Schedule

Towing, Storage and Debris Removal \$5,000 Per Accident

The following is added to Coverage Extensions under Section III - Physical Damage Coverage:

Towing, Storage and Debris Removal (Other than “autos” of the “private passenger type”)

We will pay up to the Towing, Storage and Debris Removal Expense Limit shown in the Schedule for towing and storage charges you actually incur that are necessitated by a “loss” covered by this insurance to a covered “auto”. This extension includes your expenses to remove debris of a covered “auto” caused by or resulting from a “loss” covered by this insurance. Debris Removal Expenses will be paid only if they are reported to us within 180 days of the date of such “loss”. The Limit of Insurance applicable to Towing, Storage and Debris Removal Expenses is in addition to the Limit applicable to the covered “auto”.

This coverage extension does not apply to costs to:

- (1) Extract “pollutants” from land or water; or
- (2) Remove, restore or replace polluted land or water.

As used in this Coverage Extension, covered “auto” does not include “autos” of the “private passenger type”. “Private passenger type” means a private passenger or station wagon type “auto” and includes an “auto” of the pickup or van type if not used for business purposes.

All Other Terms and Conditions Remain Unchanged.
