Covered Causes of Loss

When Basic is shown in the Declarations, Covered Causes of Loss means the following:

1. Fire.
2. Lightning.
3. Explosion, including the explosion of gases or fuel within the furnace of any fired vessel or within the flues or passages through which the gases of combustion pass.

This cause of loss does not include loss or damage by:

- a. Rupture, bursting or operation of pressure relief devices; or
 - b. Rupture or bursting due to expansion or swelling of the contents of any building or structure, caused by or resulting from water.
4. Windstorm or Hail
- This cause of loss does not include loss or damage by:
- a. Frost or cold weather;

 - c. Loss or damage to the interior of any building or structure, or the property inside the building or

structure, caused by rain, snow, sand or dust, whether driven by wind or not, unless the building or structure first sustains wind or hail damage to its roof or walls through which the rain, snow, sand or dust enters.

5. Smoke causing sudden and accidental loss or damage.

This cause of loss does not include smoke from agricultural smudging or industrial operations.

6. Aircraft or Vehicles, meaning only physical contact of an aircraft, a spacecraft, a self-propelled missile, a vehicle or an object thrown up by a vehicle with the described property or with the building or structure containing the described property. This cause of loss includes loss or damage by objects falling from aircraft.

7. Riot or Civil Commotion, including:

- a. Acts of striking employees while occupying the described premises; and
- b. Looting occurring at the time and place of a riot or civil commotion.

8. Vandalism, meaning willful and malicious damage to, or destruction of, the described property.

We will not pay for loss or damage caused by or resulting from theft, except for building damage caused by the breaking in or exiting of burglars.

If the building or structure containing the Automatic Sprinkler System is Covered Property, we will also pay the cost to:

- a. Repair or replace damaged parts of the Automatic Sprinkler System if the damage:
- (1) Results in sprinkler leakage; or
 - (2) Is directly caused by freezing.
- b. Tear out and replace any part of the building or structure to repair damage to the Automatic Sprinkler System that has resulted in sprinkler leakage.

Automatic Sprinkler System means:

- (1) Any automatic fire protective or extinguishing system, including connected:
- (a) Sprinklers and discharge nozzles;
 - (b) Ducts, pipes, valves and fittings;
 - (c) Tanks, their component parts and supports; and

- a. The cost of filling sinkholes; or
- b. Sinking or collapse of land into man-made underground cavities.

11. Volcanic Action, meaning direct loss or damage resulting from the eruption of a volcano when the loss or damage is caused by:

- a. Airborne volcanic blast or airborne shock waves;
- b. Ash, dust or particulate matter; or
- c. Lava flow.

All volcanic eruptions that occur within any 168-hour period will constitute a single occurrence.

Throughout this form the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we," "us" and "our" refer to the Company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Please refer to the **SECTION V - DEFINITIONS** section of this form.

SECTION I – COVERAGE

A. Coverage Provided

We will pay for direct physical loss to Covered Property that you use in your business. The loss must occur during the policy period shown in the Declarations, within the Coverage Territory, and be caused by or result from a Covered Cause of Loss. Coverage Territory, as used in this Coverage Form, means the United States of America (including its territories and possessions), Puerto Rico, and Canada.

1. Covered Property

Covered Property means property for which there is a Limit of Insurance and description in the Declarations.

2. Property Not Covered

Unless specifically described as covered in the Declarations, Covered Property does not include:

- a.** Accounts, bills, deeds, evidences of debt, currency, money, notes, securities, plans, blueprints, designs, drawings, tracings, specifications or any similar property;

This coverage does not apply to expenses to:

- (1) Extract "pollutants" from land or water; or
(2) Remove, restore, or replace polluted land or water.

If the sum of loss and debris removal expense exceeds the applicable Limits of Insurance, then we will pay up to an additional \$5,000, or the Debris Removal Limit of insurance shown in the Declarations, for each occurrence of loss for debris removal. This amount is in addition to any other Limit of Insurance.

- b. We will pay the expenses for debris removal only if they are reported to us in writing within 180 days or the earlier of:

- (1) The date of direct physical loss; or
(2) The end of the policy period.

4. Rental Expense

- a. If a loss covered by this insurance occurs to Covered Property we will pay your expense to rent equipment or property to replace that Covered Property that was damaged or destroyed.

This rented equipment or property must be used in your business operations for the same or similar purpose as the lost or damaged

property and be of similar kind and quality.

- b. The most we will pay is \$250 per day up to a maximum of \$2,500, regardless of the actual cost of rental or number of items lost or damaged.

B. Covered Causes of Loss

Unless otherwise shown in the Declarations, Covered Cause of Loss means risks of direct physical loss unless the loss is excluded below or payment is limited by other provisions in this Coverage Form.

C. Exclusions

1. We will not pay for loss or damage caused directly or indirectly by any of the following. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

a. Earth Movement

- (1) Any earth movement (other than sinkhole collapse), such as an earthquake, landslide, mine subsidence or earth sinking, rising or shifting. But if loss by fire or explosion results, we will pay for that resulting loss.

b. Fungus, Wet Rot, Dry Rot And Bacteria

Presence, growth, proliferation, spread or any activity of Fungus, wet or dry rot or bacteria. This exclusion does not apply when Fungus, wet or dry rot or bacteria results from fire or lightning. But we will pay for loss if Fungus, wet or dry rot or bacteria results in fire; lightning; explosion; smoke; aircraft or vehicle damage; riot or civil commotion; vandalism; leakage from fire extinguishing equipment or plumbing systems.

As used in this Exclusion, Fungus means any type or form of fungus, including mold or mildew, and any mycotoxins, spores, scents or by-products produced or released by fungi.

c. Governmental Action

Seizure or destruction of property by order of governmental authority. But we will pay for loss or damage caused by or resulting from acts of destruction ordered by governmental authority and taken at the time of a fire to prevent its spread, if the fire would be covered under this Coverage Part.

d. Nuclear Hazard

Nuclear reaction or radiation, or radioactive contamination, however caused. But if nuclear reaction or radiation, or radioactive contamination, results in fire, we will pay for the loss or damage caused by that fire.

e. War And Military Action

(1) War, including undeclared or civil war;

(2) Warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government, sovereign or other authority using military personnel or other agents; or

(4) Water under the ground surface pressing on, or flowing or seeping through:

(a) Foundations, walls, floors or paved surfaces;

(b) Basements, whether paved or not; or

(c) Doors, windows or other openings.

But if Water, as described above, results in fire, explosion or sprinkler leakage, we will pay for the loss caused by that fire, explosion or sprinkler leakage.

2. We will not pay for loss caused by or resulting from any of the following:

a. Corrosion, rust or decay;

b. Dampness or dryness of atmosphere, or extremes of or changes in temperature;

c. Delay, loss of use, loss of market, loss of occupancy, interruption of your business, or consequential loss of any kind;

d. Dishonest or criminal acts by you, or any of your partners, employees, directors, trustees, authorized representatives, or anyone to whom you entrust property, whether or not acting alone or in collusion with others or occurring during the hours of employment. But this exclusion does not apply to a carrier for hire;

- h.** Exceeding the manufacturer's rated capacity of the equipment;
- i.** Mechanical breakdown or failure. But if loss by fire results we will pay for that resulting loss;
- j.** Processing, repairing, adjusting, servicing, maintaining or similar work upon Covered Property. But if loss by fire results we will pay for that resulting loss;
- k.** Rain, snow, ice, sleet or sand, all whether driven by wind or not;
- l.** Loss that solely depends on any audit of records or any inventory computation to prove its factual existence;
- m.** Subsidence of or breaking through ice, or sinking in permafrost or muskeg;
- n.** Wear and tear, gradual deterioration, depreciation, hidden or latent defect, or any quality in the property that causes it to damage or destroy itself.

SECTION II - LIMITS OF INSURANCE

The most we will pay for loss or damage in any one occurrence is the applicable Limit(s) of Insurance shown in the Declarations.

SECTION III - DEDUCTIBLE

- 1.** In any one occurrence of loss, we will first reduce the amount of loss, if required, by the Coinsurance Condition. If the adjusted amount of loss is less than or equal to the Deductible, we will not pay for that loss. If the adjusted amount of loss exceeds the Deductible, we will then subtract the Deductible from the

adjusted amount of loss, and will pay the resulting amount up to the Limit of Insurance.

An occurrence means accidental loss caused by a Covered Cause of Loss as described in this policy and includes all loss or damage from continuous or repeated exposure to the same general harmful conditions.

- 2.** Unless otherwise shown in the Declarations, when more than one Deductible applies to a loss only the highest applicable deductible will be applied.

SECTION IV – CONDITIONS

A. Loss Conditions

- 1.** Abandonment

There can be no abandonment of any property to us.

- 2.** Appraisal

If there is disagreement on the value of the property or the amount of loss, either you or we may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a.** Pay its chosen appraiser; and
- b.** Bear the other expenses of the appraisal and umpire equally.
If there is an appraisal, we will still retain our right to deny the claim.

- 3.** Coinsurance

If a Coinsurance percentage is shown in the Declarations, the following applies.

We will not pay the full amount of any loss if the value of Covered Property at the time of loss times the Coinsurance percentage shown for it in the Declarations is greater than the Limit of Insurance for the property.

Instead, we will determine the most we will pay using the following steps:

Step 1: Multiply the value of Covered Property at the time of loss by the Coinsurance percentage;

Step 2: Divide the Limit of Insurance of the property by the figure determined in Step 1;

Step 3: Multiply the total amount of loss, before the application of any deductible, by the figure determined in Step (2); and

Step 4: Subtract the deductible from the figure determined in Step 3.

We will pay the amount determined in Step 4 or the Limit of Insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

4. Duties In The Event Of Loss

You must see that the following are done in the event of loss or damage to Covered Property:

- a. Notify the police if a law may have been broken.
- b. Give us prompt notice of the loss. Include a description of the property involved.
- c. As soon as possible, give us a description of how, when and where the loss occurred.
- d. Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we

will not pay for any subsequent loss resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.

- e. At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.
- f. As often as may be reasonably required, permit us to inspect the property proving the loss and examine your books and records.
- g. Permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.
- h. Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.
- i. Cooperate with us in the investigation or settlement of the claim.
- j. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.
- k. You will not, except at your own cost, voluntarily make a payment, assume any obligation, or incur any expense without our consent.
- l. Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or suit.

5. Loss Payment and Valuation

- a.** We will determine the value of lost or damaged property sold to others based on the net selling price after all allowances and discounts.

For all other property we will determine the value of lost or damaged property based on the actual cash value at the time of the loss unless a different valuation is shown in the Declarations.

If Replacement Cost is shown we will value the lost or damaged property without deduction for depreciation. However, unless otherwise shown in the Declarations, Replacement Cost does not apply to personal property of others or works of art, antiques or rare articles including but not limited to etchings, pictures, statuary, marbles, bronzes, porcelains and bric-a-brac.

You may make a claim for loss or damage covered by this insurance on an actual cash value basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an actual cash value basis, you may still make a claim for the additional coverage this Optional Coverage provides if you notify us of your intent to do so within 180 days after the loss or damage.

We will not pay on a replacement cost basis for any loss or damage:

- (1)** Until the lost or damaged property is actually repaired or replaced; and
- (2)** Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage.

We will not pay more for loss or damage on a replacement cost basis than the least of:

- (3)** The Limit of Insurance applicable to the lost or damaged property;
- (4)** The cost to replace the lost or damaged property with other property of comparable material and quality and used for the same purpose; or
- (5)** The amount actually spent that is necessary to repair or replace the lost or damaged property.

- b.** In the event of loss covered by this Coverage Form, at our option, we will either:

- (1)** Pay the value of lost or damaged property;
- (2)** Pay the cost of repairing or replacing the lost or damaged property, subject to c. below;
- (3)** Take all or any part of the property at an agreed or appraised value; or
- (4)** Repair, rebuild or replace the property with other property of like kind and quality, subject to c. below.

- c.** The cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of any property.

- d.** In case of loss to any part of a pair, set or collection we may, at our option:

- (1)** Repair or replace any part to restore the pair or set to its value before the loss; or
- (2)** Pay the difference between the value of the pair or set before and after the loss.

- e. We will give notice of our intentions within 30 days after we receive the sworn proof of loss.
- f. We will not pay you more than your financial interest in the Covered Property.
- g. We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claim against us for the owners; property. We will not pay the owners more than their financial interest in the Covered Property.
- h. We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.
- i. We will not be liable for any part of a loss that has been paid or made good by others.

6. Other Insurance

- a. You may have other insurance subject to the same plan, terms, conditions and provisions as the insurance under this Coverage Part. If you do, we will pay our share of the covered loss or damage. Our share is the proportion that the applicable Limit of Insurance under this Coverage Part bears to the Limits of Insurance of all insurance covering on the same basis.
- b. If there is other insurance covering the same loss or damage, other than that described in 1. above, we will pay only for the amount of covered loss or damage in excess of the amount due from that other insurance, whether you can collect on it or not. But we will not pay more than the applicable Limit of Insurance.

7. Recovered Property

If either you or we recover any property after loss settlement, that party must give

the other prompt notice. At your option, the property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Insurance.

8. Reinstatement of Limit After Loss

The Limit of Insurance will not be reduced by the payment of any claim, except for total loss or damage of a scheduled item, in which event we will refund the unearned premium on that item.

9. Transfer Of Rights Of Recovery Against Others To Us

If any person or organization to or for whom we make payment under this Coverage Part has rights to recover damages from another, those rights are transferred to us to the extent of our payment. That person or organization must do everything necessary to secure our rights and must do nothing after loss to impair them. But you may waive your rights against another party in writing:

- a. Prior to a loss to your Covered Property.
- b. After a loss to your Covered Property only if, at time of loss, that party is one of the following:
 - (1) Someone insured by this insurance; or
 - (2) A business firm:
 - (a) Owned or controlled by you; or
 - (b) That owns or controls you.

This will not restrict your insurance

B. General Conditions

1. Concealment, Misrepresentation Or Fraud

This Coverage Part is void in any case of fraud, intentional concealment or misrepresentation of a material fact, by you or any other insured, at any time, concerning:

- a. This Coverage Part;
- b. The Covered Property;
- c. Your interest in the Covered Property; or
- d. A claim under this Coverage Part.

2. Control Of Property

Any act or neglect of any person other than you beyond your direction or control will not affect this insurance.

The breach of any condition of this Coverage Part at any one or more locations will not affect coverage at any location where, at the time of loss or damage, the breach of condition does not exist.

3. Legal Action Against Us

No one may bring a legal action against us under this Coverage Part unless:

- a. There has been full compliance with all the terms of this Coverage Part; and
- b. The action is brought within 2 years after you first have knowledge of the direct loss or damage.

4. No Benefit To Bailee

No person or organization, other than you, having custody of Covered Property will benefit from this insurance.

ADDITIONAL COVERAGE – RIGGERS LIABILITY

This endorsement modifies insurance provided under the following:

CONSTRUCTION AND INSTALLATION COVERAGE FORM EQUIPMENT AND MOBILE PROPERTY COVERAGE FORM

A. The following is added to Section I. A. Coverage Provided:

As used in this Additional Coverage lifting, hoisting or moving includes the handling of property in preparation for lifting, hoisting, or moving, and the handling of such property after it has been lifted, hoisted or moved until such time as it is at rest in the place where intended to be lifted to, hoisted to or moved to, and disconnected from the Covered Property.
