1. on our form at that time with benefits most like but not greater than those of this Certificate; and
2. at the adult rate for the attained age of the person at that time.

The effective date of coverage under the new Certificate will be the same as the effective date of the conversion. We will not pay under the new Certificate for any Loss for which benefits have been paid under this Certificate.]

### **[NEWBORN CHILDREN**

If your spouse or any children are already covered under this Certificate and a child is born to you, the benefit amount for the new child will be the same as for other children. If no other child is covered under this Certificate, the benefit will be the amount which would have been issued to children as of the Effective Date of the Certificate.

If neither your spouse nor another child is covered under this Certificate, you must notify us of the birth of a child. There will be an increase in the premium as of the next monthly renewal date after we have been notified of the child's birth. The child is covered free from the time of notification until the monthly renewal date. [After the first [two][three] month[s],] [you are required to contribute 100 percent of the premium payable for this Certificate.]

[If no initial premium is requested by us with your enrollment form, you shall have 21 days from the Effective Date shown in the Schedule of Insurance to pay the first premium. If the first premium is not paid within such 21-day period, the Certificate shall be considered void from the beginning and no benefits will be paid for any Loss.]

If at any time the [Participating Group/Policyholder] refuses to accept such contributions and pay the premium for you, you may pay such premium directly to our Administrative Office on or prior to the day it is due.

### **PREMIUM CHANGES**

We have the right to change the premium rates on any date. We will provide written notice at least 31 days before the date of change. The premium rates may also be changed at any time the terms of the Group Policy are changed.

The premium amount due may change when a Covered Person is added to or dropped from coverage or when benefits under this Certificate change. Any additional coverage is subject to our acceptance of the enrollment form, if required, and payment of any additional required premium.

There will be no change in your premium rate due to any physical impairment or claim incurred.

### **UNPAID PREMIUM**

Your coverage will terminate if the premium is not paid by the end of the Grace Period.

When a claim is paid during the Grace Period, any premium due and unpaid may be deducted from the claim payment.

## GRACE PERIOD

If a premium is not paid when due, the insurance shall be in default. We will allow a 31-day Grace Period to pay each premium after the first one. If a premium is not paid on or before the end of the Grace Period, the insurance shall terminate, effective the last day of the period covered by your last premium contribution. No benefits are paid for a Loss occurring after the expiration of the Grace Period.

## REINSTATEMENT

Your Certificate will lapse if you do not pay your premium before the end of the Grace Period. If we later accept a premium and do not require an application for reinstatement, that payment will put the Certificate back in force. If we require an application for reinstatement, this Certificate will be put back in force when we approve it and the required premium is received. If we do not approve it, the Certificate will be put back in force on the 45<sup>th</sup> day after the date of application for reinstatement, unless we give you prior written notice of its disapproval.

The reinstated Certificate only covers Loss due to an Injury that occurs after the date of reinstatement. In all other respects, you and we have the same rights under the Certificate as were in effect before it lapsed, unless special conditions are added in connection with the reinstatement.

## MISSTATEMENT OF AGE

If the age of a Covered Person has been misstated, all amounts payable shall be in the amount the premium paid would have bought for the correct age. If, as a result of misstatement, we accept a premium for any period when coverage would not normally have been in effect, then our liability for such period shall be a refund, upon request, of all premiums paid for such period.

## WHEN THERE IS A CLAIM

### NOTICE OF CLAIM

Written notice of claim must be given to us within 30 days after any Loss occurs or as soon as possible thereafter. The notice should include your name and Certificate Number as shown in the Schedule of Insurance. Notice should be mailed to our Administrative Office.

An Insured's coverage will terminate if the premium is not paid by the end of the Grace Period.

No benefits are paid for a Loss occurring after the expiration of the Grace Period.

### REINSTATEMENT

The Insured's Certificate will lapse if the Insured does not pay his or her premium before the end of the Grace Period. If the Company later accepts a premium and does not require an application for reinstatement, that payment will put the Certificate back in force. If the Company does not approve it, the Certificate will be put back in force on the 45<sup>th</sup> day after the date of application for reinstatement, unless the Company gives the Insured prior written notice of its disapproval.

The reinstated Certificate only covers Loss due to an Injury that occurs after the date of reinstatement. ## **MISSTATEMENT OF AGE**

If the age of a Covered Person has been misstated, all amounts payable shall be in the amount the premium paid would have bought for the correct age. You may cancel your coverage upon notice to us. Notice is deemed given when made in writing, communicated verbally by telephone or in person, or by any other means acceptable to us. Unless required otherwise, coverage is cancelled as of the date the cancellation request is made.

**(For Primary, Spouse and Child)**

A Covered Person's insurance ends on the earlier of:

- 1) the last day of the period covered by your last premium contribution; or
- 2) the first renewal date of the Certificate following the date the Policy is terminated or cancelled; or
- 3) the monthly renewal date on or after your [65 – 100<sup>th</sup>] birthday].

Your Dependent's insurance automatically ends on the first of the following dates:

- (1) The date your coverage terminates except as provided in the Continuation of Dependent Insurance Provision;
- (2) The premium due date after a Covered Person ceases to be an eligible Dependent.

If an insured dependent child attains the specified age limit and proof is submitted within 31 days that the child:

- (1) is not able to become gainfully employed because of mental retardation or physical handicap;
- (2) became so incapable prior to the age limit; and
- (3) is primarily dependent on you for support and maintenance,

then the age limit will not apply as long as the child continues to meet these conditions. The child will be insured for the same benefits he previously had. Proof of continued disability and dependency may be required but not more often than once a year. Such child's insurance will not continue beyond the date it would otherwise end.

You may cancel your coverage upon notice to us. Notice is deemed given when made in writing, communicated verbally by telephone or in person, or by any other means acceptable to us. Unless required otherwise, coverage is cancelled as of the date the cancellation request is made.

In the event the Policy terminates, we will give you 31 days notice of this event.
