Why do you need long-term care insurance?

There are a lot of good reasons:

- You realize you're getting older and may need help someday
- You want to stay at home as long as possible
- You've seen what happens to people who don't have it
- You don't want your family to take care of you
- You don't want to spend your life savings on long-term care services
- You want to leave an inheritance for your kids
- You know it's the smart thing to do

You may be surprised to learn that long-term care insurance may be more affordable than you think. A Mutual Care® Plus long-term care insurance policy from Mutual of Omaha Insurance Company provides coverage to help pay for the services you need in the setting that's right for you – whether in your home, an assisted living facility or a nursing home. The policy covers the essential long-term care services people use most often, and that means you don't pay for a lot of extra features and benefits you may never need.

I hope you'll allow me to show you just how affordable a Mutual Care® Plus insurance policy may be. Please call or e-mail me soon. I'll be happy to provide an assessment of your long-term care insurance needs at no cost or obligation.
