Form 20811MG, Group Limited Payment Modified Benefit Whole Life Insurance Certificate

Form EF11, Group Pre-Need Life Insurance Enrollment Form

Form GEPR2011, Early Payoff Rider

Attached please find the above-referenced forms for your review and approval. These are new forms and do not replace any existing forms. These forms will not be illustrated.

Domiciliary Filing

Our domiciliary state, Pennsylvania, does not require group whole life forms to be filed.

Readability

Readability Certification is attached under the Supporting Documentation tab.

Master Group

The master group policies will be issued to a trust established in Delaware, with life insurance provided to clients of funeral homes that accept Unity Financial Life insurance certificates as the funding vehicle for their prearranged funeral contracts. In the future, a master group policy may be issued to similar trusts established in other states.

Description of Form 20811MG

Form 20811MG is a Group Limited Payment Modified Benefit whole Life Insurance Certificate that is guaranteed issue. The modified benefit period is dependent on the payment plan selected. Initially, the available payment options will be 3-, 5-, 7- or 10-years. For a 3-year payment plan, the modified benefit period for certificate months 1-6 is premiums plus interest. For months 7-12, the death benefit is 50% of the face amount, with a full death benefit paid in months 13 and later. For all other payment plans, the modified death benefit is premiums plus interest in months 1-6, 30% of face amount in months 7-12, 70% of face amount in months 13-24, with a full death benefit after the second certificate anniversary. During the modified benefit period, full death benefit is available for Accidental Death as defined in the certificate. This certificate is issued if the insured answers "yes" to either of the questions on the enrollment form, if the insured is physically or mentally unable to answer the questions, or if the questions are unanswered.

If both questions are answered "no," a level benefit certificate, submitted under separate cover, will be issued.

Description of Form EF11

Form EF11 is the enrollment form that will be used in the pre-need marketplace with Forms 20811ML and 20811MG, as well as any existing certificates or certificates filed in the future.

Comments: An additional \$100.00 was submitted via EFT.

I interpreted the instructions to mean that there was no charge for other forms filed with a policy/certificate. I've made a note in my files that it is a "per form" charge.

Mortality Table and Interest Rate for Basis of Values: This table shows the cash values based on the [1980 Commissioners' Standard Ordinary Mortality Table], Age Last Birthday, with [5%] interest per year.

Definitions

Age means the Insured's Age on his or her last birthday.

Certificate Anniversary means the same date in each succeeding year as the Certificate Date. Certificate Years are measured from the Certificate Anniversary.

Certificate Date means the effective date of the Insurance under this Certificate as shown in the Insurance Summary.

Company, We, Us, and Our all refer to Unity Financial Life Insurance Company.

Indebtedness means any outstanding Certificate Loan(s) plus any accrued and unpaid loan interest.

Insurance means the coverage provided to an Insured under the Group Policy, the details of which are contained in this Certificate.

Insured means the person on whose life this Insurance is provided. The Insured is named in the enrollment form and shown in the Insurance Summary.

Issue Age means the Insured's Age at issue as shown in the Insurance Summary.

Non-Participating means that this Insurance does not share in any revenues or dividends.

Owner means the Owner of the rights and privileges of this Insurance with respect to an Insured. The Owner is named in the enrollment form and shown in the Insurance Summary unless changed at a later date. You or Your refers to the Owner.

Proceeds means the amount paid by the terms of this Certificate upon the death of an Insured.

Premiums and Termination

Premiums. This Certificate will not take effect unless the first premium has been received and the Certificate issued while the Insured is alive. After the initial premium, premiums are payable for the number of years and in the amount shown in the Insurance Summary. All premiums are payable in advance at the Home Office.

Grace Period. A grace period of 31 days from the premium due date is allowed for payment of every premium after the first. During the grace period, the Insurance will continue in force. If the premium due is not paid during the grace period, the premium is considered in default and the Insurance will lapse. The lapse date will be the date the unpaid premium was due. We will have no liability except as otherwise provided in the Nonforfeiture and Loan Provisions.

If the Insured dies during the grace period, the overdue premium that is applicable to the period from the due date to the date of death will be deducted from the Proceeds.

Reinstatement. This Insurance may be reinstated within three (3) years after lapse for nonpayment of premiums unless it has been surrendered. Reinstatement is subject to:

1. submission of evidence of insurability satisfactory to Us;
2. payment of all overdue premiums with compounded interest of 6% per year; and
3. repayment or reinstatement of any Indebtedness with accrued company interest of 6% per year.

On the date of reinstatement, all benefits and cash and loan values provided by the Insurance will be restored to the amounts that would have been in effect on such date

had the Insurance not lapsed. The date of reinstatement will be the date We approve your application for reinstatement. When this Insurance is reinstated, a new two (2) year contestable period will apply with respect to statements made in the application for reinstatement.

Automatic Premium Loan Option. The automatic premium loan option will be in effect if requested by You. It may be requested in the enrollment form for this Certificate or in a written request from You received by Us before expiration of the grace period. If this option is in effect, any premium which remains unpaid at the end of a grace period will be paid by automatic loan, subject to the Certificate Loan provision. An automatic premium loan will not be made if the unpaid premium, plus any existing Indebtedness, equals or exceeds the loan value of the Certificate. In that case, the Non-forfeiture Values provisions of the Certificate will apply.

This option will no longer be in effect when We receive Your written request to terminate it. It may be made effective again by Your subsequent written request.

Termination. Insurance under this Certificate terminates on the date:

1. the Group Policy terminates, subject to the Continuation of Group Policy Benefits section;
2. You surrender this Certificate for its surrender value;
3. the Insurance lapses because the Indebtedness exceeds the cash value;
4. the Insured dies; or
5. You do not pay the premium due on time, subject to the grace period.

Continuation of Group Policy Benefits

If the Group Policy is canceled the Insurance provided to You will continue, subject to payment of any premiums that are due. You will have the same rights and privileges as You had prior to such termination date.

You will be given written notice of the cancellation of the Group Policy at least 30 days prior to the date of such

cancellation. The notice will specify the amount and due dates of any remaining premiums. If any remaining premium is not received by Us by the end of the grace period, Your Insurance will lapse. Insurance will then continue under an option described in the Nonforfeiture and Loan Provisions.

Death Benefit

Payment of Proceeds. If the Insured dies while Insurance is in effect, We will pay the Proceeds to the Beneficiary in a lump sum. Proceeds will be paid when We receive due proof of the Insured's death and the right of the claimant to the Proceeds. Such proof must be submitted to Us at Our Home Office. Appropriate forms will be made available to the Beneficiary upon request. The amount of the death benefit depends upon the elapsed time from the Certificate Date to the date of the Insured's death.

If Proceeds are not paid within 30 days after We receive proof of claim (or where required by law within 30 days after the Insured's death), if required by law We will pay interest on the Proceeds at the rate stated in the Insurance Summary, or any higher rate required by law. Where required by law, We will pay interest from the date of death to the date of settlement.

Death Benefit. If the Insured dies before the Death Benefit equals the Face Amount as shown in the Insurance Summary, We will pay the death benefit as shown in the Insurance Summary.

If the Insured dies on or after the date the Death Benefit equals the Face Amount as shown in the Insurance Summary, the death benefit is equal to:

1. the Face Amount shown in the Insurance Summary; plus
2. the Adjusted Amount as described below; plus
3. the portion of any premium paid for a period beyond the date the Insured dies; less
4. the portion of any unpaid premium during the grace period before the date the Insured dies; less
5. any Indebtedness under the Certificate.

Adjusted Amount. The Adjusted Amount on the Certificate Date is zero.

The Adjusted Amount on any Certificate Anniversary is equal to:

1. the Adjusted Amount on the previous Certificate Anniversary; plus
2. an amount that may be declared at Our option.

The amount declared at Our option is not guaranteed or tied to any index. Once the death benefit is increased by Us, this new higher amount becomes the guaranteed death benefit, subject to any Indebtedness under the Certificate. The amount declared is credited on the Certificate Anniversary following the current declaration.

Owner, Beneficiary and Assignment Provisions

Owner. As the Owner, You may exercise all rights and receive all benefits while the Insured is living. Your rights may be subject to the rights of a Beneficiary if You named such Beneficiary irrevocably or to any rights that You assign. You may name a contingent Owner to succeed to Your rights should You die while the Insured is alive. If no contingent Owner is named, Your estate will be the contingent Owner.

Change of Ownership. You may change ownership of this Certificate to another person by sending Us written notice of the change on a form satisfactory to Us. When We receive such notice, the change will take effect as of the date You requested such change. No change will take effect until We receive such notice and record the change.

Beneficiary. The Beneficiary is the person that You designate to receive the Proceeds upon the Insured's death. The Beneficiary is named in the enrollment form. You may change the Beneficiary unless You named the Beneficiary irrevocably. If more than one Beneficiary is alive at the time of the Insured's death, then Proceeds will be distributed evenly unless otherwise specified.

If the Beneficiary dies before the Insured, the interest of such Beneficiary will terminate at death. If there are no other designated Beneficiaries, Proceeds will be paid to You, if living. If You are not living, then Proceeds are payable to the estate of the Insured.

Change of Beneficiary. To change the Beneficiary, You must send Us a signed notice of the change on a form satisfactory to Us. When We receive such notice, the change will take effect on the date You requested the change. The change will not affect any payment that We made in good faith before receiving and recording the notice.

Irrevocable Beneficiary. If You named an irrevocable Beneficiary, You must obtain that person's written consent before You can:

1. change the Beneficiary;
2. reduce or terminate the Beneficiary's rights to the Proceeds;
3. change the ownership or assign the Insurance; or
4. exercise any other ownership rights that may reduce the Proceeds.

Assignment. You may assign this Insurance, subject to the Irrevocable Beneficiary provision. An assignment of this Insurance will not bind Us until We have been notified in writing and have recorded such assignment. An assignment is subject to any action taken by Us before the notice was acknowledged. We are not responsible for the validity of any assignment.

The interest of the Beneficiary is subordinate to the interest of the assignee on file with Us, without regard to when the Beneficiary was named. Proceeds in excess of the amount paid to the assignee will be paid to the Beneficiary.

Nonforfeiture and Loan Provisions

Cash Surrender. You may surrender this Certificate any time during the Insured's lifetime. A surrender may be subject to the rights of another person. The amount We will pay is the surrender value. The surrender value is the cash value at the time of surrender less any Indebtedness.

If this Certificate is surrendered within 31 days after a Certificate Anniversary, the cash surrender value will not be less than the cash surrender value on that Anniversary, less any Indebtedness incurred after the Certificate Anniversary and prior to the date of surrender.

Deferment. We may delay payment of the surrender value for up to six (6) months or any other period permitted by law. If required by law, We will obtain the permission of the Insurance Commissioner before deferring payment. If a payment is delayed 30 days or more, We will credit interest on the surrender value. The minimum interest that we will pay is shown in the Insurance Summary. We may pay a higher rate or a rate that may be required by the state in which the Group Policy was issued.

Basis of Values. The guaranteed values of this Certificate are shown in the Table of Guaranteed Values. The values shown apply at the end of the Certificate Year if there is no Indebtedness. Values for any time other than the end of the year will be determined by interpolation. Values for any year not shown will be calculated on the same basis as for those shown and will be furnished upon request.

The cash values referred to in this Certificate are based on the mortality table and interest rate as shown in the Table of Guaranteed Values. They are calculated in accordance with the Standard Nonforfeiture Law and equal the statutory reserve amount for this Certificate.

The death benefit used in the calculation is shown in the Table of Guaranteed Values. When the death benefit is increased as described in the "Death Benefit" section of this Certificate, the cash values will be recalculated using the method above and the new death benefit.

We have filed a statement of the method used to compute those values with the Insurance Department in the state where the Group Policy is delivered. The values are at least as great as those required by law in the state where the Group Policy is delivered.

Benefits on Lapse. If the Certificate lapses for non-payment of premium, You may choose to surrender the Certificate for its cash surrender value, or continue Insurance as Reduced Paid-Up insurance provided the cash surrender value exceeds the Automatic Option Minimum Limit shown in the Insurance Summary. This choice must be made within 60 days of the lapse date. If the Insured dies after the policy lapses but before any election is made, the Automatic Nonforfeiture Option will be effective as of the date of the Insured's death.

Reduced Paid-Up. This Certificate may be continued as reduced paid-up life insurance. This insurance will be for a level death benefit in the amount that the cash surrender value will provide when applied as a net single premium on the lapse date at the Insured's attained age on that date. You may surrender this paid-up insurance for its cash surrender value.

Automatic Nonforfeiture Option. If no choice is made by the end of the 60 day period, We will take the following action:

1. if the Cash Value at the time of lapse is equal to or less than the amount shown as the Automatic Nonforfeiture Option Minimum Limit in the Insurance Summary, we will surrender the Certificate for its cash value;
2. if the Cash Value at the time of lapse is more than the amount shown as the Automatic Nonforfeiture Option Minimum Limit in the Insurance Summary, we will continue the coverage as Reduced Paid-Up insurance.

Certificate Loan. You may borrow against this Certificate up to the maximum loan value during the Insured's lifetime and as long as this Certificate is in effect. You must properly assign the Certificate to Us. The maximum loan value is:

1. the cash value at the end of the Certificate Year in which the loan is made; less
2. any existing Indebtedness on the Certificate; less
3. interest in advance to the end of the Certificate Year; less
4. any unpaid balance of premiums for the current Certificate Year.

We may delay making any loan for up to six (6) months.

Loan Interest Rate. The maximum loan interest rate is shown in the Insurance Summary and is payable in advance. Interest is due at the end of each Certificate Year. If it is not paid when due, it will be added to the loan and bear interest at the same rate. This Certificate will terminate if, at the end of any Certificate Year, Indebtedness exceeds the cash value. The date of termination will be 31 days after notice of termination is mailed to the Owner and any assignee recorded at the Home Office.

Repayment. All or any part of Certificate Loans may be repaid at any time before the Insured dies, provided that:

1. the Certificate has not lapsed, been surrendered, or terminated; and
2. payment is equal to at least the lesser of the minimum loan payment as shown in the Insurance Summary or the remaining balance payable.

General Provisions

Entire Contract. The Certificate, including a copy of the attached enrollment form, supplemental enrollment forms, riders, amendments and endorsements, if any, form the entire contract.

All statements in the enrollment form, in the absence of fraud, will be deemed representations and not warranties. No statements will be used by Us to contest this Insurance or to defend against a claim unless it is made in an enrollment form or supplemental enrollment form and attached to a Certificate.

Changes. Only a Company Officer may bind the Company or make changes to the Certificate. No agent has the authority to change the Certificate.

Contestable Period. This Certificate will not be contestable, except for fraudulent misstatements, after it has been in force during the lifetime of the Insured for two (2) years from the Certificate Date.

This Certificate will not be contestable, except for fraudulent misstatements, after it has been in force during the lifetime of the Insured for two (2) years from

the reinstatement date with respect to the statements made in the application for reinstatement.

Clerical Error. Clerical error on Our part will not void Insurance that would otherwise be in effect nor continue Insurance that would otherwise have terminated.

Misstatement of Age. If the Age of the Insured has been misstated, the Face Amount will be adjusted to that which the premiums would have provided based on the correct Age. If We would not have issued a Certificate at the Insured's correct Age, We will refund all premiums and no further benefits will be payable under this Certificate.

Suicide. If the Insured commits suicide, while sane or insane, within two (2) years from the Certificate Date (one (1) year in Colorado, Missouri and North Dakota), the Proceeds payable will be limited to the premiums paid less any Indebtedness.

Time Periods. All time periods stated in a Certificate will begin and end at 12:01 a.m. standard time at the Owner's address.

Children's Coverage

In the event of a death of an unmarried child, grandchild, or great-grandchild of the Insured, We will provide a payment for funeral services and merchandise in an amount equal to the least of (1) the cost of the funeral, or (2) the Insured's then current death benefit, or (3) \$3,000. The delivery of such payment is subject to the terms, conditions and limitations stated below.

1. At the time of death, the deceased child must be unmarried, at least six (6) months of age and not more than 18 years of age, and living with his/her parents, grandparents or great-grandparents. This includes all legally adopted children, stepchildren, step-grandchildren and step-great-grandchildren, but not foster children.
2. The child, grandchild, or great-grandchild must have been either at least six (6) months old and in good health on the day the Insured's

Certificate was issued, or, if born after the Certificate Date, must have been in good health when he/she reached six (6) months of age.

3. Death from suicide is not covered.
4. Only one claim will be paid for a single child's death. Each Insured will be eligible for only one (1) Child's Benefit payment.
5. A copy of the child's death certificate, together with verification of the family relationship and residency, must be provided to Us within 60 days of the death of the child, grandchild, or great-grandchild.

Termination. The Children's Coverage will terminate at:

1. the lapse, surrender, or termination of Your Certificate; or
2. the Insured's death.

LIMITATIONS AND EXCLUSIONS UNDER THE ARKANSAS LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT

Residents of this state who purchase life insurance, annuities or health and accident insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Arkansas Life and Health Insurance Guaranty Association ("Guaranty Association"). The purpose of the Guaranty Association is to assure that policy and contract owners will be protected, within certain limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of policy owners who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by the member insurers through the Guaranty Association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting insurance companies that are well managed and financially stable.

DISCLAIMER

The Arkansas Life and Health Insurance Guaranty Association ("Guaranty Association") may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions and require continued residency in this state. You should not rely on coverage by the Guaranty Association in purchasing an insurance policy or contract.

Coverage is NOT provided for your policy or contract or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as non-guaranteed amounts held in a separate account under a variable life or variable annuity contract.

Insurance Companies or their agents are required by law to provide you with this notice. However, insurance companies and their agents are prohibited by law from using the existence of the Guaranty Association to induce you to purchase any kind of insurance policy.

The state law that provides for this safety-net is called the Arkansas Life and Health Insurance Guaranty Association Act ("Act"). Below is a brief summary of the Act's coverages, exclusions, and limits. This summary does not cover all provisions of the Act; nor does it in any way change anyone's rights or obligations under the Act or the rights or obligations of the Guaranty Association.

COVERAGE

Generally, individuals will be protected by the Guaranty Association if they live in this state and hold a life, annuity or health insurance contract or policy, or if they are insured under a group insurance contract issued by a member insurer. The beneficiaries, payees or assignees of policy or contract owners are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons owning such policies are NOT protected by the Guaranty Association if:

- They are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- The insurer was not authorized to do business in this state;

- Their policy or contract was issued by a nonprofit hospital or medical service organization, an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policy or contract owner is subject to future assessments, or by an insurance exchange.

The Guaranty Association also does NOT provide coverage for:

- Any policy or contract or portion thereof which is not guaranteed by the insurer or for which the owner has assumed the risk, such as non-guaranteed amounts held in a separate account under a variable life or variable annuity contract;
- Any policy of reinsurance (unless an assumption certificate was issued);
- Interest rate yields that exceed an average rate;
- Dividends and voting rights and experience rating credits;
- Credits given in connection with the administration of a policy by a group contract holder;
- Employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- Unallocated annuity contracts (which give rights to group contractholders, not individuals);
- Unallocated annuity contracts issued to/in connection with benefit plans protected under Federal Pension Benefit Corporation ("FPBC")(whether the FPBC is yet liable or not);
- Portions of an unallocated annuity contract not owned by a benefit plan or a government lottery (unless the owner is a resident) or issued to a collective investment trust or similar pooled fund offered by a bank or other financial institution);
- Portions of a policy or contract to the extent assessments required by law for the Guaranty Association are preempted by State or Federal law;
- Obligations that do not arise under the policy or contract, including claims based on marketing materials or side letters, riders, or other documents which do not meet filing requirements, or claims for policy misrepresentations, or extra-contractual or penalty claims;
- Contractual agreements establishing the member insurer's obligations to provide book value accounting guarantees for defined contribution benefit plan participants (by reference to a portfolio of assets owned by a nonaffiliate benefit plan or its trustees).

LIMITS ON AMOUNT OF COVERAGE

The Act also limits the amount the Guaranty Association is obligated to cover: The Guaranty Association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the Guaranty Association will pay a maximum of \$300,000 – no matter how many policies and contracts there were with the same company, even if they provided different types of coverages. Within this overall \$300,000 limit, the Association will not pay more than \$300,000 in health insurance benefits, \$300,000 in present value of annuity benefits, or \$300,000 in life insurance death benefits or net cash surrender values – again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverages. There is a \$1,000,000 limit with respect to any contract holder for unallocated annuity benefits, irrespective of the number of contracts held by the contract holder. These are limitations for which the Guaranty Association is obligated before taking into account either its subrogation and assignment rights or the extent to which those benefits could be provided out of the assets of the impaired or insolvent insurer.

Year-end values are shown for the first 20 certificate years. Values not shown in the table may be requested. All values will be determined with allowance for elapsed time and premium payments for part of a year.

Information regarding the calculation of cash values is shown in the Basis of Values provision.

Mortality Table and Interest Rate for Basis of Values: This table shows the cash values based on the [1980 Commissioners' Standard Ordinary Mortality Table], Age Last Birthday, with [5%] interest per year.

Definitions

Age means the Insured's Age on his or her last birthday.

Certificate Anniversary means the same date in each succeeding year as the Certificate Date. Certificate Years are measured from the Certificate Anniversary.

Certificate Date means the effective date of the Insurance under this Certificate as shown in the Insurance Summary.

Company, We, Us, and Our all refer to Unity Financial Life Insurance Company.

Indebtedness means any outstanding Certificate Loan(s) plus any accrued and unpaid loan interest.

Insurance means the coverage provided to an Insured under the Group Policy, the details of which are contained in this Certificate.

Insured means the person on whose life this Insurance is provided. The Insured is named in the enrollment form and shown in the Insurance Summary.

Issue Age means the Insured's Age at issue as shown in the Insurance Summary.

Non-Participating means that this Insurance does not share in any revenues or dividends.

Owner means the Owner of the rights and privileges of this Insurance with respect to an Insured. The Owner is named in the enrollment form and shown in the Insurance Summary unless changed at a later date. You or Your refers to the Owner.

Proceeds means the amount paid by the terms of this Certificate upon the death of an Insured.

Premiums and Termination

Premiums. This Certificate will not take effect unless the first premium has been received and the Certificate issued while the Insured is alive. After the initial premium, premiums are payable for the number of years and in the amount shown in the Insurance Summary. All premiums are payable in advance at the Home Office.

Grace Period. A grace period of 31 days from the premium due date is allowed for payment of every premium after the first. During the grace period, the Insurance will continue in force. If the premium due is not paid during the grace period, the premium is considered in default and the Insurance will lapse. The lapse date will be the date the unpaid premium was due. We will have no liability except as otherwise provided in the Nonforfeiture and Loan Provisions.

If the Insured dies during the grace period, the overdue premium that is applicable to the period from the due date to the date of death will be deducted from the Proceeds.

Reinstatement. This Insurance may be reinstated within three (3) years after lapse for nonpayment of premiums unless it has been surrendered. Reinstatement is subject to:

1. submission of evidence of insurability satisfactory to Us;
2. payment of all overdue premiums with compounded interest of 6% per year; and
3. repayment or reinstatement of any Indebtedness with accrued company interest of 6% per year.

On the date of reinstatement, all benefits and cash and loan values provided by the Insurance will be restored to the amounts that would have been in effect on such date

had the Insurance not lapsed. The date of reinstatement will be the date We approve your application for reinstatement. When this Insurance is reinstated, a new two (2) year contestable period will apply with respect to statements made in the application for reinstatement.

Automatic Premium Loan Option. The automatic premium loan option will be in effect if requested by You. It may be requested in the enrollment form for this Certificate or in a written request from You received by Us before expiration of the grace period. If this option is in effect, any premium which remains unpaid at the end of a grace period will be paid by automatic loan, subject to the Certificate Loan provision. An automatic premium loan will not be made if the unpaid premium, plus any existing Indebtedness, equals or exceeds the loan value of the Certificate. In that case, the Non-forfeiture Values provisions of the Certificate will apply.

This option will no longer be in effect when We receive Your written request to terminate it. It may be made effective again by Your subsequent written request.

Termination. Insurance under this Certificate terminates on the date:

1. the Group Policy terminates, subject to the Continuation of Group Policy Benefits section;
2. You surrender this Certificate for its surrender value;
3. the Insurance lapses because the Indebtedness exceeds the cash value;
4. the Insured dies; or
5. You do not pay the premium due on time, subject to the grace period.

Continuation of Group Policy Benefits

If the Group Policy is canceled the Insurance provided to You will continue, subject to payment of any premiums that are due. You will have the same rights and privileges as You had prior to such termination date.

You will be given written notice of the cancellation of the Group Policy at least 30 days prior to the date of such

cancellation. The notice will specify the amount and due dates of any remaining premiums. If any remaining premium is not received by Us by the end of the grace period, Your Insurance will lapse. Insurance will then continue under an option described in the Nonforfeiture and Loan Provisions.

Death Benefit

Payment of Proceeds. If the Insured dies while Insurance is in effect, We will pay the Proceeds to the Beneficiary in a lump sum. Proceeds will be paid when We receive due proof of the Insured's death and the right of the claimant to the Proceeds. Such proof must be submitted to Us at Our Home Office. Appropriate forms will be made available to the Beneficiary upon request. The amount of the death benefit depends upon the elapsed time from the Certificate Date to the date of the Insured's death.

If Proceeds are not paid within 30 days after We receive proof of claim (or where required by law within 30 days after the Insured's death), if required by law We will pay interest on the Proceeds at the rate stated in the Insurance Summary, or any higher rate required by law. Where required by law, We will pay interest from the date of death to the date of settlement.

Death Benefit. If the Insured dies before the Death Benefit equals the Face Amount as shown in the Insurance Summary, We will pay the death benefit as shown in the Insurance Summary.

If the Insured dies on or after the date the Death Benefit equals the Face Amount as shown in the Insurance Summary, the death benefit is equal to:

1. the Face Amount shown in the Insurance Summary; plus
2. the Adjusted Amount as described below; plus
3. the portion of any premium paid for a period beyond the date the Insured dies; less
4. the portion of any unpaid premium during the grace period before the date the Insured dies; less
5. any Indebtedness under the Certificate.

Adjusted Amount. The Adjusted Amount on the Certificate Date is zero.

The Adjusted Amount on any Certificate Anniversary is equal to:

1. the Adjusted Amount on the previous Certificate Anniversary; plus
2. an amount that may be declared at Our option.

The amount declared at Our option is not guaranteed or tied to any index. Once the death benefit is increased by Us, this new higher amount becomes the guaranteed death benefit, subject to any Indebtedness under the Certificate. The amount declared is credited on the Certificate Anniversary following the current declaration.

Accidental Death Provision

Accidental Death Benefit. During the period before the Death Benefit is equal to the Face Amount as shown in the Insurance Summary, payment of the Face Amount as indicated in the Insurance Summary, less any Indebtedness, (in lieu of any other amounts which would otherwise be payable under this Certificate) will be made upon receipt by Us at Our Home Office of due proof that:

1. death of the Insured resulted directly from bodily injury, independently of all other causes, effected solely through external, violent and accidental means and evidenced by a visible contusion or wound on the exterior of the body (except in the case of drowning or of internal injuries revealed by an autopsy); and
2. death occurred within 90 days after such injury and while this Certificate is in full force.

Exceptions and Exclusions. No Accidental Death Benefit will be payable if death of the Insured occurs after the Insured's 80th birthday, or if death occurs before the Insured's 80th birthday and any of the following caused or contributed to the death of the Insured:

- (a) suicide or any attempt at suicide, whether sane or insane;

- (b) war or service in the military, naval or air forces of any country at war. War as used in this Certificate means declared or undeclared war or any conflict between the armed forces of countries or governments through an international organization or otherwise;
- (c) disease, or bodily or mental infirmity, or medical or surgical treatment for such disease or infirmity;
- (d) travel or flight in or descent from any kind of aircraft which is being operated for any training purpose or which the Insured is aboard to perform specific duties, whether applicable to the operation of the aircraft or not;
- (e) any drug, poison, gas, or fumes voluntarily or involuntarily taken, administered, or inhaled, except for poison, gas or fumes voluntarily or involuntarily taken, or inhaled during the course of employment;
- (f) gunshot wounds inflicted by the Insured; or
- (g) participating in or attempting to commit an assault or felony.

Owner, Beneficiary and Assignment Provisions

Owner. As the Owner, You may exercise all rights and receive all benefits while the Insured is living. Your rights may be subject to the rights of a Beneficiary if You named such Beneficiary irrevocably or to any rights that You assign. You may name a contingent Owner to succeed to Your rights should You die while the Insured is alive. If no contingent Owner is named, Your estate will be the contingent Owner.

Change of Ownership. You may change ownership of this Certificate to another person by sending Us written notice of the change on a form satisfactory to Us. When We receive such notice, the change will take effect as of the date You requested such change. No change will take effect until We receive such notice and record the change.

Beneficiary. The Beneficiary is the person that You designate to receive the Proceeds upon the Insured's death. The Beneficiary is named in the enrollment form. You may change the Beneficiary unless You named the Beneficiary irrevocably. If more than one Beneficiary is alive at the time of the Insured's death, then Proceeds will be distributed evenly unless otherwise specified.

If the Beneficiary dies before the Insured, the interest of such Beneficiary will terminate at death. If there are no other designated Beneficiaries, Proceeds will be paid to You, if living. If You are not living, then Proceeds are payable to the estate of the Insured.

Change of Beneficiary. To change the Beneficiary, You must send Us a signed notice of the change on a

form satisfactory to Us. When We receive such notice, the change will take effect on the date You requested the change. The change will not affect any payment that We made in good faith before receiving and recording the notice.

Irrevocable Beneficiary. If You named an irrevocable Beneficiary, You must obtain that person's written consent before You can:

1. change the Beneficiary;
2. reduce or terminate the Beneficiary's rights to the Proceeds;
3. change the ownership or assign the Insurance; or
4. exercise any other ownership rights that may reduce the Proceeds.

Assignment. You may assign this Insurance, subject to the Irrevocable Beneficiary provision. An assignment of this Insurance will not bind Us until We have been notified in writing and have recorded such assignment. An assignment is subject to any action taken by Us before the notice was acknowledged. We are not responsible for the validity of any assignment.

The interest of the Beneficiary is subordinate to the interest of the assignee on file with Us, without regard to when the Beneficiary was named. Proceeds in excess of the amount paid to the assignee will be paid to the Beneficiary.

Nonforfeiture and Loan Provisions

Cash Surrender. You may surrender this Certificate any time during the Insured's lifetime. A surrender may be subject to the rights of another person. The amount We will pay is the surrender value. The surrender value is the cash value at the time of surrender less any Indebtedness.

If this Certificate is surrendered within 31 days after a Certificate Anniversary, the cash surrender value will not be less than the cash surrender value on that Anniversary, less any Indebtedness incurred after the Certificate Anniversary and prior to the date of surrender.

Deferment. We may delay payment of the surrender value for up to six (6) months or any other period permitted by law. If required by law, We will obtain the permission of the Insurance Commissioner before deferring payment. If a payment is delayed 30 days or more, We will credit interest on the surrender value. The minimum interest that we will pay is shown in the Insurance Summary. We may pay a higher rate or a rate that may be required by the state in which the Group Policy was issued.

Basis of Values. The guaranteed values of this Certificate are shown in the Table of Guaranteed Values. The values shown apply at the end of the Certificate Year if there is no Indebtedness. Values for any time other than the end of the year will be determined by interpolation. Values for any year not shown will be calculated on the same basis as for those shown and will be furnished upon request.

The cash values referred to in this Certificate are based on the mortality table and interest rate as shown in the Table of Guaranteed Values. They are calculated in accordance with the Standard Nonforfeiture Law and equal the statutory reserve amount for this Certificate.

The death benefit used in the calculation is shown in the Table of Guaranteed Values. When the death benefit is increased as described in the "Death Benefit" section of this Certificate, the cash values will be recalculated using the method above and the new death benefit.

We have filed a statement of the method used to compute those values with the Insurance Department in the state where the Group Policy is delivered. The values are at least as great as those required by law in the state where the Group Policy is delivered.

Benefits on Lapse. If the Certificate lapses for non-payment of premium, You may choose to surrender the Certificate for its cash surrender value, or continue Insurance as Reduced Paid-Up insurance provided the cash surrender value exceeds the Automatic Option Minimum Limit shown in the Insurance Summary. This choice must be made within 60 days of the lapse date. If the Insured dies after the policy lapses but before any election is made, the Automatic Nonforfeiture Option will be effective as of the date of the Insured's death.

Reduced Paid-Up. This Certificate may be continued as reduced paid-up life insurance. This insurance will be for a level death benefit in the amount that the cash surrender value will provide when applied as a net single premium on the lapse date at the Insured's attained age on that date. You may surrender this paid-up insurance for its cash surrender value.

Automatic Nonforfeiture Option. If no choice is made by the end of the 60 day period, We will take the following action:

1. if the Cash Value at the time of lapse is equal to or less than the amount shown as the Automatic Nonforfeiture Option Minimum Limit in the Insurance Summary, we will surrender the Certificate for its cash value;
2. if the Cash Value at the time of lapse is more than the amount shown as the Automatic Nonforfeiture Option Minimum Limit in the Insurance Summary, we will continue the coverage as Reduced Paid-Up insurance.

Certificate Loan. You may borrow against this Certificate up to the maximum loan value during the Insured's lifetime and as long as this Certificate is in effect. You must properly assign the Certificate to Us. The maximum loan value is:

1. the cash value at the end of the Certificate Year in which the loan is made; less
2. any existing Indebtedness on the Certificate; less
3. interest in advance to the end of the Certificate Year; less
4. any unpaid balance of premiums for the current Certificate Year.

We may delay making any loan for up to six (6) months.

Loan Interest Rate. The maximum loan interest rate is shown in the Insurance Summary and is payable in advance. Interest is due at the end of each Certificate Year. If it is not paid when due, it will be added to the loan and bear interest at the same rate. This Certificate will terminate if, at the end of any Certificate Year, Indebtedness exceeds the cash value. The date of termination will be 31 days after notice of termination is mailed to the Owner and any assignee recorded at the Home Office.

Repayment. All or any part of Certificate Loans may be repaid at any time before the Insured dies, provided that:

1. the Certificate has not lapsed, been surrendered, or terminated; and
2. payment is equal to at least the lesser of the minimum loan payment as shown in the Insurance Summary or the remaining balance payable.

General Provisions

Entire Contract. The Certificate, including a copy of the attached enrollment form, supplemental enrollment forms, riders, amendments and endorsements, if any, form the entire contract.

All statements in the enrollment form, in the absence of fraud, will be deemed representations and not warranties. No statements will be used by Us to contest this Insurance or to defend against a claim unless it is made in an enrollment form or supplemental enrollment form and attached to a Certificate.

Changes. Only a Company Officer may bind the Company or make changes to the Certificate. No agent has the authority to change the Certificate.

Contestable Period. This Certificate will not be contestable, except for fraudulent misstatements, after it has been in force during the lifetime of the Insured for two (2) years from the Certificate Date.

This Certificate will not be contestable, except for fraudulent misstatements, after it has been in force during the lifetime of the Insured for two (2) years from

the reinstatement date with respect to the statements made in the application for reinstatement.

Clerical Error. Clerical error on Our part will not void Insurance that would otherwise be in effect nor continue Insurance that would otherwise have terminated.

Misstatement of Age. If the Age of the Insured has been misstated, the Face Amount will be adjusted to that which the premiums would have provided based on the correct Age. If We would not have issued a Certificate at the Insured's correct Age, We will refund all premiums and no further benefits will be payable under this Certificate.

Suicide. If the Insured commits suicide, while sane or insane, within two (2) years from the Certificate Date (one (1) year in Colorado, Missouri and North Dakota), the Proceeds payable will be limited to the premiums paid less any Indebtedness.

Time Periods. All time periods stated in a Certificate will begin and end at 12:01 a.m. standard time at the Owner's address.

Children's Coverage

In the event of a death of an unmarried child, grandchild, or great-grandchild of the Insured, We will provide a payment for funeral services and merchandise in an amount equal to the least of (1) the cost of the funeral, or (2) the Insured's then current death benefit, or (3) \$3,000. The delivery of such payment is subject to the terms, conditions and limitations stated below.

1. At the time of death, the deceased child must be unmarried, at least six (6) months of age and not more than 18 years of age, and living with his/her parents, grandparents or great-grandparents. This includes all legally adopted children, stepchildren, step-grandchildren and step-great-grandchildren, but not foster children.
2. The child, grandchild, or great-grandchild must have been either at least six (6) months old and in good health on the day the Insured's

Certificate was issued, or, if born after the Certificate Date, must have been in good health when he/she reached six (6) months of age.

3. Death from suicide is not covered.
4. Only one claim will be paid for a single child's death. Each Insured will be eligible for only one (1) Child's Benefit payment.
5. A copy of the child's death certificate, together with verification of the family relationship and residency, must be provided to Us within 60 days of the death of the child, grandchild, or great-grandchild.

Termination. The Children's Coverage will terminate at:

1. the lapse, surrender, or termination of Your Certificate; or
2. the Insured's death.
