### 2012 OUTLINE OF MEDICARE SUPPLEMENT COVERAGE — COVER PAGE 1 OF 2

#### BENEFIT PLANS A, B, C, D, F, G AND N

Medicare supplement insurance can be sold in only ten standard plans plus a high deductible plan. This chart shows the benefits included in each plan. Every company must make available Plan "A". Some plans may not be available in your state.

**BASIC BENEFITS** included in all Plans: **Hospitalization** - Part A coinsurance plus coverage for 365 additional days after Medicare benefits end; **Medical Expenses** — Part B coinsurance (generally 20% of Medicare-approved expenses); or in the case of hospital outpatient department services paid under a prospective payment system, the copayment amount. Plans K, L and N require insureds to pay a portion of Part B coinsurance or copayments; **Blood** — First three pints of blood each year; and **Hospice** — Part A coinsurance.

PLANS

		Foreign Travel Emergency				

#### B E N E F I T S

★Marks the plans being offered by Marquette National Life Insurance Company.

\*Plans D, F, G and N are also offered as Medicare Supplement Select plans. If you choose a Medicare Select plan, when medical care is provided in a network hospital, the initial Part A Deductible is waived. If medical care is provided in a non-network provider hospital, you are responsible for payment of the initial Part A Deductible.

\*\*Plan "F" also has an option called a high deductible Plan "F". This high deductible plan pays the same or offer the same benefits as Plan "F" after one has paid a calendar year \$2,070 deductible. Benefits from high deductible Plan "F" will not begin until out-of-pocket expenses are \$2,070. Out-of-pocket expenses for this deductible are expenses that would ordinarily be paid by the policy. These expenses include the Medicare deductible for Part A and Part B, but do not include the plan's separate foreign travel emergency deductible.

#### **RIGHT TO RETURN POLICY**

If you find that you are not satisfied with your policy, you may return it to our Administrative Office, P.O. Box 13547, Pensacola, Florida 32591-3547. If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued and return all of your payments.

This policy may not fully cover all of your medical costs. Neither Marquette National nor its agents are connected with Medicare.

This Outline of Coverage does not give all the details of Medicare coverage. Contact your local Social Security Office or consult "Medicare and You" for more details.

## GRIEVANCE PROCEDURE\*

We have a customer service program which can provide information to you, handle your complaints and help satisfy your concerns. This grievance procedure is intended to provide an opportunity for you and us to achieve mutual agreement for the settlement of disputes that have not been settled through our customer service program, or that you desire to have settled by means of a written grievance.

If while staying at a Network Hospital, you have a complaint regarding hospital services being provided, you may contact the Claims Department by phone (1-800-789-6364) to express the complaint. The Claims Department will relay the complaint to the Network Hospital's Administration on an immediate basis for prompt resolution.

The following procedures are aimed at achieving mutual agreement for the settlement of a dispute.

1. All grievances must be presented to us in written form. Any written grievance between you and us, or between you and a hospital, must be dealt with through this grievance procedure.
2. Any written grievance must contain the words "THIS IS A GRIEVANCE" or other words that clearly state that the intention of the written communication is to serve as a written grievance to be handled according to this procedure.
3. A grievance must be filed by submitting the complete details in writing to Marquette National Life Insurance Company, c/o Grievance Appeal Manager, 411 N. Baylen Street, Pensacola, FL 32502.
4. Each grievance is processed within a maximum of 60 days after it is received by us. Each level of the grievance process is handled by a person with problem-solving authority. A physician, other than your primary care physician, must be involved in reviewing any medically related grievances.
5. If a grievance is found to be valid, corrective action will be taken promptly.
6. All concerned parties are to be notified about the result of a grievance.
7. You have the right to appeal to the Department of Insurance after first completing our grievance process.
8. If, after completing all the steps in the grievance procedure the problem is not satisfactorily resolved, you may request arbitration. Arbitration must be conducted in accordance with the provisions of the applicable state statute.
9. Any meeting with you must be scheduled at a location or in a manner which is convenient and will not necessitate excessive travel or undue hardship.
10. The time for filing a grievance is limited to a period of not more than one year from the date of occurrence.

\*Grievance Procedure only applies to Medicare Select Plans.
