Policyholder Disclosure – Notice Of Terrorism Insurance Coverage

You are hereby notified that under the Terrorism Risk Insurance Act (Act), as amended, that you have a right to purchase insurance coverage for losses arising out of acts of terrorism, *as defined in Section 102(1) of the Act*. The term “act of terrorism” means any act that is certified by the Secretary of the Treasury --, in concurrence with the Secretary of State, and the Attorney General of the United States—to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property; or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

You should know that coverage provided by this policy for losses resulting from certified acts of terrorism, such losses may be partially reimbursed by the United States Government under a formula established by federal law. However, your policy may contain other exclusions which might affect your coverage, such as an exclusion for nuclear events. Under the formula, the United States Government generally reimburses 85% of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. The premium charged for this coverage is provided on the policy Declarations page and does not include any charges for the portion of loss covered by the federal government under the act.

LIMITATION ON PAYMENT OF TERRORISM LOSSES

You should also know that the Terrorism Risk Insurance Act, as amended, contains a \$100 billion cap that limits U.S. Government reimbursement as well as insurer’s liability for losses resulting from certified acts of terrorism when the amount of such losses in any one calendar year exceeds \$100 billion. If the aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced.

If you purchase this coverage on an umbrella policy, you must also purchase this coverage for any underlying liability policies.

In the context of a newly issued policy or renewal offer, this form becomes part of the application for this coverage.

You may select terrorism insurance coverage as follows:

The portion of your annual policy premium that is attributable to coverage for certified acts of terrorism is shown on the declarations page. *If you wish to reject this coverage, please read and complete the form below.*

You may reject terrorism insurance coverage as follows:

You may elect to decline coverage for certified acts of terrorism. However, if your policy covers property located in a state with a fire following statutory requirement, the terrorism exclusion makes an exception for fire losses to

such covered property resulting from certified acts of terrorism. If you choose to decline coverage for certified acts of terrorism, that rejection is not applicable to fire losses to property in those states resulting from certified acts of terrorism, unless excepted by statute or other regulatory means. A separate premium is displayed on the declarations page for coverage for fire losses that result from certified acts of terrorism.

To reject coverage, you must 'X' the box below, sign your name, print your name, date this form and return it to the company within 30 days. If you choose not to reject this coverage, you do not need to return this form.

ف	I hereby elect to exclude losses arising from certified acts of terrorism and understand that I will have no coverage for losses resulting from certified acts of terrorism. I understand that if I exclude certified acts of terrorism coverage, coverage will not be available until my next renewal.
