Filing Description:

The cover page (page 1) of Form 20305 1/88 is being submitted to your state for informational purposes due to a company officer name change that is shown on the page. The only change being made is to the bracketed company officer names, no other changes are being made to the previously approved form. This cover page will be used to replace the original cover page for the policy form. Form 20305 1/88 is a term life insurance to age 25 product that provides life insurance coverage payable at the death of the insured. At age 25, the policy converts to a traditional whole life policy as described in the policy form. The policy was originally approved for use in your state on 7/9/91.

The only bracketed text on the new cover page is the name of the company officers.

Thank you for your attention to this submission. Anything you can do to expedite this request is greatly appreciated.
