The above-referenced forms are submitted for your review and approval. These forms are new and do not replace any form currently on file with your department.

These forms are being filed on a general-use basis due to the passage of the Patient Protection and Affordable Health Care Act (PPACA). No other product changes have been made via this rider. Form 29813.XX will be used for existing Grandfathered plans in the small group market. Form 29815.XX will be used with plans effective 3/24/2010 (non-grandfathered plans) or later in the small group market. Form 29813.XX and 29815.XX contain variability driven by the need to print values that govern the benefit adjudication process without completely restructuring previously approved form language. In addition to printing on the endorsement rider, the approved benefit level changes may also be incorporated into forms when issued, as stated in the rider's Filer's Notes.

These forms are subject only to minor modifications in paper size, stock, layout, format, company logo and printing specifications of the document upon issue. Please see the enclosed Statement of Variability for additional information on form adaptability.

Thank you in advance for your time and attention to this filing. Should you have any questions, or require additional information, please contact me at any of the numbers listed below.

Due to the passage of the Patient Protection and Affordable Health Care Act (PPACA), also known as health care reform legislation, Your plan will now include certain PPACA provisions not reflected in Your plan contract. Notwithstanding anything in the Certificate to the contrary, the following provisions apply to the terms of the Certificate to which this rider is attached. In addition, the standards identified below are minimum standards and any coverage in excess of the standards identified below that is required by applicable state law or according to the Certificate terms that existed prior to the Endorsement Date of this rider remains in effect.

As used in this rider, "You" and "Your" means the Certificate Holder of the Certificate to which this rider is attached.

"Essential health benefits" means benefits consistent with those set forth in PPACA in the following categories: ambulatory patient services, hospitalization, emergency services, maternity and newborn care, mental health and substance use disorder services (including behavioral health treatment), prescription drugs, rehabilitative and habilitative services and devices, laboratory services, Preventive Benefits and chronic disease management and pediatric services, including oral and vision care.

2. Rescission of Coverage:

Your coverage cannot be rescinded except when You have performed an act or practice that constitutes fraud or intentional misrepresentation of material fact.

3. Dependent Eligibility:

If Your plan allows the addition of Dependents, a Dependent child is eligible for coverage up to attainment of 26 years of age, regardless of marital or student status, financial dependency, or residency requirements. [However, a Dependent child will not be eligible for Dependent coverage past the date he or she becomes eligible to enroll in an employer sponsored health plan other than a health plan of a parent.] If Your Certificate allows for Dependent eligibility for enrollees age 26 and older, such provisions remain in effect subject to the plan terms and conditions for such eligibility.

This plan does not provide coverage for any spouse or child(ren) of an eligible Dependent child, except if required by state law.

4. Calendar Year Maximum Benefit Amounts:

Any calendar year maximum benefit dollar limits referenced pertain only to those health care services and supplies that are not essential health benefits.

PPACA ENDORSEMENT RIDER

Due to the passage of the Patient Protection and Affordable Health Care Act (PPACA), also known as health care reform legislation, Your plan will now include certain PPACA provisions not reflected in Your plan contract. Notwithstanding anything in the Certificate to the contrary, the following provisions apply to the terms of the Certificate to which this rider is attached. In addition, the standards identified below are minimum standards and any coverage in excess of the standards identified below that is required by applicable state law or according to the Certificate terms that existed prior to the Endorsement Date of this rider remains in effect.

As used in this rider, "You" and "Your" means the Certificate Holder of the Certificate to which this rider is attached.

"PPACA" means the Patient Protection and Affordable Care Act as amended by the Health Care and Education Reconciliation Act of 2010 and applicable federal rules or regulations adopted in regard to such acts.

"Emergency medical condition" means a medical condition that manifests itself by acute symptoms of sufficient severity (including severe pain) such that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in 1) placing the health of the individual (or, with respect to a pregnant woman, the health of the woman or her unborn child) in serious jeopardy; 2) serious impairment of bodily functions; or 3) serious dysfunction of any bodily organ or part.

"Emergency services" means, with respect to an emergency medical condition: transportation services (such as ambulance services) and covered inpatient and outpatient hospital services furnished by a provider qualified to furnish those services that are needed to evaluate or stabilize an emergency medical condition.

"Stabilize" means, with respect to an emergency medical condition: to provide such medical treatment of the condition as may be necessary to assure, within reasonable medical probability, that no material deterioration of the condition is likely to result from or occur during the transfer of the individual from a facility (or, with respect to a pregnant woman, to deliver, including the placenta).

"Essential health benefits" means benefits consistent with those set forth in PPACA in the following categories: ambulatory patient services, hospitalization, emergency services, maternity and newborn care, mental health and substance use disorder services (including behavioral health treatment), prescription drugs, rehabilitative and habilitative services and devices, laboratory services, Preventive Benefits and chronic disease management and pediatric services, including oral and vision care.

1. Lifetime Maximum Benefit Amounts:

Maximum lifetime benefit limits referenced pertain only to those health care services and supplies that are not essential health benefits. [If your Certificate references an overall lifetime benefit maximum limitation, that lifetime maximum dollar amount is amended and restated as NO MAX.]

2. Rescission of Coverage:

Your coverage cannot be rescinded except when You have performed an act or practice that constitutes fraud or intentional misrepresentation of material fact.

3. Dependent Eligibility:

If Your plan allows the addition of Dependents, a Dependent child is eligible for coverage up to attainment of 26 years of age, regardless of marital or student status, financial dependency, or residency requirements. If Your Certificate allows for Dependent eligibility for enrollees age 26 and older, such provisions remain in effect subject to the plan terms and conditions for such eligibility.

This plan does not provide coverage for any spouse or child(ren) of an eligible Dependent child, except if required by state law.

4. Calendar Year Maximum Benefit Amounts:

Any calendar year maximum benefit dollar limits referenced pertain only to those health care services and supplies that are not essential health benefits. [If your Certificate references a calendar year maximum benefit dollar limit for an essential health benefit, that calendar year maximum benefit dollar limit is amended and restated as [NO MAX][NO MAXIMUM][insert dollar amount here as defined by HHS as reasonable limit].]

5. Pre-Existing Condition Limitations Waived for Covered Children:

Any pre-existing conditions limitation does not apply to covered persons under 19 years of age.

6. Preventive Benefits:

The PPACA specifies coverage requirements for preventive benefits [when a [Participating Provider][network provider] provides the preventive services]. Cost-sharing requirements, such as Your responsibility for paying deductibles, coinsurance and co-payments, will not be required for these preventive benefits [when You use a [Participating Provider][network provider]]. Such coverage includes preventive benefits for the following:

- (a) evidence-based items or services that have, in effect, a rating of 'A' or 'B' in the current recommendations of the United States Preventive Services Task Force, and with respect to women, such additional preventive care and screenings as provided for in comprehensive guidelines supported by the Health Resources and Services Administration;
- (b) immunizations that have, in effect, a recommendation from the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention; and

- (c) with respect to infants, children, and adolescents, evidence-informed preventive care and screenings provided for in the comprehensive guidelines supported by the Health Resources and Services Administration.

[Benefits for such preventive services will be provided for policy years that begin on or after the date that is one year after the date the recommendation or guideline is issued.]

You will still be responsible for any amount that exceeds the Maximum Allowable Amount or Covered Charge as defined in Your plan. [Preventive benefits are available only when You use a [Participating Provider][network provider]].

7. Appeal Rights:

You may appeal any coverage or claim determination made by Us to deny, reduce, or terminate the provision or payment for health care services under Your plan. When we have made an adverse claim determination based on a judgment as to Medical Necessity, appropriateness, health care setting, level of care, or effectiveness of the health care service, You have the right to have Our decision reviewed by an independent review organization external to Us. A request for an external independent review must be submitted within 4 months from the date You received notice of the adverse determination through Our internal appeal process. Except when a covered person's life or health would be seriously jeopardized, You must first exhaust Our internal appeal process before we will grant Your request for an external independent review. Appeals must be submitted in accordance with Our appeal policy and required timeframes, as set forth in Your plan documents.

8. Primary Care Providers:

Primary care providers include pediatricians, obstetricians and gynecologists.

9. Emergency Services:

Covered emergency services will be provided without the requirement for prior authorization[, without regard to whether the provider is a [Participating Provider][network provider], and without imposing upon services provided out-of-network any requirement or limitation on coverage more restrictive than [Participating Provider][in-network] requirements or limitations].

[Any copayment amount or coinsurance rate for emergency services provided out-of-network cannot exceed the [Participating Provider][in-network] copayment amount and coinsurance rate.]

Other applicable plan provisions still apply to Emergency Services, including but not limited to those relating to cost-sharing, exclusions, coordination of benefits, [Maximum Allowable Amount limitations][and][reasonable and customary charge reductions] and affiliation or waiting periods.

[10. The following changes are made to maximum benefit limitations that may appear on Your Benefit [Summary] [Schedule] regarding essential health benefits. {FILER'S NOTE: These changes may be incorporated directly into the output of the Insured's previously approved form at time of printing.}

[The Maximum Lifetime Benefit is amended and restated as:

[MAXIMUM LIFETIME BENEFIT [for each Covered Person]	NO MAXIMUM]

[Maximum Lifetime Benefits Per Insured Person While Insured Under this Plan. Also Includes Specific Benefit Lifetime Maximums.

SERFF Filing No.:

Dear Sir/Madam:

The above-referenced forms are submitted for your review and approval. These forms are new and do not replace any form currently on file with your department.

These forms are being filed on a general-use basis due to the passage of the Patient Protection and Affordable Health Care Act (PPACA). No other product changes have been made via this rider. Form 29813.XX will be used for existing Grandfathered plans in the small group market. Form 29815.XX will be used with plans effective 3/24/2010 (non-grandfathered plans) or later in the small group market. Form 29813.XX and 29815.XX contain variability driven by the need to print values that govern the benefit adjudication process without completely restructuring previously approved form language. In addition to printing on the endorsement rider, the approved benefit level changes may also be incorporated into forms when issued, as stated in the rider's Filer's Notes.

These forms are subject only to minor modifications in paper size, stock, layout, format, company logo and printing specifications of the document upon issue. Please see the enclosed Statement of Variability for additional information on form adaptability.

Thank you in advance for your time and attention to this filing. Should you have any questions, or require additional information, please contact me at any of the numbers listed below.

Best Regards,

A handwritten signature in black ink that reads "Christine R. Fleming". The signature is written in a cursive style with a large, stylized "C" and "F".

STATEMENT OF VARIABILITY

The variable and adaptable items in the form(s) have been bracketed to provide items which customarily vary according to the insured's specific plan of insurance, helping to alleviate any ambiguity on the part of the customers as to what is covered and how it is covered.

Since these Riders are filed for general use, the variability and terminology has been designed to accommodate use with various forms by incorporating variable terms.

We also reserve the right to amend the form(s) to correct any minor clerical or typographical errors we may have overlooked prior to approval, and to revise any phraseology to clarify the intent within the confines of the law.
