Respond By Date

Dear Taylor Weber,

This will acknowledge receipt of the captioned filing.

Objection 1

- Health - Actuarial Justification (Supporting Document)

Comment:

It is the primary mission of the Arkansas Insurance Department to protect consumers.

Given the current state of the economy and the fact that this block of business has received a 15% increase in 2010 and 2011 and a 25% increase in 2008 and the impact that another increase will have at this time, we will only consider a 5% increase at this time.

If you wish to accept the 5%, It is requested that you attach the rates reflecting the 5%.

We appreciate your understanding and cooperation.

A.C.A. 23-79-109(1)-(5) sets forth the procedure by which filings may be deemed approved upon the expiration of certain time periods with no affirmative action by the commissioner. If the commissioner determines that additional information is needed to make a decision regarding approval, such request for information will be made to the company. The filing will not be considered complete until said additional information is received. The time periods set forth in this statute will not begin to run until the filing is complete.

Please feel free to contact me if you have questions.

Sincerely,

Rosalind Minor
