NOTICE - OFFER OF TERRORISM COVERAGE NOTICE - DISCLOSURE OF PREMIUM

The Terrorism Risk Insurance Act (TRIA) establishes a program within the Department of the Treasury in which the Federal Government will share the risk of loss from terrorist attacks with the insurance industry. Federal participation will be triggered when the Secretary of the Treasury certifies that an act of terrorism, in concurrence with the Secretary of State and the Attorney General of the United States, to be an act of terrorism, provided the terrorist act results in aggregate losses in excess of an amount stated in the Act. With respect to insured losses resulting from a certified act of terrorism, the Federal Government will reimburse individual insurers for a percentage of losses (as stated in the Act) in excess of the insurer's retention, which is based on a specified percentage of the insurer's earned premium for the year preceding the loss. Insured losses covered by the program are capped at \$100 billion per year; this provision serves to limit insurers' liability for losses. If a terrorism event pierces the cap of a given year, insured losses paid (amounts below the cap) under the federal program may be subject to pro rata allocation in accordance with procedures established by the Treasury.

ACCEPTANCE OR REJECTION OF TERRORISM INSURANCE COVERAGE

In accordance with the Terrorism Risk Insurance Act, as amended, we are required to offer you coverage for losses resulting from acts of terrorism, *as defined in Section 102(1) of the Act*. The term "act of terrorism" means any act that is certified by the Secretary of the Treasury—in concurrence with the Secretary of State, and the Attorney General of the United States—to be an act of Terrorism: to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission: and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion. **Your decision is needed on this question: do you choose to pay the premium for terrorism coverage stated in this offer of coverage, or do you reject the offer of coverage and not pay the premium? You may accept or reject this offer.**

See the section of this Notice titled **DISCLOSURE OF PREMIUM**. If you choose to accept this offer of coverage, your premium will include the additional premium for terrorism as stated in such **DISCLOSURE**. The premium as stated in the **DISCLOSURE** is subject to change with adjustments to the base policy premium, including audit.

DISCLOSURE OF PREMIUM

If you **accept** this offer, the premium for terrorism coverage is \$ _____

You may choose to **reject** the offer by signing the rejection statement below and returning this form to us. If you reject this offer, your policy will be written to exclude the described coverage.

_____ I hereby **reject** the offer of terrorism coverage. I understand that an **exclusion** of certified terrorism losses will be made part of this policy

DISCLOSURE OF FEDERAL PARTICIPATION IN PAYMENT OF TERRORISM LOSSES

You should know that where coverage is provided by this policy for losses resulting from certified acts of terrorism, such losses may be partially reimbursed by the United States Government under a formula established by federal law. However, your policy may contain other exclusions which might affect your coverage, such as an exclusion for nuclear events. Under the formula, the United States Government generally reimburses 85% of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. The premium charged for this coverage is provided above and does not include any charges for the portion of loss that may be covered by the federal government under the act.

You should also know that the Terrorism Risk Insurance Act, as amended, contains a \$100 billion cap that limits U.S. Government reimbursement as well as insurers' liability for losses resulting from certified acts of terrorism when the amount of such losses in any one calendar year exceeds \$100 billion. If the aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced.
