## TRUCKING OPERATIONS LIABILITY COVERAGE

This endorsement modifies insurance provided under the following Policy and Coverage Part:

### COMMERCIAL GENERAL LIABILITY

I. Exclusion "g." in Section I, 2. Exclusions, is deleted and replaced by the following:

#### g. Aircraft or Watercraft

"Bodily injury" or "property damage" arising out of the ownership, maintenance, use or entrustment to others of any aircraft or watercraft owned or operated by or rented or loaned to any insured. Use includes operation and "loading or unloading."

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage" involved the ownership, maintenance, use or entrustment to others of any aircraft or watercraft that is owned or operated by or rented or loaned to any insured.

This exclusion does not apply to:

- (1) a watercraft while ashore on premises you own or rent;
- (2) a watercraft you do not own that is:
  - (a) less than 26 feet long; and
  - (b) not being used to carry persons or property for a charge;
- (3) liability assumed under any "insured contract" for the ownership, maintenance or use of aircraft or watercraft.

II. A new exclusion "r." is added to Section I, 2. Exclusions.

#### r. Auto

"Bodily injury" or "property damage," proximately caused by the ownership, maintenance, use or entrustment to others of any "auto" owned or operated by or rented or loaned to any insured. Use includes operation and "loading or unloading."

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage" involved the ownership,

maintenance, use or entrustment to others of any "auto" that is owned or operated by or rented or loaned to any insured.

This exclusion does not apply to:

- (1) parking an "auto" on, or on the ways next to, premises you own or rent, provided the "auto" is not owned by or rented or loaned to you or the insured;
- (2) "bodily injury" or "property damage" arising out of:
  - (a) the operation of machinery or equipment that is attached to, or part of, a land vehicle that would qualify under the definition of "mobile equipment" if it were not subject to a compulsory or financial responsibility law or other motor vehicle insurance law in the state where it is licensed or principally garaged; or
  - (b) the operation of any of the machinery or equipment listed in paragraph f.(2) or f.(3) of the definition of "mobile equipment."

III. A new exclusion "s." is added to Section I, 2. Exclusions.

**s. Non-trucking operations**

"Bodily injury" or "property damage" arising out of "non-trucking operations" or suffered by any person present at the insured's premises for reasons that, principally, are not related to the conduct of the insured's trucking operations. For purposes of this exclusion s., "non-trucking operations" means that the use of the insured's property or purpose of the activity from which the "bodily injury" or "property damage" arises is (i) for a non-business purpose, such as, for example, a residence, or (ii) for the conduct of any business or the rendering of any professional service that is not a necessary part of the insured's trucking operations.

**All other terms and conditions remain unchanged.**
