This is an informational filing listing the forms affected by the Maximum Valuation Interest Rate Change. The reserve interest rate for these forms will be lowered to 3.5% for policies with an effective date on or after January 1, 2013. The company defers the implementation of a change to the maximum nonforfeiture interest rate for one year.

The forms listed in this filing do not show the reserve interest rate, so revised schedule pages or an endorsement form are not being submitted. No changes have been made to the form language.

Filing contains no innovative or unique features.
