POLICY PROVISIONS

Entire Contract

This policy is a legal contract between the Policy Owner and Us. The entire contract consists of this policy, and any attached riders or endorsements, schedules, the attached application, applications for modifications of the policy and any attached supplemental applications. We have issued this policy in return for the application(s) and the payment of premiums. All statements made by or for the Insured in any application are, in the absence of fraud, considered to be representations and not warranties. We can contest the validity of this policy for any material misrepresentation of a fact subject to the Incontestability provision. To do so, however, the misrepresentation must have been made in an application and a copy of the application must have been attached to this policy when issued or reinstated under the Reinstatement provision. To be effective, any change or waiver of the terms of this policy must be in writing, endorsed on this policy, and signed by Our President, Vice President, Secretary or an Assistant Secretary.

Incontestability

Except for fraud or failure to pay premiums, We will not contest the validity of this policy after it has been in force during the lifetime of the Insured for two years from its Issue Date, or after it has been in force during the lifetime of the Insured for two years from the last Reinstatement Date, if any.

Except for fraud or failure to pay premiums, We will not contest the validity of any increase or addition in benefits after it has been in force during the lifetime of the Insured for two years from the effective date of such change, or after it has been in force during the lifetime of the Insured for two years from the last Reinstatement Date, if any. Contestability of any such increase or addition in benefits that is beyond the contestability date of this Policy will be limited to the amount of the

increase or addition in benefits. Contestability of any increase or addition in benefits shall be based solely on any application for such increase.

The statement on which the contest is based must be material to the risk accepted by Us under this policy. Fraud may be contested by Us only where permitted under applicable law in the state where this policy is delivered or issued for delivery.

Misstatement of Age or Gender

If the age or gender of the Insured has been misstated, the amount payable will be the amount that the most recent premium paid would have purchased at the correct age and gender. If the correct age is outside the range of issue ages for this Policy, the premium and benefits for the correct age will be extrapolated.

Suicide Exclusion

If the Insured commits suicide, while sane or insane, within two years from the Issue Date, and while this policy is in force, We will pay, in one lump sum to the Beneficiary, the amount of premiums paid for this policy. No other Death Benefit will be payable.

POLICY OWNER'S RIGHTS

While the Insured is living, the Policy Owner may exercise all rights given by this policy or allowed by Us. These rights include assigning this policy, changing Beneficiaries, changing ownership, enjoying all policy benefits and exercising all policy options.

The consent of any Irrevocable Beneficiary is needed to exercise any policy right except the right to:

- a. Change the frequency of premium payments, or;
- b. Reinstate this policy after lapse.

Assignment

You may assign this policy. For any assignment to be binding on Us, We must receive the original Assignment, or a signed certified copy at Our Home Office and it must be recorded by Us. Your written instruction or request for change is effective as of the date You sign it. We are not responsible for following any instruction or making any change or Assignment before We actually receive it. We will not be responsible for the validity of any Assignment. We are not liable for any payment made by Us before We record the Assignment.

Change of Policy Owner or Beneficiary

The Policy Owner or any Beneficiary may be changed during the Insured's lifetime. We do not limit the number of changes that may be made. We do not restrict any such changes except for the purpose of satisfying applicable laws or regulations. To make a change, a written request, satisfactory to Us, must be received at Our Home Office. The change will take effect as of the date the request is signed, even if the Insured dies before We receive it. Each change will be subject to any payment We made or other action We took before receiving the request.

Death of Beneficiary in Common Disaster

If any Beneficiary dies with the Insured in a common disaster, death benefits will be paid as if the Beneficiary predeceased the Insured.

PREMIUM PAYMENTS**Payment of Premiums**

First premium must be paid in advance of the policy becoming effective. Premiums are payable annually in advance to the Expiry Date shown in the Policy Schedule. Other modes of payment are available at the discretion of the Company. The first premium is due on the Policy Date. Each renewal premium after the first one is payable at Our Home Office. Upon request, We will provide you with a written receipt. Each subsequent premium is due when the period covered by the preceding premium ends.

Grace Period

After the first premium has been paid, We allow a 31 day grace period to pay each subsequent renewal premium. During this grace period the policy remains in full force. If the Insured dies during the grace period, We will deduct the unpaid premium from the benefits of this policy. For the policy to remain in full force, any premium payments delivered to Us must be postmarked by U.S. mail or otherwise be proven to have been sent within the grace period.

Lapse

If a premium is not paid by the end of its grace period, the policy will lapse without value and no further premium payments may be made.

Reinstatement

This policy may be reinstated, while the Insured is alive, at any time within three years after the date of lapse. However, the policy cannot be reinstated on or after the Expiry Date.

If the premium due is paid within 60 days of the due date (within 29 days after the end of the Grace period) and during the lifetime of the Insured, the policy will be reinstated without evidence of insurability.

If the premium due is not paid within 60 days of the due date (within 29 days after the end of the Grace Period) Reinstatement will be subject to evidence of insurability satisfactory to Us. All overdue premiums must be paid with interest from their due dates to the date of reinstatement. Interest will be at the Policy Reinstatement Rate shown on page 3a, compounded annually to the date of reinstatement.

THE DEATH BENEFIT

Subject to a written claim form, as furnished by Us and surrender of the Policy We will pay the death benefit within 30 days of when We receive due proof at Our Home Office that the Insured died while the policy was in force.

Death Benefit Calculations

In any policy year, the amount of the Death Benefit will be:

- (a) the Death Benefit in effect on the Insured's life; plus
- (b) the premium paid beyond the date of death; plus
- (c) interest accrued at the rate or rates set by Us for funds left on deposit or if no such rates have been established, at the Two Year Treasury Constant Maturity Rate as published by the Federal Reserve, not less than required by law from the Insured's date of death until the payment date; The rate used is the rate in effect on the Insured's date of death; minus
- (d) any indebtedness under the policy; minus
- (e) any unpaid premium due and unpaid at the date of death.

Interest on Death Benefit

The interest rate accrued on the Death Benefit from the Insured's date of death until the payment date will not be less than required by law in the state where this policy is issued. The interest rate will at least equal the rate or rates of interest declared by the Company for funds left on deposit. If no such rates have been declared, the rate will at least equal the Two Year Treasury Constant Maturity Rate as published by the Federal Reserve. The interest rates used will be the ones in effect on the date of death of the insured. If the Death Benefit has not been paid, additional interest equal to 10% annually will also be accrued starting 31 days after the later of the following events:

- i. The date that due proof of death is received by Us;
- ii. The date We receive any other due proof needed that the claim is payable under the policy and that the named beneficiary is legally entitled to the proceeds;
- iii. The date that any legal impediments to the payment of proceeds that depend on the action of parties other than the company are resolved and sufficient evidence of the same is provided to the company. Legal impediments to payment include, but are not limited to (a) the establishment of guardianships and conservatorships; (b) the appointment and qualification of trustees, executors and administrators; and (c) the submission of information required to satisfy a state and federal reporting requirements.

Payment of Proceeds

Settlement of the death benefit shall be made by payment in one lump sum. The proceeds are subject to any adjustments provided in the Misstatement of Age or Gender, Incontestability and Suicide provisions.

Death of Beneficiary

If any beneficiary predeceases the Insured the portion of the proceeds that would have gone to that beneficiary shall be paid to the Estate of the Insured.

Multiple Beneficiaries

If there is more than one beneficiary, proceeds shall be divided equally among the beneficiaries unless the beneficiary designation specifies the amount to be paid to each beneficiary.
