Forms

National Security Fire & Casualty Company (NSFC), an affiliate of the American Association of Insurance Services (AAIS), is filing to adopt the AAIS Dwelling Basic Form, Form FL-1, and other forms and endorsements previously approved for AAIS by the Arkansas Insurance Department. National Security had previously been using its own independently filed Fire and EC form, but that product is outdated and we wish to withdraw it at this time. **Please note that NSFC utilizes independent rates and rules for its Dwelling Property and Personal Liability lines of insurance and therefore will not adopt the AAIS rules and loss costs.**

We will begin using the AAIS forms for all new policies effective on or after December 3, 2007 and begin the conversion of existing Arkansas policyholders to the new forms for renewal business effective on or after April 1, 2008.

With this change to the AAIS Dwelling Program forms, several of the rates that accompany NSFC's current endorsements will no longer be applicable. This is because the coverages in these endorsements are included as part of the AAIS Dwelling Basic Form. The following are the independent rates that will no longer be applicable:

Electric Burnout	\$2.00 per year
Fire Department Service Charge	\$2.00 per year
Extended Vacancy	\$.50/\$1,000 Inside city limits \$1.00/\$1,000 Outside city limits
Antenna Coverage	\$5.00 per \$100
Pump Coverage	\$3.00 per \$100

It is important to note that any current Arkansas policyholder who has any of the above endorsements or coverages will see a reduction in their premium upon renewal.
