Section — 3 Death Benefits

3.1 Insurance Proceeds

The Insurance Proceeds are the sum of (a) plus (b) minus (c) minus (d), where:

- (a) is (i) the Initial Face Amount as shown on page 3, during the period the contract is in force from the Contract Date until the later of the 20th Contract Anniversary Date or the Contract Anniversary Date on which the Insured reaches the Attained Age of 65, or (ii) thereafter, while the contract is in force, the Ultimate Face Amount, as shown on page 3;
- (b) is any part of a premium paid for coverage beyond the Contract month in which the Insured dies;
- (c) is any premium due (not more than one month's part of the premium); and,
- (d) is any Contract Loan.

3.2 Payment of Insurance Proceeds

When We receive due proof that the Insured died while this Contract was in force We will pay the Insurance Proceeds, as of the date of death, to the Beneficiary. Unless otherwise requested under Section 8, "Optional Income Plans", on page 10, We will pay the Insurance Proceeds in one sum or by placing the amount in an account that earns interest. The Beneficiary will have immediate access to all or any part of the account. Payment of the Insurance Proceeds terminates the Contract. We will pay the Insurance Proceeds within the time required by the law of the State of Arkansas.

We will pay interest on any Insurance Proceeds due. The interest will be an amount that is the greater of:

- (a) the amount required by the law of the State of Arkansas; or
- (b) the amount of interest on the Insurance Proceeds accrued at the current rate of interest for non-life income plans as described in Section 8.6, "Income Plan Rates", on page 11 from the date We received due proof of the Insured's death to the date of payment.

Section — 4 Premiums and Reinstatement

4.1 Payment of Premiums

The benefits of Your Contract depend on the payment of premiums when due. Premiums are payable, while the Insured is alive, on or before their due dates as shown in the premium schedule on page 3. Premiums may be paid at Our Home Office or any other office We designate. Premiums after the first may be payable to one of Our agents. You may request a receipt signed by one of Our officers.

You may change the frequency of payment with Our approval.

4.2 Grace Period

After the first premium is paid, there will be a grace period of 31 days after each premium due date to pay the premium. If the Insured dies during a grace period, the Insurance Proceeds will still be payable. No less than 30 days before the end of the grace period We will notify You in writing of the Contract entering the grace period. We will also notify any assignee recorded on Our record. All notices will be sent to the last address We have for You and any assignee.

4.3 Automatic Contract Loan

Each premium that remains unpaid at the end of the grace period may be paid by an automatic Contract Loan if:

- (a) You ask Us to do so in the application for Your Contract or in writing while no premium is due and unpaid; and,
- (b) Your Contract has enough cash value to pay the premium.

You may cancel this provision at any time and resume premium payments as scheduled.

4.4 Non-Payment of Premiums

If any premium due is not paid by the end of its grace period, your Contract will end on the due date of that premium. However, after this Contract has guaranteed cash value as first shown in the Table of Guaranteed Non-forfeiture Values on page 5, you may choose either reduced paid-up insurance or cash.

- (a) **Reduced Paid-Up Insurance** - You may choose to continue insurance for the lifetime of the Insured but for a reduced amount. The Contract Loan provisions will continue to apply. Benefits provided by any riders will end.
- (b) **Cash** - Instead of continuing insurance coverage, you may surrender Your Contract for its cash value.

You will automatically receive reduced paid-up insurance unless You contact Us within 60 days from the due date of the first unpaid premium and elect to surrender Your policy for its cash value.

At any time, the guaranteed cash value of any paid-up insurance is equal to the net single premium for such insurance at the Insured's then attained age. The guaranteed cash value will not decrease during the first 3 months after the due date of the first unpaid premium. Also, the guaranteed cash value will not decrease for the first 31 days after the end of a Contract Year.

Guaranteed cash values, insurance benefits and net single premiums are computed on the basis of immediate payment of death claims and refund of premiums beyond the end of the month in which the Insured dies. The guaranteed interest rate and mortality tables used are shown on page 5.

4.5 Reinstatement

If You have stopped paying premiums and You have not surrendered Your Contract for its cash value, You may reinstate the Contract while the Insured is alive if You:

- (a) Request reinstatement within 3 years of the due date of the first unpaid premium;
- (b) Provide evidence of insurability satisfactory to us;
- (c) Pay all overdue premiums to the date of reinstatement with compound interest at the rate of 6% a year; and
- (d) Repay any Contract Loan in effect on the due date of the first unpaid premium, plus any Contract Loan taken after that. Compound interest to the date of reinstatement will be charged on any unpaid loan at the applicable Contract Loan interest rate, as would have been charged if all due premiums had been paid.

Any cash value that Your Contract would have after reinstatement may be taken as a Contract Loan and used toward the payment required to make reinstatement.

After 3 years from the due date of the first unpaid premium, the Contract may be reinstated subject to the conditions We set.

Section — 5 Contract Values

5.1 Cash Value

Your Contract has a cash value while the Insured is alive. The cash value is the total of: The guaranteed cash value; minus any Contract Loan. If all due premiums have been paid, the guaranteed cash value is as shown in the Table of Values on page 5. There are several ways you can use all or part of the cash value:

- (a) take a Contract Loan from us;
- (b) surrender the Contract to Us for its full cash value; or,
- (c) if You stop paying premiums, the cash value may be used to continue insurance for the Insured's lifetime at a reduced amount.

5.2 Surrender

While the Insured is alive You may by Written Request surrender this Contract for its cash value less any Contract Loan. We will pay You the surrender amount in a lump sum, subject to the Deferment provision on page 10. The amount will be determined as of the date the Written Request is received. If You request to surrender this Contract then all of Our obligations under it will end.

In lieu of a lump sum payment, You may ask that the surrender amount be applied under one of the Optional Income Plans. Upon surrender of this Contract during the grace period and within 30 days after a Contract Anniversary Date, the surrender amount will not be less than it would have been on such date.

Section — 6 Contract Loans

6.1 Contract Loan

While this Contract is in force You may receive cash from Us by taking a Contract Loan if:

- (a) You have paid at least 3 years of premium, or reached the third Contract Anniversary, whichever occurs first;
- (b) You make a Written Request; and
- (c) You assign this Contract to Us as sole security.

The most you can borrow is the cash value at the end of the current Contract Year less any unpaid premiums for that year and loan interest to the end of that year. If there is an existing loan You can increase it. On any Monthly Anniversary Date the total Indebtedness equals or exceeds the Cash Value, this Contract will enter the grace period. You will receive a notice of this event and its effect as described in Section 4.2, “Grace Period”, on page 6.

Loan interest is charged daily. The rate of interest on Contract Loans is shown in the Schedule on page 3.

6.2 Contract Loan Repayment

You may repay all or part (but not less than \$50) of a Contract Loan at any time while the Insured is alive.

6.3 Contract Termination

Your Contract will end whenever the amount of Your Contract Loan plus loan interest is more than the guaranteed cash value.

We will mail a notice to You at least 31 days before termination. You will receive a notice of this event and its effect as described in Section 4.2, “Grace Period”, on page 6. You can prevent termination by making sufficient repayment of the loan.

Section — 7 General Provisions

7.1 Contract

This Contract, a copy of the application attached to it and any riders and endorsements make up the entire Contract between You and Us. All statements made in the application will be considered representations and not warranties. Also, We will not use any statement to void this Contract or defend against any claim made under it unless it is contained in the application. Only Our President or Our Secretary together with one of Our Vice Presidents have the authority to make any changes in this Contract. No other person has the authority to alter or waive any provision of this Contract. Any change must be in writing.

Any additional benefit rider attached to this Contract will become a part of this Contract and will be subject to all the terms and conditions of this Contract, unless We state otherwise in the rider.

7.2 Your Rights

You can exercise Your rights under this Contract while the Insured is alive by making a Written Request. We will also require a Written Request from the assignee if Your Contract is assigned as collateral. We will also require a Written Request from the Beneficiary if You have not reserved the right to change the Beneficiary.

7.3 Misstatement Of Age

If the Insured’s Issue Age on the Issue Date is not correct as shown on page 3, We will adjust the benefits under this Contract. The adjusted benefits will be those which the premium paid would have bought at the correct Issue Age.

7.4 Suicide

If the Insured commits suicide, while sane or insane, within two years from the Issue Date, this Contract will immediately terminate, and We will not pay the Insurance Proceeds. The amount We will pay shall be limited to the premiums We actually received for this Contract reduced by the amount of any Contract Loan and accrued loan interest then outstanding.

7.5 Incontestability

Except for nonpayment of premiums, this Contract will be incontestable after it has been in force during the lifetime of the Insured for two years from the earlier of the Contract Date or the Issue Date. This provision does not apply to any rider that contains its own incontestability clause.

If this Contract is reinstated, We will not contest the reinstatement after it is again in force during the lifetime of the Insured for two years from the effective date of the reinstatement. For this purpose, if We contest the reinstatement, the contest will be based upon material statement(s) only made in the application for reinstatement.

7.6 Beneficiary

Unless You choose otherwise, any payment to beneficiaries will be paid based on the following order of priority. Payment will be made to:

- (a) The Beneficiary. If more than one Beneficiary is then living, we will pay them in equal shares unless You specify otherwise.
- (b) The contingent Beneficiary, if no Beneficiary is living when a payment is due. If more than one contingent Beneficiary is then living, we will pay them in equal shares unless You specify otherwise.
- (c) The estate of the Insured, if no Beneficiary or contingent Beneficiary is living when payment is due. This payment will be in one sum.

You may change the Beneficiary by Written Request. Unless You specify otherwise, You will not need the permission of the Beneficiary to make another change in the future.

7.7 Computation of Values

We have filed in the state of Arkansas, where this Contract is issued, a detailed statement showing how Contract benefits and reserves are calculated. All values are at least as great as the values required by the Commission Standards. We use the 2001 Commissioners Standard Ordinary Mortality Table (80) Non-Smoker U Age Last Birthday, and the 2001 Commissioners Standard Ordinary Mortality Table (80) Smoker U Age Last Birthday, to calculate minimum Cash Values for issue ages 16 and greater, and We use the 2001 Commissioners Standard Ordinary Mortality Table (80) Composite U Age Last Birthday for issue ages less than 16. To calculate reserves, We use the 2001 Commissioners Standard Ordinary Mortality Table Sex Distinct Smoker/Non-Smoker U Age Last Birthday. The interest rate used to calculate minimum Cash Values is 5.00% per annum. Reserves are calculated by using a modified preliminary term method, but they are not less than the Commissioners Reserve Valuation Method reserves. Reserves held on this Contract will never be less than the Cash Value.

All computations assume that premiums are paid annually and that deaths during a Contract Year occur immediately. Any benefits provided by attached riders are excluded from these computations.

7.8 Ownership

As owner, You may by Written Request exercise all rights under Your Contract while the Insured is alive. You may name a contingent owner should You die before the death of the Insured.

7.9 Change of Ownership

By Written Request You may name a new owner at any time. If You designate a new owner, it will not change the Beneficiary or contingent Beneficiary, unless You specify otherwise. The new owner can exercise all the rights of ownership, unless You specify otherwise. No change is binding on Us until We record it. Once recorded, the change binds Us as of the date You signed it. The change will not apply to any payment made by Us before We record Your Written Request.

7.10 Collateral Assignment

Your Contract may be collaterally assigned. We are not bound by the assignment unless You make a Written Request. No assignment is binding on Us until We record it. We are not responsible for determining if Your assignment is valid or the extent of the assignee's interest.

7.11 Nonparticipating

This Contract does not participate in any distribution of surplus. No dividends are payable.

7.12 Deferment

We may delay paying the Cash Value for up to 6 months from the date We receive Your Written Request for payment. If We delay for 30 days or more, interest will be paid from the date We receive the request at the rate We set from time to time. We also may delay making a Contract loan, except for a loan to pay a premium, for up to 6 months from the date We receive Your Written Request for the loan.

7.13 Tax Considerations

You are encouraged to consult a qualified tax advisor. Neither We nor Our agents are authorized to give tax or legal advice. The following is not intended as tax advice, and it is not a complete statement of what the effect of federal income taxes will be under all circumstances. Rather, it provides information about how We believe the tax law applies in the most common circumstances. There is no guarantee that the current federal income tax laws and regulations or interpretations will remain the same, and this provision should not be construed to mean that the Insurance Proceeds and or other values will be exempt from the future actions of any tax authority.

We believe that We have taken adequate steps so that this Contract is considered life insurance for tax purposes, and that the Contract is designed to comply with Sections 7702 and 7702A of the Internal Revenue Code of 1986, or any other equivalent section of the Code.

Your individual situation, or that of any Beneficiary, will determine the federal estate taxes and state and local estate, inheritance or other taxes due if You or the Insured die.

7.14 Electronic Documents

This Contract or any notice, Written Request, or report or other document described by this Contract may be delivered in electronic format if:

- (a) applicable law permits delivery of such document in an electronic format; and
- (b) You and We agree to electronic delivery in an agreement that specifies the method of delivery and documents covered and that complies with all applicable laws.

7.15 Governing Law

This Contract is subject to the laws of the state of Arkansas. If any provision of the Contract does not conform to these laws, the Contract will be applied to conform to the law.

Section — 8 Optional Income Plans

The Insurance Proceeds, instead of being paid in one sum, may be applied under one or more of the following Income Plans. Also, at any time while the Contract is in force and the Insured is alive, You may by Written Request ask that:

- (a) all or a part of the Cash Value less any Indebtedness of this Contract be applied under a non-life income plan (a plan which provides a schedule of payments which is not dependent on the lifetime of the payee); or
- (b) all or a part of the Cash Value less any Indebtedness of this Contract be applied under a life income plan (a plan which provides a schedule of payments which depends on the lifetime of one or more payees and which may guarantee that payments will be made for at least a specified number of years).

If only a part of the Cash Value is to be applied, We will pay the balance of the value to You in a single sum. If only a part of the Insurance Proceeds is to be applied after the Insured dies, We will pay the balance of the Insurance Proceeds to the Beneficiary.

8.1 Non-Life Income Plans

Available with respect to the Insurance Proceeds or Cash Value less Indebtedness.

- Option 1.** Interest Income — The amount applied will earn interest which will be paid monthly. Withdrawals of at least \$500 each may be made at any time by Written Request.
- Option 2.** Installment Income for a Stated Period — We will pay monthly installment payments so that the amount applied, with interest, will be paid over the period chosen (from 1 to 30 years). See Table 1.
- Option 2A.** Installment Income of a Stated Amount — We will pay monthly installment payments of a chosen amount until the entire amount applied, with interest, is paid.

8.2 Life Income Plans

Available with respect to the Insurance Proceeds or Cash Value less Indebtedness.

- Option 3.** Single Life Income - With Guaranteed Payment Period — We will pay monthly payments during the lifetime of the payee with a chosen guaranteed payment period of 10, 15 or 20 years. See Table 2.
- Option 3A.** Single Life Income — Installment Refund — We will pay monthly payments during the lifetime of the payee. If the payee dies before the total amount applied under this plan has been paid, the remainder will be paid in one sum as a death benefit. See Table 2.
- Option 4.** Joint and Survivor Life Income — We will pay monthly payments jointly to two persons during their lifetime and will continue during the remaining lifetime of the survivor. See Table 3.

8.3 Other Frequencies and Plans

Instead of monthly payments, You may choose to have payments made quarterly, semiannually or annually. Other Income Plans may be arranged which are mutually agreeable to You and Us.

8.4 Choice of Income Plans

A choice of Income Plan for any Insurance Proceeds made by You while the Insured is alive will take effect when the Insured dies. All other choices of Income Plans will take effect when recorded by Us, or later, if requested. When an Income Plan starts, We will issue an agreement which will describe the terms of the plan. We may require that You send Us this Contract. We may also require proof of the payee's age.

Income Plans may be chosen:

- (a) By You during the lifetime of the Insured.
- (b) By the Beneficiary within one year after the date the Insured dies and before any payment has been made to the Beneficiary, if no election was in effect on the date of death.

A choice of an Income Plan will not become effective unless each payment under the plan would be at least \$50.

8.5 Limitations

If the payee is not a natural person, the choice of an income plan will be subject to Our approval.

Income plan payments may not be assigned and, to the extent permitted by law, will not be subject to the claims of creditors.

8.6 Income Plan Rates

Amounts applied under the non-life income plans will earn interest at a rate We set from time to time. That rate will never be less than 3% a year.

Life income plan payments will be based on a rate set by Us and in effect on the date the Insurance Proceeds become payable or on the date the Cash Value less Indebtedness is applied. The minimum rates are shown in Tables 2 and 3 following, and are based upon the 2000 Mortality Table for individual annuities and a guaranteed interest rate of 3% per annum.

8.7 Minimum Payments under Optional Income Plans

Monthly payments under Options 2, 3, and 4 for each \$1,000 applied will not be less than the amount shown in the following Tables. Monthly life income payments will not be less than those that would be provided to a person in the same class as the Insured by a single payment immediate annuity bought with an equal amount at the time monthly payments start.

Family Term Life Insurance Rider

PLEASE READ THIS RIDER CAREFULLY. THE WAITING PERIODS IN THE SUICIDE AND/OR INCONTESTABILITY PROVISIONS BEGIN ON THE EFFECTIVE DATE OF THIS RIDER AND MAY BE DIFFERENT FROM THOSE IN THE POLICY.

This rider is part of the Contract to which it is attached. It provides term insurance for the amount stated in Section 2 of this rider on the life of any Insured Person prior to the twentieth Contract Anniversary Date. This rider is subject to the conditions and provisions of the Contract unless otherwise provided in this rider.

Section — 1 Insured Person

Insured Person means an Insured Child or an Insured Spouse.

An Insured Spouse is:

- (a) the Insured's spouse, or
- (b) a domestic or civil union partner of the Insured or other similar relationship, if, under the laws of the state of residence of the Insured, such partnership, union, civil union or other relationship would be required to have the same benefits under this Rider as are granted to a spouse in a marriage.

A person ceases to be an Insured Spouse upon the earlier of:

- (a) the Contract Anniversary Date on which the Insured Spouse's Attained Age is 70;
- (b) the date the Rider terminates; or
- (c) the effective date of the termination of the marriage, domestic partnership, civil union or other relationship that made the person an Insured Spouse by death, dissolution or otherwise.

An Insured Child is:

- (a) the natural child, step-child, or legally adopted child of the Insured who is less than 19 years of age on the date of the application; and
- (b) a child less than 19 years of age legally adopted by, or any child born to, the Insured after the date of application.

A newborn child will not become an Insured Child until 15 days after birth. A child ceases to be an Insured Child on the Contract Anniversary Date on which such child's Attained Age is 25. A step-child ceases to be an Insured Child upon the termination of the marriage of the Insured and the step-child's natural or legally adoptive parent by death, dissolution or otherwise.

Section — 2 Benefit

Upon receipt of due proof of death of any Insured Person, we will pay to the beneficiary the death benefit calculated as follows:

- (a) for an Insured Child, We will pay \$5,000;
- (b) for an Insured Spouse Attained Age 17 through 65, We will pay \$10,000; and
- (c) for an Insured Spouse Attained Age 66 through 70, We will pay \$5,000.

Section — 3 Beneficiary

The Insured is the beneficiary of any benefit payable under this rider upon the death of an Insured Person unless the Insured Person is a child and the Insured is not the natural or legally adoptive parent of that child. In this case, the

natural or legally adoptive parent married to the Insured will be the beneficiary of any benefit payable pursuant to this rider. If such beneficiary is then deceased, the benefit shall then be payable to the estate of the Insured Child.

Section — 4 Cost of Rider

The cost for this Rider is 13.00 per month.

Section — 5 Paid-Up Term Insurance

If the Insured dies while this rider is in force, the term insurance covering each Insured Person will become fully paid-up nonparticipating term insurance. The Amount of the Benefit is shown in Section 2 above. The Insured Spouse will be the owner of the paid-up term insurance for the Insured Spouse. The Insured Child who is at least age 18 will be the owner of the paid-up term insurance for the Insured Child. For an Insured Child younger than 18, the Insured Child's surviving biological or adoptive parent will be the owner of such paid-up term insurance. If no biological or adoptive parent survives, the Insured Child's legally appointed guardian will be the owner of the paid-up term insurance. For any child then alive and under the age of 15 days, such paid-up term insurance will commence when the Insured Child attains the age of 15 days.

This paid-up term insurance may be surrendered at any time for the sum of the net single premium for such insurance coverage. The basis for the net single premium will be:

- (a) Interest of 5% per year;
- (b) The Commissioner's 2001 Standard Ordinary Mortality Table (80) Male Composite;
- (c) Age last birthday; and
- (d) The assumption that deaths occur at the end of the Contract year.

The cash surrender value of any paid-up insurance surrendered within 30 days after a Contract Anniversary will be not less than the cash value on the anniversary.

The paid-up term insurance will expire on the earlier of:

- (a) the date the Insured Child ceases to be an Insured Person as described in Section 1; or
- (b) the twentieth Contract Anniversary Date.

Section — 6 Incontestability

We cannot contest this rider after it has been in force, during the Insured Person's lifetime, for two years from its date of issue, except for nonpayment of premium.

Section — 7 Suicide

If an Insured Person commits suicide, while sane or insane, within one year from the Effective Date of this rider and while this rider is in force, We will not pay the rider benefit.

Section — 8 Conversion Privilege for Insured Spouse and Insured Child

If this rider is in force, the term insurance of this rider may be converted to a new Contract on the life of an Insured Person. Evidence of insurability will not be required under this conversion privilege.

The term insurance of this rider may be converted to a new Contract on the life of an Insured Spouse on the earlier of:

- (a) The Contract Anniversary Date on which the Insured Spouse's Attained Age is 70; or
- (b) The expiry Date of this rider as shown in the Contract Specifications.

The term insurance of this rider may be converted to a new Contract on the life of each Insured Child on the earlier of:

- (a) The Contract Anniversary Date on which the Insured Child's Attained Age is 25; or
- (b) The expiry Date of this rider as shown in the Contract Specifications.

Request for conversion must be made by Written Request and required premium paid within 60 days prior to the Contract Anniversary Date on which the conversion privilege is available. The application must be signed by the person to be insured. If such person lacks legal capacity to contract, We will require a parent or legal guardian of the child to sign the application. The new Contract will be dated and become effective on the date the Written Request is made.

The new Contract may be on any level premium life or endowment plan issued by Us on the date of conversion other than term insurance or multiple life or single premium insurance or one issued on a select underwriting basis, provided:

- (a) The new plan provides level death benefits;
- (b) For conversions on the life in an Insured Child, the face amount of the new plan will not be greater than three times the Death Benefit for this rider as stated in the Contract Specifications;
- (c) For conversions on the life of an Insured Spouse, the face amount of the new plan will be the Death Benefit for this rider as stated in Section 2 for the Insured Spouse's Attained Age; and
- (d) The face amount is not less than the minimum required by Us for the plan selected.

Premiums for the new Contract will be based on:

- (a) The Insured Person's insurance age on the date of conversion; and
- (b) The standard premium rates used by Us on the date of conversion for the plan selected.

The period of time stated in the suicide and incontestability provisions of any new Contract to which this rider is converted will run from the date of issue of this rider.

The conversion to a new Contract on the life of an Insured Person automatically terminates coverage provided by this rider on the life of the Insured Person and for any person or persons who might subsequently satisfy the conditions of becoming an Insured Spouse as stated in Section 1.

Section — 9 Termination of Rider

This rider will terminate upon the earlier of:

- (a) The date any premium due is not paid as provided for;
- (b) The date the Contract terminates for any reason, subject to the provision for paid-up term insurance due to the death of the Insured;
- (c) Upon receipt of Your Written Request to terminate this rider; or,
- (d) The later of the twentieth Contract Anniversary Date or the Contract Anniversary Date on which the Insured's Attained Age is 65.

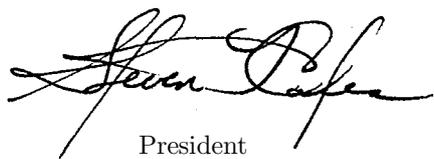

Section — 10 Reinstatement

If you wish to reinstate this rider, You must provide evidence of insurability of each Insured Person, in addition to any other reinstatement requirements stated in the Contract.

Section — 11 Effective Date

The effective date of this provision is the same as the Issue Date unless otherwise shown on the line below:

Section — 3 Death Benefits

3.1 Insurance Proceeds

The Insurance Proceeds are the sum of (a) plus (b) minus (c) minus (d), where:

- (a) is (i) the Initial Face Amount as shown on page 3, during the period the contract is in force from the Contract Date until the later of the 20th Contract Anniversary Date or the Contract Anniversary Date on which the Insured reaches the Attained Age of 65, or (ii) thereafter, while the contract is in force, the Ultimate Face Amount, as shown on page 3;
- (b) is any part of a premium paid for coverage beyond the Contract month in which the Insured dies;
- (c) is any premium due (not more than one month's part of the premium); and,
- (d) is any Contract Loan.

3.2 Payment of Insurance Proceeds

When We receive due proof that the Insured died while this Contract was in force We will pay the Insurance Proceeds, as of the date of death, to the Beneficiary. Unless otherwise requested under Section 8, "Optional Income Plans", on page 10, We will pay the Insurance Proceeds in one sum or by placing the amount in an account that earns interest. The Beneficiary will have immediate access to all or any part of the account. Payment of the Insurance Proceeds terminates the Contract. We will pay the Insurance Proceeds within the time required by the law of the State of Arkansas.

We will pay interest on any Insurance Proceeds due. The interest will be an amount that is the greater of:

- (a) the amount required by the law of the State of Arkansas; or
- (b) the amount of interest on the Insurance Proceeds accrued at the current rate of interest for non-life income plans as described in Section 8.6, "Income Plan Rates", on page 11 from the date We received due proof of the Insured's death to the date of payment.

Section — 4 Premiums and Reinstatement

4.1 Payment of Premiums

The benefits of Your Contract depend on the payment of premiums when due. Premiums are payable, while the Insured is alive, on or before their due dates as shown in the premium schedule on page 3. Premiums may be paid at Our Home Office or any other office We designate. Premiums after the first may be payable to one of Our agents. You may request a receipt signed by one of Our officers.

You may change the frequency of payment with Our approval.

4.2 Grace Period

After the first premium is paid, there will be a grace period of 31 days after each premium due date to pay the premium. If the Insured dies during a grace period, the Insurance Proceeds will still be payable. No less than 30 days before the end of the grace period We will notify You in writing of the Contract entering the grace period. We will also notify any assignee recorded on Our record. All notices will be sent to the last address We have for You and any assignee.

4.3 Automatic Contract Loan

Each premium that remains unpaid at the end of the grace period may be paid by an automatic Contract Loan if:

- (a) You ask Us to do so in the application for Your Contract or in writing while no premium is due and unpaid; and,
- (b) Your Contract has enough cash value to pay the premium.

You may cancel this provision at any time and resume premium payments as scheduled.

4.4 Non-Payment of Premiums

If any premium due is not paid by the end of its grace period, your Contract will end on the due date of that premium. However, after this Contract has guaranteed cash value as first shown in the Table of Guaranteed Non-forfeiture Values on page 5, you may choose either reduced paid-up insurance or cash.

- (a) **Reduced Paid-Up Insurance** - You may choose to continue insurance for the lifetime of the Insured but for a reduced amount. The Contract Loan provisions will continue to apply. Benefits provided by any riders will end.
- (b) **Cash** - Instead of continuing insurance coverage, you may surrender Your Contract for its cash value.

You will automatically receive reduced paid-up insurance unless You contact Us within 60 days from the due date of the first unpaid premium and elect to surrender Your policy for its cash value.

At any time, the guaranteed cash value of any paid-up insurance is equal to the net single premium for such insurance at the Insured's then attained age. The guaranteed cash value will not decrease during the first 3 months after the due date of the first unpaid premium. Also, the guaranteed cash value will not decrease for the first 31 days after the end of a Contract Year.

Guaranteed cash values, insurance benefits and net single premiums are computed on the basis of immediate payment of death claims and refund of premiums beyond the end of the month in which the Insured dies. The guaranteed interest rate and mortality tables used are shown on page 5.

4.5 Reinstatement

If You have stopped paying premiums and You have not surrendered Your Contract for its cash value, You may reinstate the Contract while the Insured is alive if You:

- (a) Request reinstatement within 3 years of the due date of the first unpaid premium;
- (b) Provide evidence of insurability satisfactory to us;
- (c) Pay all overdue premiums to the date of reinstatement with compound interest at the rate of 6% a year; and
- (d) Repay any Contract Loan in effect on the due date of the first unpaid premium, plus any Contract Loan taken after that. Compound interest to the date of reinstatement will be charged on any unpaid loan at the applicable Contract Loan interest rate, as would have been charged if all due premiums had been paid.

Any cash value that Your Contract would have after reinstatement may be taken as a Contract Loan and used toward the payment required to make reinstatement.

After 3 years from the due date of the first unpaid premium, the Contract may be reinstated subject to the conditions We set.

Section — 5 Contract Values

5.1 Cash Value

Your Contract has a cash value while the Insured is alive. The cash value is the total of: The guaranteed cash value; minus any Contract Loan. If all due premiums have been paid, the guaranteed cash value is as shown in the Table of Values on page 5. There are several ways you can use all or part of the cash value:

- (a) take a Contract Loan from us;
- (b) surrender the Contract to Us for its full cash value; or,
- (c) if You stop paying premiums, the cash value may be used to continue insurance for the Insured's lifetime at a reduced amount.

5.2 Surrender

While the Insured is alive You may by Written Request surrender this Contract for its cash value less any Contract Loan. We will pay You the surrender amount in a lump sum, subject to the Deferment provision on page 10. The amount will be determined as of the date the Written Request is received. If You request to surrender this Contract then all of Our obligations under it will end.

In lieu of a lump sum payment, You may ask that the surrender amount be applied under one of the Optional Income Plans. Upon surrender of this Contract during the grace period and within 30 days after a Contract Anniversary Date, the surrender amount will not be less than it would have been on such date.

Section — 6 Contract Loans

6.1 Contract Loan

While this Contract is in force You may receive cash from Us by taking a Contract Loan if:

- (a) You have paid at least 3 years of premium, or reached the third Contract Anniversary, whichever occurs first;
- (b) You make a Written Request; and
- (c) You assign this Contract to Us as sole security.

The most you can borrow is the cash value at the end of the current Contract Year less any unpaid premiums for that year and loan interest to the end of that year. If there is an existing loan You can increase it. On any Monthly Anniversary Date the total Indebtedness equals or exceeds the Cash Value, this Contract will enter the grace period. You will receive a notice of this event and its effect as described in Section 4.2, “Grace Period”, on page 6.

Loan interest is charged daily. The rate of interest on Contract Loans is shown in the Schedule on page 3.

6.2 Contract Loan Repayment

You may repay all or part (but not less than \$50) of a Contract Loan at any time while the Insured is alive.

6.3 Contract Termination

Your Contract will end whenever the amount of Your Contract Loan plus loan interest is more than the guaranteed cash value.

We will mail a notice to You at least 31 days before termination. You will receive a notice of this event and its effect as described in Section 4.2, “Grace Period”, on page 6. You can prevent termination by making sufficient repayment of the loan.

Section — 7 General Provisions

7.1 Contract

This Contract, a copy of the application attached to it and any riders and endorsements make up the entire Contract between You and Us. All statements made in the application will be considered representations and not warranties. Also, We will not use any statement to void this Contract or defend against any claim made under it unless it is contained in the application. Only Our President or Our Secretary together with one of Our Vice Presidents have the authority to make any changes in this Contract. No other person has the authority to alter or waive any provision of this Contract. Any change must be in writing.

Any additional benefit rider attached to this Contract will become a part of this Contract and will be subject to all the terms and conditions of this Contract, unless We state otherwise in the rider.

7.2 Your Rights

You can exercise Your rights under this Contract while the Insured is alive by making a Written Request. We will also require a Written Request from the assignee if Your Contract is assigned as collateral. We will also require a Written Request from the Beneficiary if You have not reserved the right to change the Beneficiary.

7.3 Misstatement Of Age

If the Insured’s Issue Age on the Issue Date is not correct as shown on page 3, We will adjust the benefits under this Contract. The adjusted benefits will be those which the premium paid would have bought at the correct Issue Age.

7.4 Suicide

If the Insured commits suicide, while sane or insane, within two years from the Issue Date, this Contract will immediately terminate, and We will not pay the Insurance Proceeds. The amount We will pay shall be limited to the premiums We actually received for this Contract reduced by the amount of any Contract Loan and accrued loan interest then outstanding.

7.5 Incontestability

Except for nonpayment of premiums, this Contract will be incontestable after it has been in force during the lifetime of the Insured for two years from the earlier of the Contract Date or the Issue Date. This provision does not apply to any rider that contains its own incontestability clause.

If this Contract is reinstated, We will not contest the reinstatement after it is again in force during the lifetime of the Insured for two years from the effective date of the reinstatement. For this purpose, if We contest the reinstatement, the contest will be based upon material statement(s) only made in the application for reinstatement.

7.6 Beneficiary

Unless You choose otherwise, any payment to beneficiaries will be paid based on the following order of priority. Payment will be made to:

- (a) The Beneficiary. If more than one Beneficiary is then living, we will pay them in equal shares unless You specify otherwise.
- (b) The contingent Beneficiary, if no Beneficiary is living when a payment is due. If more than one contingent Beneficiary is then living, we will pay them in equal shares unless You specify otherwise.
- (c) The estate of the Insured, if no Beneficiary or contingent Beneficiary is living when payment is due. This payment will be in one sum.

You may change the Beneficiary by Written Request. Unless You specify otherwise, You will not need the permission of the Beneficiary to make another change in the future.

7.7 Computation of Values

We have filed in the state of Arkansas, where this Contract is issued, a detailed statement showing how Contract benefits and reserves are calculated. All values are at least as great as the values required by the Commission Standards. We use the 2001 Commissioners Standard Ordinary Mortality Table (80) Non-Smoker U Age Last Birthday, and the 2001 Commissioners Standard Ordinary Mortality Table (80) Smoker U Age Last Birthday, to calculate minimum Cash Values for issue ages 16 and greater, and We use the 2001 Commissioners Standard Ordinary Mortality Table (80) Composite U Age Last Birthday for issue ages less than 16. To calculate reserves, We use the 2001 Commissioners Standard Ordinary Mortality Table Sex Distinct Smoker/Non-Smoker U Age Last Birthday. The interest rate used to calculate minimum Cash Values is 5.00% per annum. Reserves are calculated by using a modified preliminary term method, but they are not less than the Commissioners Reserve Valuation Method reserves. Reserves held on this Contract will never be less than the Cash Value.

→ All computations assume that premiums are paid annually and that deaths during a Contract Year occur immediately. Any benefits provided by attached riders are excluded from these computations.

7.8 Ownership

As owner, You may by Written Request exercise all rights under Your Contract while the Insured is alive. You may name a contingent owner should You die before the death of the Insured.

7.9 Change of Ownership

By Written Request You may name a new owner at any time. If You designate a new owner, it will not change the Beneficiary or contingent Beneficiary, unless You specify otherwise. The new owner can exercise all the rights of ownership, unless You specify otherwise. No change is binding on Us until We record it. Once recorded, the change binds Us as of the date You signed it. The change will not apply to any payment made by Us before We record Your Written Request.

7.10 Collateral Assignment

Your Contract may be collaterally assigned. We are not bound by the assignment unless You make a Written Request. No assignment is binding on Us until We record it. We are not responsible for determining if Your assignment is valid or the extent of the assignee's interest.

7.11 Nonparticipating

This Contract does not participate in any distribution of surplus. No dividends are payable.

7.12 Deferment

We may delay paying the Cash Value for up to 6 months from the date We receive Your Written Request for payment. If We delay for 30 days or more, interest will be paid from the date We receive the request at the rate We set from time to time. We also may delay making a Contract loan, except for a loan to pay a premium, for up to 6 months from the date We receive Your Written Request for the loan.

7.13 Tax Considerations

You are encouraged to consult a qualified tax advisor. Neither We nor Our agents are authorized to give tax or legal advice. The following is not intended as tax advice, and it is not a complete statement of what the effect of federal income taxes will be under all circumstances. Rather, it provides information about how We believe the tax law applies in the most common circumstances. There is no guarantee that the current federal income tax laws and regulations or interpretations will remain the same, and this provision should not be construed to mean that the Insurance Proceeds and or other values will be exempt from the future actions of any tax authority.

We believe that We have taken adequate steps so that this Contract is considered life insurance for tax purposes, and that the Contract is designed to comply with Sections 7702 and 7702A of the Internal Revenue Code of 1986, or any other equivalent section of the Code.

Your individual situation, or that of any Beneficiary, will determine the federal estate taxes and state and local estate, inheritance or other taxes due if You or the Insured die.

7.14 Electronic Documents

This Contract or any notice, Written Request, or report or other document described by this Contract may be delivered in electronic format if:

- (a) applicable law permits delivery of such document in an electronic format; and
- (b) You and We agree to electronic delivery in an agreement that specifies the method of delivery and documents covered and that complies with all applicable laws.

7.15 Governing Law

This Contract is subject to the laws of the state of Arkansas. If any provision of the Contract does not conform to these laws, the Contract will be applied to conform to the law.

Section — 8 Optional Income Plans

The Insurance Proceeds, instead of being paid in one sum, may be applied under one or more of the following Income Plans. Also, at any time while the Contract is in force and the Insured is alive, You may by Written Request ask that:

- (a) all or a part of the Cash Value less any Indebtedness of this Contract be applied under a non-life income plan (a plan which provides a schedule of payments which is not dependent on the lifetime of the payee); or
- (b) all or a part of the Cash Value less any Indebtedness of this Contract be applied under a life income plan (a plan which provides a schedule of payments which depends on the lifetime of one or more payees and which may guarantee that payments will be made for at least a specified number of years).

If only a part of the Cash Value is to be applied, We will pay the balance of the value to You in a single sum. If only a part of the Insurance Proceeds is to be applied after the Insured dies, We will pay the balance of the Insurance Proceeds to the Beneficiary.

8.1 Non-Life Income Plans

Available with respect to the Insurance Proceeds or Cash Value less Indebtedness.

- Option 1.** Interest Income — The amount applied will earn interest which will be paid monthly. Withdrawals of at least \$500 each may be made at any time by Written Request.
- Option 2.** Installment Income for a Stated Period — We will pay monthly installment payments so that the amount applied, with interest, will be paid over the period chosen (from 1 to 30 years). See Table 1.
- Option 2A.** Installment Income of a Stated Amount — We will pay monthly installment payments of a chosen amount until the entire amount applied, with interest, is paid.

8.2 Life Income Plans

Available with respect to the Insurance Proceeds or Cash Value less Indebtedness.

- Option 3.** Single Life Income - With Guaranteed Payment Period — We will pay monthly payments during the lifetime of the payee with a chosen guaranteed payment period of 10, 15 or 20 years. See Table 2.
- Option 3A.** Single Life Income — Installment Refund — We will pay monthly payments during the lifetime of the payee. If the payee dies before the total amount applied under this plan has been paid, the remainder will be paid in one sum as a death benefit. See Table 2.
- Option 4.** Joint and Survivor Life Income — We will pay monthly payments jointly to two persons during their lifetime and will continue during the remaining lifetime of the survivor. See Table 3.

8.3 Other Frequencies and Plans

Instead of monthly payments, You may choose to have payments made quarterly, semiannually or annually. Other Income Plans may be arranged which are mutually agreeable to You and Us.

8.4 Choice of Income Plans

A choice of Income Plan for any Insurance Proceeds made by You while the Insured is alive will take effect when the Insured dies. All other choices of Income Plans will take effect when recorded by Us, or later, if requested. When an Income Plan starts, We will issue an agreement which will describe the terms of the plan. We may require that You send Us this Contract. We may also require proof of the payee's age.

Income Plans may be chosen:

- (a) By You during the lifetime of the Insured.
- (b) By the Beneficiary within one year after the date the Insured dies and before any payment has been made to the Beneficiary, if no election was in effect on the date of death.

A choice of an Income Plan will not become effective unless each payment under the plan would be at least \$50.

8.5 Limitations

If the payee is not a natural person, the choice of an income plan will be subject to Our approval.

Income plan payments may not be assigned and, to the extent permitted by law, will not be subject to the claims of creditors.

8.6 Income Plan Rates

Amounts applied under the non-life income plans will earn interest at a rate We set from time to time. That rate will never be less than 3% a year.

Life income plan payments will be based on a rate set by Us and in effect on the date the Insurance Proceeds become payable or on the date the Cash Value less Indebtedness is applied. The minimum rates are shown in Tables 2 and 3 following, and are based upon the 2000 Mortality Table for individual annuities and a guaranteed interest rate of 3% per annum.

8.7 Minimum Payments under Optional Income Plans

Monthly payments under Options 2, 3, and 4 for each \$1,000 applied will not be less than the amount shown in the following Tables. Monthly life income payments will not be less than those that would be provided to a person in the same class as the Insured by a single payment immediate annuity bought with an equal amount at the time monthly payments start.

Family Term Life Insurance Rider

PLEASE READ THIS RIDER CAREFULLY. THE WAITING PERIODS IN THE SUICIDE AND/OR INCONTESTABILITY PROVISIONS BEGIN ON THE EFFECTIVE DATE OF THIS RIDER AND MAY BE DIFFERENT FROM THOSE IN THE POLICY.

This rider is part of the Contract to which it is attached. It provides term insurance for the amount stated in Section 2 of this rider on the life of any Insured Person prior to the twentieth Contract Anniversary Date. This rider is subject to the conditions and provisions of the Contract unless otherwise provided in this rider.

Section — 1 Insured Person

Insured Person means an Insured Child or an Insured Spouse.

An Insured Spouse is:

- (a) the Insured's spouse, or
- (b) a domestic or civil union partner of the Insured or other similar relationship, if, under the laws of the state of residence of the Insured, such partnership, union, civil union or other relationship would be required to have the same benefits under this Rider as are granted to a spouse in a marriage.

A person ceases to be an Insured Spouse upon the earlier of:

- (a) the Contract Anniversary Date on which the Insured Spouse's Attained Age is 70;
- (b) the date the Rider terminates; or
- (c) the effective date of the termination of the marriage, domestic partnership, civil union or other relationship that made the person an Insured Spouse by death, dissolution or otherwise.

An Insured Child is:

- (a) the natural child, step-child, or legally adopted child of the Insured who is less than 19 years of age on the date of the application; and
- (b) a child less than 19 years of age legally adopted by, or any child born to, the Insured after the date of application.

A newborn child will not become an Insured Child until 15 days after birth. A child ceases to be an Insured Child on the Contract Anniversary Date on which such child's Attained Age is 25. A step-child ceases to be an Insured Child upon the termination of the marriage of the Insured and the step-child's natural or legally adoptive parent by death, dissolution or otherwise.

Section — 2 Benefit

Upon receipt of due proof of death of any Insured Person, we will pay to the beneficiary the death benefit calculated as follows:

- (a) for an Insured Child, We will pay \$5,000;
- (b) for an Insured Spouse Attained Age 17 through 65, We will pay \$10,000; and
- (c) for an Insured Spouse Attained Age 66 through 70, We will pay \$5,000.

Section — 3 Beneficiary

The Insured is the beneficiary of any benefit payable under this rider upon the death of an Insured Person unless the Insured Person is a child and the Insured is not the natural or legally adoptive parent of that child. In this case, the

natural or legally adoptive parent married to the Insured will be the beneficiary of any benefit payable pursuant to this rider. If such beneficiary is then deceased, the benefit shall then be payable to the estate of the Insured Child.

Section — 4 Cost of Rider

The cost for this Rider is 13.00 per month.

Section — 5 Paid-Up Term Insurance

If the Insured dies while this rider is in force, the term insurance covering each Insured Person will become fully paid-up nonparticipating term insurance. The Amount of the Benefit is shown in Section 2 above. The Insured Spouse will be the owner of the paid-up term insurance for the Insured Spouse. The Insured Child who is at least age 18 will be the owner of the paid-up term insurance for the Insured Child. For an Insured Child younger than 18, the Insured Child's surviving biological or adoptive parent will be the owner of such paid-up term insurance. If no biological or adoptive parent survives, the Insured Child's legally appointed guardian will be the owner of the paid-up term insurance. For any child then alive and under the age of 15 days, such paid-up term insurance will commence when the Insured Child attains the age of 15 days.

This paid-up term insurance may be surrendered at any time for the sum of the net single premium for such insurance coverage. The basis for the net single premium will be:

- (a) Interest of 5% per year;
- (b) The Commissioner's 2001 Standard Ordinary Mortality Table (80) Male Composite;
- (c) Age last birthday; and
- (d) The assumption that deaths occur at the end of the Contract year.

The cash surrender value of any paid-up insurance surrendered within 30 days after a Contract Anniversary will be not less than the cash value on the anniversary.

The paid-up term insurance will expire on the earlier of:

- (a) the date the Insured Child ceases to be an Insured Person as described in Section 1; or
- (b) the twentieth Contract Anniversary Date.

Section — 6 Incontestability

We cannot contest this rider after it has been in force, during the Insured Person's lifetime, for two years from its date of issue, except for nonpayment of premium.

Section — 7 Suicide

If an Insured Person commits suicide, while sane or insane, within one year from the Effective Date of this rider and while this rider is in force, We will not pay the rider benefit.

Section — 8 Conversion Privilege for Insured Spouse and Insured Child

If this rider is in force, the term insurance of this rider may be converted to a new Contract on the life of an Insured Person. Evidence of insurability will not be required under this conversion privilege.

The term insurance of this rider may be converted to a new Contract on the life of an Insured Spouse on the earlier of:

- (a) The Contract Anniversary Date on which the Insured Spouse's Attained Age is 70; or
- (b) The expiry Date of this rider as shown in the Contract Specifications.

The term insurance of this rider may be converted to a new Contract on the life of each Insured Child on the earlier of:

- (a) The Contract Anniversary Date on which the Insured Child's Attained Age is 25; or
- (b) The expiry Date of this rider as shown in the Contract Specifications.

Request for conversion must be made by Written Request and required premium paid within 60 days prior to the Contract Anniversary Date on which the conversion privilege is available. The application must be signed by the person to be insured. If such person lacks legal capacity to contract, We will require a parent or legal guardian of the child to sign the application. The new Contract will be dated and become effective on the date the Written Request is made.

The new Contract may be on any level premium life or endowment plan issued by Us on the date of conversion other than term insurance or multiple life or single premium insurance or one issued on a select underwriting basis, provided:

- (a) The new plan provides level death benefits;
- (b) For conversions on the life in an Insured Child, the face amount of the new plan will not be greater than three times the Death Benefit for this rider as stated in the Contract Specifications;
- (c) For conversions on the life of an Insured Spouse, the face amount of the new plan will be the Death Benefit for this rider as stated in Section 2 for the Insured Spouse's Attained Age; and
- (d) The face amount is not less than the minimum required by Us for the plan selected.

Premiums for the new Contract will be based on:

- (a) The Insured Person's insurance age on the date of conversion; and
- (b) The standard premium rates used by Us on the date of conversion for the plan selected.

The period of time stated in the suicide and incontestability provisions of any new Contract to which this rider is converted will run from the date of issue of this rider.

The conversion to a new Contract on the life of an Insured Person automatically terminates coverage provided by this rider on the life of the Insured Person and for any person or persons who might subsequently satisfy the conditions of becoming an Insured Spouse as stated in Section 1.

Section — 9 Termination of Rider

This rider will terminate upon the earlier of:

- (a) The date any premium due is not paid as provided for;
- (b) The date the Contract terminates for any reason, subject to the provision for paid-up term insurance due to the death of the Insured;
- (c) Upon receipt of Your Written Request to terminate this rider; or,
- (d) The later of the twentieth Contract Anniversary Date or the Contract Anniversary Date on which the Insured's Attained Age is 65.

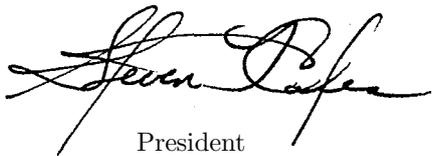

Section — 10 Reinstatement

If you wish to reinstate this rider, You must provide evidence of insurability of each Insured Person, in addition to any other reinstatement requirements stated in the Contract.

Section — 11 Effective Date

The effective date of this provision is the same as the Issue Date unless otherwise shown on the line below:
