FILING MEMORANDUM

ITEM B-1405—TERRORISM RISK INSURANCE PROGRAM REAUTHORIZATION ACT OF 2007

(To be effective 12:01 a.m. on January 1, 2008, applicable to new and renewal policies.)

PURPOSE

As a result of the recent passage of the Terrorism Risk Insurance Program Reauthorization Act of 2007 by the United States Congress (Congress), this item removes the December 31, 2005 expiration date from Rule 3-A-24-a of NCCI's *Basic Manual for Workers Compensation and Employers Liability Insurance*.

BACKGROUND

The Terrorism Risk Insurance Act of 2002 ("TRIA" or the "Act") was enacted by Congress to recognize that terrorism is a catastrophe exposure that is real and significant for insurers of workers compensation and other lines of insurance. As a result of TRIA, a catastrophe provision was added to Rule 3-A-24-a of NCCI's *Basic Manual*. TRIA, which expired on December 31, 2005, was extended by the Terrorism Risk Insurance Extension Act of 2005 ("TRIEA") for two years. Congress has now enacted the Terrorism Risk Insurance Program Reauthorization Act of 2007 ("TRIPRA") to extend the Act to December 31, 2014. Therefore, the catastrophe provision in Rule 3-A-24-a of NCCI's *Basic Manual* is being revised to remove the expiration date and replace it with "and any amendments thereto enacted by Congress."

PROPOSAL

This item removes the December 31, 2005 expiration date from National Rule 3-A-24-a located in NCCI's *Basic Manual*.

IMPACT

There is no change in premium as a result of this item.

IMPLEMENTATION

Exhibit 1 shows the changes required in NCCI's *Basic Manual*.

The enclosed materials are copyrighted materials of the National Council on Compensation Insurance, Inc. ("NCCI").
