LETTER OF REPRIMAND

Dear Mr. Landry,

The Arkansas Insurance Department has concluded the investigation into the concern of policies being issued without the consent of the consumers. During the course of our investigation, it was determined the applications were not dated by the consumers, the said applications were held for over eight (8) months, and then submitted without verifying with the consumers that the change was something they were still in need of.

In view of the foregoing, please be advised that this Letter of Reprimand will be placed in the appropriate file as a permanent record for referral. Additionally, this **Letter of Reprimand** will be forwarded to the National Association of Insurance Commissioners ("NAIC") for publication on the NAIC website. If you feel that this Letter of Reprimand is unjust or unwarranted, you may request an administrative hearing within thirty (30) days of your receipt of this correspondence.

Thank you,

Margie L Farmer
