This optional use endorsement is attached to policies at the request of the insured.

This clarifying endorsement has no rate impact. It simply states that coverage provided by the policy shall not be denied solely on the basis that a claim or "suit" brought against the insured is based upon an in rem proceeding. Since Zurich never denies coverage solely due to in rem proceedings, insureds are treated equally whether or not this form is attached to their policy.

We request an effective date of February 1, 2008, for this endorsement.
