LIFE INFORMATIONAL FILING  
Use of Electronic Signatures with Approved Questionnaire Form QUDIR0805

Dear Commissioner:

This is an informational filing revising information surrounding the use of life application form QUDIR0805. Your Department approved this form on 03/14/2007. We intend to continue using the form in a traditional manner whereby the Owner/Applicant signs the application in ink and submits the application to the Company.

We also plan to make this form available electronically. It is our intent to use this application form in a variety of electronic environments, including a laptop and web based application process. Regardless of the application process used, we intend to adopt measures to secure both the integrity of the document once signed, and the confidentiality of any information transmitted, including transmission of information via a secured socket layer/secured line. The information contained in the application will be transmitted to our administrative office electronically as well as the electronic signature of the Owner/Applicant. Current technology will be used to ensure that the confidential information is not compromised. All processes used will comply with the Uniform Electronic Transactions act, and to the extent applicable, the Federal ESIGN Act.

We hereby certify that any electronic signature we obtain will be linked to the date on the electronic application in such a manner that the electronic signature is invalidated if any of the data on the application is changed. We also certify that such electronic signature intended for use with this application will not be affixed to or duplicated on any other document.

A copy of the application, identical to the filed form, will be printed and made part of any policy issued.
