Dear Commissioner Bowman:

For your review, Government Employees Companies herewith files a revision to their Automobile Casualty Manuals currently on file.

Specifically, we are proposing a revision to our Symbol and Identification Section. Currently, we utilize those physical damage rating symbols established by the Insurance Services Office with certain modifications. These modifications are currently on file as a separate listing of deviated symbols. With this filing we are proposing to place on file updated deviated symbol deviations for model years 2007 and later.

Enclosed are revised manual pages. No pages are enclosed for GEICO General Insurance Company as we maintain a special page (GG-1) that states GEICO General rates and rules are identical to GEICO's.

Once you have had an opportunity to review the enclosed, please provide us with your stamped acknowledgment thereby enabling us to implement these physical damage symbol changes for all policies effective on and after March 23, 2009.

Sincerely,
Kathleen L. Lake

Automobile Casualty Manual – Rule Revision
File No.: **2008-417**

Dear Commissioner Bowman:

For your review, Government Employees Companies herewith files a revision to their Automobile Casualty Manuals currently on file.

Specifically, we are proposing a revision to our Symbol and Identification Section. Currently, we utilize those physical damage rating symbols established by the Insurance Services Office with certain modifications. These modifications are currently on file as a separate listing of deviated symbols. With this filing we are proposing to place on file updated deviated symbol deviations for model years 2007 and later.

Enclosed are revised manual pages. No pages are enclosed for GEICO General Insurance Company as we maintain a special page (GG-1) that states GEICO General rates and rules are identical to GEICO's.

Once you have had an opportunity to review the enclosed, please provide us with your stamped acknowledgment thereby enabling us to implement these physical damage symbol changes for all policies effective on and after March 23, 2009.

Sincerely,

Kathleen L. Lake
