OFFICER CERTIFICATION 2010 -reg \_2\_.pdf

**Colonial Life & Accident Insurance Company  
Actuarial Certification  
Life Insurance Illustration Model Regulation**

**Policy Forms UL97, UL97-GPO, UL97NL, UL97NL-GPO, UL90, UL185, ULB88, UL1000 & UL1000J**

I, Richard W. Kulp, Jr. am Assistant Vice President and Illustration Actuary for Colonial Life & Accident Insurance Company. I am a member of The American Academy of Actuaries and meet the Qualification Standards of the American Academy of Actuaries to render The Actuarial Opinion contained herein.

I hereby certify that the disciplined current scale used in Life Insurance Illustrations for policy forms UL97, UL97-GPO, UL97NL, UL97NL-GPO, UL90, UL185 and ULB88, UL1000 and UL1000J is in conformity with the Actuarial Standard of Practice (No. 24) for Compliance with the NAIC Life Insurance Illustration Model Regulation, and that the illustrated scales used in insurer-authorized illustrations meet the requirements of this regulation.

Disclosures

For business issued in the last five years, the currently payable scale has not been reduced since the last certification for reasons unrelated to experience changes.

There are not any inconsistencies between illustrated non-guaranteed elements for new policies and similar in-force policies.

Illustrated non-guaranteed elements for new and in-force policies are consistent with the non-guaranteed elements amounts actually credited or charged to the same or similar forms.

The fully allocated expense method is used to allocate overhead expenses in the calculation of the disciplined current scale for all illustrations.
