RE: AID File No. 2014-024

LETTER OF REPRIMAND

Dear Ms. Pippin:

The Arkansas Insurance Department received notice of your termination for cause from the Geico Companies. This notice stated that you were terminated due to your use of a customer's credit card without authorization. The Department investigated this matter and received a copy of your statement that admits this activity.

As you are aware, you are required to demonstrate trustworthiness, good business and personal reputation as well as financial responsibility to retain your Arkansas Nonresident Insurance license. See Ark. Code §23-64-512.

Because the Department has no information of previous infractions on your insurance licensure record, your actions took place outside of Arkansas, and no Arkansas consumers were harmed, you are hereby serviced with this Letter of Reprimand rather than a Consent Order, which would move to revoke your insurance license. The Letter of Reprimand will remain on your license record and be forwarded to the National Association of Insurance Commissioners (NAIC) for publication on the NAIC website.

However, should the Department receive notice of Administrative Action in other jurisdictions, or you are convicted in criminal court for these actions, the Department will revisit this matter and reserves the right to take further administrative action against your nonresident producer license.

The Department closes its file with this Letter of Reprimand and will not pursue any other administrative action against you for this matter at this time. If you feel that this Letter of
