Dear Dwight Herron,

Introduction:

Please submit the rate increase history for this plan. Also, please confirm that there are no insureds in Arkansas for this plan.

Conclusion:

A.C.A. 23-79-109(1)-(5) sets forth the procedure by which filings may be deemed approved upon the expiration of certain time periods with no affirmative action by the commissioner. If the commissioner determines that additional information is needed to make a decision regarding approval, such request for information will be made to the company. The filing will not be considered complete until said additional information is received. The time periods set forth in this statute will not begin to run until the filing is complete.

Please feel free to contact me if you have questions.

Sincerely,

Stephanie Fowler
