Filing Description:

Re: Valuation Interest Rate Change

Forethought Life Insurance Company is changing the reserve valuation interest rate for all life insurance policies issued on and after January 1, 2013, as outlined in the below table, in response to the reduction of the maximum valuation rate as defined by the Standard Valuation Law. In all instances no policy form modifications are required. This interest rate is either not shown anywhere in the policy or it appears only on the policy specifications page and was bracketed during the original form filing as a variable item.

We elect to defer the change of interest rates used for cash values and nonforfeiture values until January 1, 2014 as permitted by the Standard Nonforfeiture Law.
