; however, the total that you owe may be less when you receive Covered Health Services [¹from [Shared Savings Program] providers than] from other non-Network providers, because the Eligible Expense may be a lesser amount.]

[Emergency Health Services in (Section 3: Description of Network and Non-Network Benefits) is replaced with the following:]

[Emergency Health Services]

[We provide Benefits for Emergency Health Services when required for stabilization and initiation of treatment as provided by or under the direction of a Physician.

[To continue reading, go to left column on next page.]

[United HealthCare Insurance Company]

We provide Benefits for Emergency Health Services even if you do not have a referral from your Primary Physician. Whenever possible, you should contact your Primary Physician before receiving Emergency Health Services, and then seek care from the Network provider he or she designates. Network Benefits are paid for Emergency Health Services, even if the services are provided by a non-Network provider.

If you are confined in a non-Network Hospital after you receive Emergency Health Services, we must be notified within one business day or on the same day of admission if reasonably possible. We may elect to transfer you to a Network Hospital as soon as it is medically appropriate to do so. If you choose to stay in the non-Network Hospital after the date we decide a transfer is medically appropriate, Non-Network Benefits may be available if the continued stay is determined to be a Covered Health Service.]

[*Payment of Benefits in (Section 5: How to File a Claim) is replaced with the following:*]

[*Payment of Benefits*]

Admin. [text] ¹Include the following provision and delete option #2 below if assignment of benefits is agreed to.

¹If a Subscriber provides written authorization to allow this, all or a portion of any Eligible Expenses due to a provider may be paid directly to the provider instead of being paid to the Subscriber. But we will not reimburse third parties that have purchased or been assigned benefits by Physicians or other providers.

Benefits will be paid to you unless either of the following is true:

- The provider notifies us that your signature is on file, assigning benefits directly to that provider.
- You make a written request at the time you submit your claim.]

Admin. [text] Include the following provision and delete option #1 above if assignment of benefits is not agreed to.

Section 9: General Legal Provisions

[Subrogation and Reimbursement is replaced with the following:]

[Subrogation and Reimbursement]

[Subrogation is the substitution of one person or entity in the place of another with reference to a lawful claim, demand or right. Immediately upon paying or providing any Benefit, we shall be subrogated to and shall succeed to all rights of recovery, under any legal theory of any type for the reasonable value of any services and Benefits we provided to you, from any or all of the following listed below.

In addition to any subrogation rights and in consideration of the coverage provided by this Certificate of Coverage, we shall also have an independent right to be reimbursed by you for the reasonable value of any services and Benefits we provide to you, from any or all of the following listed below.

- Third parties, including any person alleged to have caused you to suffer injuries or damages.
- Your employer.
- Any person or entity who is or may be obligated to provide benefits or payments to you, including benefits or payments for underinsured or uninsured motorist protection, no-fault or traditional auto insurance, medical payment coverage (auto,

homeowners or otherwise), workers' compensation coverage, other insurance carriers or third party administrators.

- Any person or entity who is liable for payment to you on any equitable or legal liability theory.

These third parties and persons or entities are collectively referred to as "Third Parties".

You agree as follows:

- That you will cooperate with us in protecting our legal and equitable rights to subrogation and reimbursement, including, but not limited to:
 - providing any relevant information requested by us,
 - signing and/or delivering such documents as we or our agents reasonably request to secure the subrogation and reimbursement claim,
 - responding to requests for information about any accident or injuries,
 - making court appearances, and
 - obtaining our consent or our agents' consent before releasing any party from liability or payment of medical expenses.
- That failure to cooperate in this manner shall be deemed a breach of contract, and may result in the termination of health benefits or the instigation of legal action against you.

[To continue reading, go to left column on next page.]

[United HealthCare Insurance Company]

- That we have the sole authority and discretion to resolve all disputes regarding the interpretation of the language stated herein.
- In the event that you recover from a Third Party, we agree to pay our share of the reasonable costs of collection and attorney fees in the proportion we benefit from the recovery.
- That regardless of whether you have been fully compensated or made whole, we may collect from you the proceeds of any full or partial recovery that you or your legal representative obtain, whether in the form of a settlement (either before or after any determination of liability) or judgment, with such proceeds available for collection to include any and all amounts earmarked as non-economic damage settlement or judgment.
- That benefits paid by us may also be considered to be benefits advanced.
- That you agree that if you receive any payment from any potentially responsible party as a result of an injury or illness, whether by settlement (either before or after any determination of liability), or judgment, you will serve as a constructive trustee over the funds, and failure to hold such funds in trust will be deemed as a breach of your duties hereunder.
- That you or an authorized agent, such as your attorney, must hold any funds due and owing us, as stated herein, separately and alone, and failure to hold funds as such will be deemed as a breach of contract, and may result in the termination of health benefits or the instigation of legal action against you.
- That we may set off from any future benefits otherwise provided by us the value of benefits paid or advanced under this section to the extent not recovered by us.
- That you will not accept any settlement that does not fully compensate or reimburse us without our written approval, nor will you do anything to prejudice our rights under this provision.
- That you will assign to us all rights of recovery against Third Parties, to the extent of the reasonable value of services and benefits we provided.
- That our rights will be considered as the first priority claim against Third Parties, including tortfeasors for whom you are seeking recovery, to be paid before any other of your claims are paid.
- That we may, at our option, take necessary and appropriate action to preserve our rights under these subrogation provisions, including filing suit in your name, which does not obligate us in any way to pay you part of any recovery we might obtain.
- That we shall not be obligated in any way to pursue this right independently or on your behalf.]

[The definition of Eligible Expenses is replaced with the following:]

[Eligible Expenses] - the amount we will pay for Covered Health Services, incurred while the Policy is in effect, are determined as stated below:

For Non-Network Benefits, Eligible Expenses are based on either of the following:

Eligible Expenses are determined solely in accordance with our reimbursement policy guidelines. We develop our reimbursement policy guidelines, in our discretion, following evaluation and validation of all provider billings in accordance with one or more of the following methodologies:

- As indicated in the most recent edition of the Current Procedural Terminology (CPT), a publication of the American Medical Association, and/or the Centers for Medicare and Medicaid Services (CMS).
- As reported by generally recognized professionals or publications.
- As used for Medicare.
- As determined by medical staff and outside medical consultants pursuant to other appropriate source or determination that we accept.]

[The definition of Network is replaced with the following:]

Admin. [text] ¹Always include unless the Shared Savings Program does not apply to Benefits under this COC. "Shared Savings Program" is bracketed to accommodate possible name change.

[Network] - when used to describe a provider of health care services, this means a provider that has a participation agreement in effect (either directly or indirectly) with us or with our affiliate to participate in our Network; however, this does not include those providers who have agreed to discount their charges for Covered Health Services **[¹by way of their participation in the [Shared Savings Program]]**. Our affiliates are those entities affiliated with us through common ownership or control with us or with our ultimate corporate parent, including direct and indirect subsidiaries.

A provider may enter into an agreement to provide only certain Covered Health Services, but not all Covered Health Services, or to be a Network provider for only some of our products. In this case, the provider will be a Network provider for the Covered Health Services and products included in the participation agreement, and a non-Network provider for other Covered Health Services and products. The participation status of providers will change from time to time.]

[The definition of Out-of-Pocket Maximum is replaced with the following:]

Group [Para]	Include if group chooses a plan design that includes an Out-of-Pocket-Maximum provision.
Group [text]	¹ Include if Annual Deductible provision applies and if the OOPM includes the Annual Deductible.

[Out-of-Pocket Maximum] - the maximum amount of ¹Annual Deductible and] Copayments you pay every [calendar] [Policy] year. If you use both Network Benefits and Non-Network Benefits, two separate Out-of-Pocket Maximums apply. Once you reach the Out-of-Pocket Maximum for Network Benefits, Benefits for those Covered Health Services that apply to the Out-of-Pocket Maximum are payable at 100% of Eligible Expenses during the rest of that [calendar] [Policy] year. Once you reach the Out-of-Pocket Maximum for Non-Network Benefits, Benefits for those Covered Health Services that apply to the Out-of-Pocket Maximum are payable at 100% of Eligible Expenses during the rest of that [calendar] [Policy] year. Copayments for some Covered Health Services will never apply to the Out-of-Pocket Maximum, as specified in (Section 1: What's Covered--Benefits) and those Benefits will never be payable at 100% even when the Out-of-Pocket Maximum is reached.

The following costs will never apply to the Out-of-Pocket Maximum:

- Any charges for non-Covered Health Services.
- Copayments for Covered Health Services available by an optional Rider.
- The amount of any reduced Benefits if you don't notify us as described in (Section 1: What's Covered--Benefits) under the *Must You Notify Us?* column.
- Charges that exceed Eligible Expenses.

Group [text] ²Include if an Annual Deductible provision applies, but is not included in the OOPM.

- [²The Annual Deductible.]

Even when the Out-of-Pocket Maximum has been reached, you will still be required to pay:

- Any charges for non-Covered Health Services.
- Charges that exceed Eligible Expenses.
- The amount of any reduced Benefits if you don't notify us as described in (Section 1: What's Covered - Benefits) under the *Must You Notify Us?* column.
- Copayments for Covered Health Services available by an optional Rider.
- Copayments for Covered Health Services in (Section 1: What's Covered - Benefits) that are subject to Copayments that do not apply to the Out-of-Pocket Maximum.]

[The following definition of *Shared Savings Program* is added:]

Admin. [text] ¹Always include unless the Shared Savings Program does not apply to Benefits under this COC. "Shared Savings Program" is bracketed to accommodate possible name change.

[¹***Shared Savings Program***] - the [Shared Savings Program] provides access to discounts from the provider's charges when services are rendered by those non-Network providers that participate in that program. We will use the [Shared Savings Program] to pay claims when doing so will lower Eligible Expenses. We do not credential the [Shared Savings Program] providers and the [Shared Savings Program] providers are not Network providers. Accordingly, Benefits for Covered Health Services provided by [Shared Savings Program] providers will be paid at the Non-Network Benefit level (except in situations when Benefits for Covered Health Services provided by non-Network providers are payable at Network Benefit levels, as in the case of Emergency Health Services). When we use the [Shared Saving Program] to pay a claim, patient responsibility is limited to Copayments calculated on the contracted rate paid to the provider, in addition to any required Annual Deductible.]
