FORMS:

In order to accommodate the hotel/motels classification revisions in Filing GL-2006-OCTRU, we are introducing new optional endorsement CG 71 58 06 08 – Canoes or Rowboats. It will provide liability coverage arising out of the operation of any canoe or rowboat owned by or rented to the insured. To the extent that current policy exclusions apply to liability arising out of any watercraft owned by or rented to the insured, the attachment of this endorsement results in a broadening of coverage. This form is attached for your review.

CANOES OR ROWBOATS

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

1. Exclusion j. of **Section I – Coverage A – Bodily Injury And Property Damage Liability** does not apply to “bodily injury” or “property damage” arising out of any canoe or rowboat owned or used by or rented to the insured.

Coverage provided by this form is limited to watercraft which actually are propelled exclusively by oars or paddles.

2. **SECTION II – WHO IS AN INSURED** is amended to include as an insured any person or organization legally responsible for the use of any such canoe or rowboat you own, provided the actual use is (1) with your express or implied permission and (2) not inconsistent with directions relating to use which you provided.

However, any insurance for such person or organization shall not apply until such time that the person or organization has exhausted all available insurance (even if application of the coverage may be discretionary on the part of said person or organization) that would otherwise apply on other than an excess basis to this coverage.
