Objection Letter Date	01/08/2013

Respond By Date	

Dear Jaime Gettemans,

Introduction:

This will acknowledge receipt of the captioned filing.

Objection 1

- Health - Actuarial Justification (Supporting Document)
- Rate Summary Worksheet (Supporting Document)

Comments:

Based on the fact that this block of business has had substantial increases over the past three years, our Department will consider no more than a 5% average/overall increase at this time. If you wish to accept the 5%, please submit a post-submission update revising the figures on the Rate Review Detail, along with making the necessary changes under the Work Summary Worksheet.

Thank you for your understanding and cooperation.

Conclusion:

A.C.A. 23-79-109(1)-(5) sets forth the procedure by which filings may be deemed approved upon the expiration of certain time periods with no affirmative action by the commissioner. If the commissioner determines that additional information is needed to make a decision regarding approval, such request for information will be made to the company. The filing will not be considered complete until said additional information is received. The time periods set forth in this statute will not begin to run until the filing is complete.

Please feel free to contact me if you have questions.

Sincerely,

Rosalind Minor

I will submit a post submission update later this week so the filing reflects this agreement.

Also, in this filing, the effective date says 1/1/13. With the post submission update, I will change that to reflect 2/1/13.

To Whom It May Concern:

The enclosed documents are being filed for Review and Approval.

The rates expressed in this filing are the 2013 Anniversary adjustments for United Security Life and Health Insurance Company's ("USL&H") Grandfathered closed block of business. These rates will be effective on the individual renewal dates of our Certificate Holders on this Grandfathered closed block of business, beginning January 1, 2013. As such, enclosed in this filing is the HIOS Rate Summary Worksheet, the Actuarial Memorandum and the Experience Spreadsheet.

Please note that USL&H does not collect data per member; we only collect data per policy; however, for the purpose of this rate file, the per member figures are estimates.

USL&H currently has three separate Major Medical products that are considered the Grandfathered closed block of business; specifically, our Apex plan, our Advantage Care plan, and our Protector Plus plan. Note that the Protector Plus plan on this Grandfathered closed block of business only includes policies issued prior to January 1, 2010. These Major Medical products are filed as Discretionary Group Trusts and the Group Policy is held in a trust in our domicile state of Illinois. For this SERFF filing, we selected the TOI and sub-TOI codes to reflect that these products are Discretionary Group. Note that since this is a Grandfathered closed block of business, we are not required to file these rates on HIOS; however, if we would have filed on HIOS, then per HIOS instructions, we would have filed them as Individual.
