NOTICE - OFFER OF TERRORISM COVERAGE AND DISCLOSURE OF PREMIUM

The Terrorism Risk Insurance Act of 2002 established a program within the Department of the Treasury under which the federal government shares the risk of loss from any future terrorist attacks with the insurance industry. The Act applies when the Secretary of the Treasury certifies that an event meets the definition of an act of terrorism. To be certified under the Act, an act of terrorism must cause losses of at least five million dollars and must have been committed by an individual or individuals with the intent to coerce the government or population of the United States. In accordance with the Terrorism Risk Insurance Act of 2002, which is amended by the Reauthorization Act of 2007, we are required to offer you coverage for these described losses.

DISCLOSURE OF FEDERAL AND INSURER PARTICIPATION IN PAYMENT OF TERRORISM LOSSES

The United States Government, Department of the Treasury, will pay a share of terrorism losses insured under the federal program. The federal share equals 85% of that portion of the amount of such insured losses that exceeds our insurance company's retention (deductible). However, if aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a Program Year (January 1 through December 31), the Treasury shall not make any payment for any portion of the amount of such losses that exceeds \$100 billion.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a Program Year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

DISCLOSURE OF PREMIUM

If you accept this offer, the premium for terrorism coverage is _____.

The additional premium for this coverage will be reflected in your coverage quotation or in the policy declarations. Failure to pay the premium by the due date will constitute rejection of the offer and your policy will be written to exclude the described coverage.

Contact your agent if you have any questions.

REJECTION STATEMENT

You may choose to reject the offer by signing the following statement and returning it to us and your policy will be written to exclude the described coverage.

I hereby reject the offer of terrorism coverage. I understand that an **exclusion** of certain terrorism losses will be made part of this policy.
