Dear LaVonda English,

This will acknowledge receipt of the captioned filing.

Objection 1

- Accidental Injury Only Insurance Policy , CH-26122-IP (01/11) AR (Form)

Comment:

I re-opened this filing because I found an issue with the definition of Accidental Injury after I approved the filing. The policy uses the term "traumatic" in the definition. Under Rule and Regulation 18, Section 5D, "Accident", "Accidental Injury", "Accidental Means", may be defined to employ "result" language and shall not include words which establish an accidental means test or use words such as "external, violent, visible wounds" or similar words of description or characterization.

Please feel free to contact me if you have questions.

Sincerely,

Rosalind Minor

GENERAL PROVISIONS

Entire Contract

The Entire Contract consists of:

1. This Policy;
2. Any applications for the proposed insured individuals; and
3. Any endorsements, amendments or riders attached.

All statements made by You will, in the absence of fraud, be deemed representations and not warranties.

Only Our President, a Vice President or Secretary has the power on Our behalf to execute or amend the Policy. No other person will have the authority to bind Us in any manner. No agent may accept risks, alter or amend coverage or waive any provisions of the Policy. Any change in the Policy will be made by amendment signed by Us. Changes made in the Policy that are mandated by state or federal law will not require the consent of any Insured Person.

Notice of Claim

Written notice of claim must be given to Us within 60 days after an Accidental Injury, or as soon as reasonably possible. Written notice of claim given by or on behalf of the Insured Person to Us with information sufficient to identify such person will be considered notice to Us.

Claim Forms

When We receive the notice of claim, We will send the Insured Person forms for filing proof of loss. If these forms are not furnished within 15 days, the Insured Person will meet the proof of loss requirements by giving Us a written statement of the nature and extent of the loss within the time limit stated in the next provision.

Proof of Loss

Written proof of loss must be furnished to Us at Our administrative office in North Richland Hills, Texas or any location as designated and communicated by Us, within 90 days after the date of the loss for which claim is made. Failure to furnish written proof of loss within that time will neither invalidate nor reduce any claim if it is shown that it was not reasonably possible to furnish written proof of loss within that time; provided such proof is furnished as soon as reasonably possible and in no event, in the absence of legal incapacity, later than one year from the time proof is otherwise required.

Time of Payment of Claims

Indemnities payable under this Policy for any loss other than loss for which this Policy provides any periodic payment will be paid upon receipt of proper written proof of loss. Subject to proper written proof of loss, all accrued indemnities for loss for which this Policy provides periodic payment will be paid monthly and any balance remaining unpaid upon the termination of liability will be paid upon receipt of proper written proof.

Payment of Claims

Indemnity for loss of life will be payable in accordance with the Beneficiary designation and the provisions respecting such payment which may be prescribed herein and effective at the time of payment. If no such designation or provision is then effective, the indemnity shall be payable to the estate of the Insured Person. Any other accrued indemnities unpaid at the Insured Person's death may, at Our option, be paid either to the Beneficiary or to the estate. All other indemnities will be payable to the Insured Person.

Age Misstatement

If Your age has been misstated, Our records will be changed to show the correct age. The benefits provided will not be affected if You continue to be eligible for coverage at the correct age. However, premium adjustments, including collection of any premium due Us because of past underpayments, will be made so that We receive the premiums due at the correct age payable on the premium due date following Our notification of an age correction.

Physical Examinations and Autopsy

We will, at Our own expense, have the right and opportunity to examine the Insured Person whose Accidental Injury is the basis of a claim when and as often as We may reasonably require during the pendency of a claim and to make an autopsy in case of death, unless prohibited by law.

Legal Action

No action at law or in equity will be brought to recover on the Policy prior to the expiration of 60 days after proof of loss has been filed as required by the Policy; nor may any action be brought after expiration of 3 years after the time written proof of loss is required to be furnished.

Incontestability

After 2 years from the Insured Person's Effective Date of Coverage, no misstatements, except fraudulent misstatements, made in the application will be used to void the coverage, or deny a claim unless the loss was incurred during the first 2 years following such Insured Person's Effective Date of Coverage.

Other Insurance With Us

You may have only one Policy or certificate with Us providing lump sum indemnity benefits for Accidental Injuries. If through error, We issue more than one like Policy or certificate to You, only one Policy or certificate chosen by You will stay in force. We will return the money You paid for the other Policy(ies) or certificate(s).

Change of Beneficiary

You have the right to make a change of Beneficiary and the consent of the Beneficiary or Beneficiaries is not required to surrender or assign this Policy or to make any other changes in this Policy.

Conformity

Any provision of this Policy which, on the Effective Date of Coverage, is in conflict with the statutes of the state in which You reside on such date, is hereby amended to conform to the minimum requirements of such statutes.

LIMITATIONS AND EXCLUSIONS UNDER THE ARKANSAS LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT

Residents of this state who purchase life insurance, annuities or health and accident insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Arkansas Life and Health Insurance Guaranty Association ("Guaranty Association"). The purpose of the Guaranty Association is to assure that policy and contract owners will be protected, within certain limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of policy owners who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by the member insurers through the Guaranty Association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

DISCLAIMER

The Arkansas Life and Health Insurance Guaranty Association ("Guaranty Association") may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions and require continued residency in this state. You should not rely on coverage by the Guaranty Association in purchasing an insurance policy or contract..

Coverage is NOT provided for your policy or contract or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as non-guaranteed amounts held in a separate account under a variable life or variable annuity contract.

Insurance companies or their agents are required by law to provide you with this notice.

1023 West Capitol, Suite 2
Little Rock, Arkansas 72201**

**Arkansas Insurance Department

Little Rock, Arkansas 72201-1904**

The state law that provides for this safety-net coverage is called the Arkansas Life and Health Insurance Guaranty Association Act ("Act"). Below is a brief summary of the Act's coverages, exclusions and limits. This summary does not cover all provisions of the Act; nor does it in any way change anyone's rights or obligations under the Act or the rights or obligations of the Guaranty Association.

COVERAGE

Generally, individuals will be protected by the Guaranty Association if they live in this state and they hold a life, annuity or health insurance contract or policy, or if they are insured under a group insurance contract issued by a member insurer. The beneficiaries, payees or assignees of policy or contract owners are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons owning such policies or contracts are NOT protected by the Guaranty Association if:

- They are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose Guaranty Association protects insureds who live outside that state);
- The insurer was not authorized to do business in this state;

- Their policy or contract was issued by a nonprofit hospital or medical service organization, an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policy or contract owner is subject to suture assessments, or by an insurance exchange.

The Association also does NOT provide coverage for:

- Any policy or contract or portion thereof which is not guaranteed by the insurer or for which the owner has assumed the risk, such as non-guaranteed amounts held in a separate account under a variable life or variable annuity contract;
- Any policy of reinsurance (unless an assumption certificate was issued);
- Interest rate yields that exceed an average rate;
- Dividends and voting rights and experience rating credits;
- Credits given in connection with the administration of a policy by a group contract holder;
- Employers' plans, to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- Unallocated annuity contracts (which give rights to group contractholders, not individuals);
- Unallocated annuity contracts issued to/in connection with benefit plans protected under Federal Pension Benefit Corporation ("FPBC") (whether the FPBC is yet liable or not);
- Portions of any unallocated annuity contract not owned by a benefit plan or a government lottery (unless the owner is a resident) or issued to a collective investment trust or similar pooled fund offered by a bank or other financial institution);
- Portions of a policy or contract to the extent assessments required by law for the Guaranty Association are preempted by State or Federal law;
- Obligations that do not arise under the policy or contract, including claims based on marketing materials or side letters, riders, or other documents which do not meet filing requirements, or claims for policy misrepresentations, or extra-contractual or penalty claims;
- Contractual agreements establishing the member insurer's obligations to provide book value accounting guarantees for defined contribution benefit plan participants (by reference to a portfolio of assets owned by a nonaffiliated benefit plan or its trustees).

LIMITS ON AMOUNT OF COVERAGE

The Act also limits the amount the Guaranty Association is obligated to cover: The Guaranty Association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the Guaranty Association will pay a maximum of \$300,000 – no matter how many policies and contracts there were with the same company, even if they provided different types of coverages. Within this overall \$300,000 limit, the Association will not pay more than \$300,000 in health insurance benefits, \$300,000 in present value of annuity benefits, or \$300,000 in life insurance death benefits for net cash surrender values – again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverages. There is a \$1,000,000 limit with respect to any contract holder for unallocated annuity benefits, irrespective of the number of contracts held by the contract holder. These are limitations for which the Guaranty Association is obligated before taking into account either its subrogation and assignment rights or the extent to which those benefits could be provided out of the assets of the impaired or insolvent insurer.]
