3. The following provision is added.

If the Secretary of the Treasury determines that the aggregate amount of "certified terrorism loss" has exceeded one hundred billion dollars in a Program Year (January 1 through December 31), and "we" have met "our" insurer deductible under the Terrorism Risk Insurance Act, as amended, "we" will not pay for any portion of "certified terrorism loss" that exceeds one hundred billion dollars. CERTIFIED TERRORISM LOSS DISCLOSURE OF PREMIUM AND FEDERAL SHARE OF INSURED LOSSES

(The entries required to complete this endorsement will be shown below, on the "declarations", or on the "schedule of coverages".)

SCHEDULE

Certified Terrorism Loss Premium \$ _____

Additional information, if any, concerning terrorism premium:

1. The portion of "your" premium that is attributed to coverage for "certified terrorism loss" is shown in the Schedule above.
2. Coverage for "certified terrorism loss", to the extent that such coverage is provided by this policy or Coverage Part, will be partially reimbursed by the United States Government, Department of Treasury under a federal program. Under that program, the United States pays 85% of insured losses for "certified terrorism loss" that exceeds the statutorily established deductible that "we" retain. However, if aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act, as amended, exceed one hundred billion dollars in a Program Year (January 1 through December 31), the Treasury will not make payment for any portion of the amount of such losses that exceeds one hundred billion dollars.

If the Secretary of the Treasury determines that the aggregate amount of "certified terrorism loss" has exceeded one hundred billion dollars in a Program Year (January 1 through December 31), and "we" have met "our" insurer deductible under the Terrorism Risk Insurance Act, as amended, "we" will not pay for any portion of "certified terrorism loss" that exceeds one hundred billion dollars. If the "certified terrorism loss" exceeds one hundred billion dollars in a Program Year (January 1 through December 31), losses up to one hundred billion dollars are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury under the Terrorism Risk Insurance Act, as amended.

POLICYHOLDER DISCLOSURE NOTICE OF TERRORISM INSURANCE COVERAGE

You are hereby notified that under the Terrorism Risk Insurance Act, as amended, you have a right to purchase insurance coverage for losses resulting from acts of terrorism, as defined in Section 102(1) of the Act. See the next page for a further description of an act of terrorism as provided under the Act.

ACCEPTANCE OR REJECTION OF TERRORISM INSURANCE COVERAGE

You may accept or reject this offer of coverage. If you choose to accept this coverage, the premium for this coverage is payable according to the terms of your billing notice. You may reject this offer by completing and signing this statement and returning it to us. If you send us a signed rejection of coverage, your policy will exclude coverage for certified terrorism losses.

Insurers should include the following in a Notice prepared for policies that are subject to Standard Fire Policy statutes with respect to losses resulting from terrorism:

In the state of ____, a terrorism exclusion makes an exception for fire losses resulting from an act of terrorism. Accordingly, if you reject the offer of terrorism coverage as provided under the program, that rejection is not applicable to fire losses resulting from an act of terrorism. In this state, the coverage in your policy for such fire losses will continue. The premium for such fire coverage is stated below. This premium is due whether or not you reject the offer described above for terrorism coverage.

One of the following premiums is due:

If you accept this offer, the premium for terrorism coverage is \$_____
If you reject this offer, the premium for terrorism (fire only) coverage is \$_____

_____ I accept this offer of terrorism coverage and acknowledge that I have been notified that under the Terrorism Risk Insurance Act, as amended, any covered losses resulting from certified acts of terrorism under my policy will be partially reimbursed by the United States and I have been notified of the amount of my premium attributable to such coverage.

_____ I hereby reject this offer of terrorism coverage. I understand that an exclusion of certified terrorism losses will be made part of this policy. I also acknowledge that I have been notified that under the Terrorism Risk Insurance Act, as amended, any covered fire losses resulting from certified acts of terrorism under my policy will be partially reimbursed by the United States and I have been notified of the amount of my premium attributable to such coverage.

Insurers should include the following premium statement in a Notice prepared for policies that are not subject to Standard Fire Policy statutes with respect to losses resulting from terrorism:

The portion of your annual premium that is attributable to coverage for acts of terrorism, as defined in the Act, is:

\$_____

_____ I accept this offer of terrorism coverage and acknowledge that I have been notified that under the Terrorism Risk Insurance Act, as amended, any covered losses resulting from certified acts of terrorism under my policy will be partially reimbursed by the United States and I have been notified of the amount of my premium attributable to such coverage.

_____ I hereby reject this offer of terrorism coverage. I understand that an exclusion of certified terrorism losses will be made part of this policy.

You should know that where coverage is provided by this policy for losses resulting from certified acts of terrorism, such losses may be partially reimbursed by the United States under a formula established by federal law. However, your policy may contain other exclusions which might affect your coverage, such as an exclusion for nuclear events. Under the formula, the United States government generally pays 85% of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. The premium shown above does not include any charges for the portion of loss covered by the federal government under the Act.

You should also know that the Terrorism Risk Insurance Act, as amended, contains a \$100 billion cap that limits U.S. government reimbursement as well as insurers' liability for losses resulting from certified acts of terrorism when the amount of such losses in any one calendar year exceeds \$100 billion. If the aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced.

The following excerpt from the Act is provided for your information:

According to Section 102(1) of the Terrorism Risk Insurance Act, as amended, "The term "act of terrorism" means any act that is certified by the Secretary of the Treasury, in concurrence with the Secretary of State, and the Attorney General of the United States ---- (i) to be an act of terrorism; (ii) to be a violent act or an act that is dangerous to (I) human life; (II) property; or (III) infrastructure; (iii) to have resulted in damage within the United States, or outside the United States in the case of (I) an air carrier or vessel described in paragraph (5)(B); or (II) the premises of a United States mission; and (iv) to have been committed by an individual or individuals, as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion." Section 102(1)(B) states, "No act shall be certified by the Secretary as an act of terrorism if (I) the act is committed as part of the course of war declared by the Congress, except that this clause shall not apply with respect to any coverage for workers' compensation; or (ii) property and casualty insurance losses resulting from the act, in the aggregate, do not exceed \$5,000,000." Section 102(1)(C) and (D) specify that the determinations are final and not subject to judicial review and that the Secretary of the Treasury cannot delegate the determination to anyone.

FILING MEMORANDUM - COMMERCIAL UMBRELLA**

The Terrorism Risk Insurance Program (the Program or 'TRIP'), as established by the Terrorism Risk Insurance Act of 2002 ('TRIA'), was extended by the Terrorism Risk Insurance Extension Act of 2005 ('TRIEA') and again by the Terrorism Risk Insurance Program Reauthorization Act of 2007 ('TRIPRA'). The latest extension of TRIP will terminate on 12/31/2014. Previous AAIS endorsements have been filed to address loss caused by certified acts of terrorism, non-certified acts of terrorism, certified and non-certified acts of terrorism, and optionally, to exclude loss caused by terrorism once the Program is no longer in effect.

This filing consists of revised terrorism-related endorsements to correspond with recent changes to TRIP as established by TRIPRA. The revised terrorism endorsements included with this filing reflect only those changes necessitated by TRIPRA.

All previously filed exclusion endorsements addressing certified and non-certified acts of terrorism and exclusion endorsements addressing non-certified acts of terrorism exclusively are being withdrawn. There are no new endorsements being submitted with this filing.

Summary of Changes

UM 0755 01 08, CERTIFIED TERRORISM LOSS

Replaces UM 0755 05 03

We are replacing the state-specific endorsement with countrywide edition 01 08, as we believe that TRIPRA requirements as provided in this form satisfy all statutes.

The "certified act of terrorism" definition has been amended in two ways. The requirement that the act be committed by an individual or group acting on behalf of a foreign person or foreign interest has been removed. Also, to be a "certified act of terrorism" there must be insured losses in excess of five million dollars in the aggregate, attributable to all types of insurance subject to TRIP.

Since Commercial Auto is specifically excluded under TRIP, language was added to Item 2. of the endorsement to clarify that any terrorism exclusions that may be attached to the policy are still applicable to coverage for liability arising out of any auto which is covered by underlying insurance.

Language has been added stating that if the aggregate amount of loss from a "certified act of terrorism" has exceeded one hundred billion dollars in a Program Year (January 1 through December 31), and the company has met its deductible under TRIA, the company will not be responsible for any portion of "certified terrorism loss" over one hundred billion dollars. Additionally, if losses attributable to "certified terrorism loss" exceed one hundred billion dollars in a Program Year, losses up to that amount are subject to pro rata allocation in accordance with the procedures established by the Secretary of the Treasury under TRIA.

CL 0605 01 08, CERTIFIED TERRORISM LOSS DISCLOSURE OF PREMIUM AND FEDERAL SHARE OF INSURED LOSSES

Replaces CL 0605 06 06

The federal share has been set at 85% for the duration of the TRIA extension under the Terrorism Risk Insurance Program Reauthorization Act of 2007. Therefore, the Schedule has been revised to remove the lines stating the percentage of the federal share of terrorism losses in a given year. Also removed are references to the federal percentage of losses in 2006 and 2007 and extensions of the program beyond 2007.

**CL 1045 01 08, POLICYHOLDER DISCLOSURE NOTICE OF TERRORISM
INSURANCE COVERAGE**

This revised notice replaces CL 1045 06 06, and is being included in this filing for informational purposes only. Due to the March 31, 2008 deadline set by the US Treasury for implementation of the revised "make available" notice, the CL 1045 has already been released to AAIS affiliated companies for their immediate use.

CL 1045 is intended to be used as the basis of a notice that will satisfy the make available requirements of TRIA. It advises the policyholder of the right to purchase insurance coverage for losses arising out of terrorism, as defined in Section 102(1) of TRIA, as amended, and includes the premium applicable to the purchase of such coverage. The notice indicates that losses caused by certified acts of terrorism will be partially reimbursed by the federal government. An option is also provided whereby the policyholder may elect to attach an exclusion for certified terrorism losses attached to the policy when coverage is rejected.

The 01 08 edition of the CL 1045 reflects revisions made in the latest NAIC materials; specific changes include the following:

- The Terrorism Risk Insurance Act is referenced without specifying a particular year.
- The percentage share of losses paid by the Federal government was updated to refer only to 85%.
- The definition of an act of terrorism was amended to delete the requirement that the act be committed by those acting on behalf of a foreign person or a foreign interest.
- A disclosure of the \$100 billion annual aggregate cap was added.

The acceptance/rejection section of the CL 1045 was also reformatted to improve its usage. When AAIS created the original version of the CL 1045, wording was added to distinguish between the premium statements used in states where Standard Fire Policy (SFP) statutes apply to property loss caused by acts of terrorism and states where such statutes do not apply. The new CL 1045 format displays the material required for SFP and non-SFP states in separate boxes. Companies must select the appropriate information needed to complete the notice.

Affiliated companies have been advised that they can use this AAIS policyholder notice with slight modifications for individual policies or develop an independent notice that contains information similar to the NAIC sample. Companies that develop an independent notice were advised that they are required to place it on file with the Departments of Insurance for informational purposes.
