**UNITED STATES LIABILITY INSURANCE GROUP
WAYNE, PENNSYLVANIA**

This endorsement modifies the following:

BP 101 Exclusion of Certified Acts of Terrorism (Coverage for Certain Fire Losses); BP 102 Exclusion of War, Military Action and Terrorism; BP 103 Exclusion of War, Military Action and Terrorism (Coverage for Certain Fire Losses); BP 104 Exclusion of Certified Acts of Terrorism; CG2173 Exclusion of Certified Acts of Terrorism ; L 526 Absolute War or Terrorism Exclusion; P 246 Exclusion of War, Military Action and Terrorism ; P 247 Exclusion of Certified Acts of Terrorism; P 248 Exclusion of Certified Acts of Terrorism (Coverage for Certain Fire Losses); P 249 Exclusion of War, Military Action and Terrorism (Coverage for Certain Fire Losses)

EXTENSION OF TERRORISM COVERAGE

For the additional premium specified in this Policy, it is hereby agreed that the Exclusion referenced above and attached to this Policy is amended as follows:

The referenced Exclusion shall not apply to loss or damage caused directly or indirectly by certified acts of terrorism under the provisions of the federal Terrorism Risk Insurance Program Reauthorization Act of 2007 ("The Act") and any amendments thereto. The referenced Exclusion also does not apply when "certified acts of terrorism" as defined result in insured losses of \$5 million or less in the aggregate. This Extension of Terrorism Coverage extends coverage under this Policy only to "insured losses" (as defined in The Act) and is subject to the application of any clause in The Act which results in a cap on liability for payments for terrorism losses.

This Extension does not provide coverage for damages arising, directly or indirectly, out of certified acts of terrorism as defined in The Act that are awarded as punitive damages.

The terms and conditions of the referenced Exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this policy, including but not limited to losses excluded by one or more of the above referenced exclusions.

Coverage provided by this Policy for losses caused by "certified acts of terrorism" is partially reimbursed by the United States under a formula established by federal law. Under this formula, the United States pays 85% of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. Under The Act, the maximum amount that insurers and the federal government are required to pay in respect of terrorism loss(es) in any given Program Year is \$100 billion. The premium charged for this coverage does not include any charges for the portion of loss covered by the federal government under The Act.

The federal government may participate in paying for some of the losses from a "certified act of terrorism". However, if aggregate insured losses attributable to terrorist acts certified under The Act exceed \$100 billion in a Program Year, the federal government shall not make any payment for any portion of the amount of such losses that exceeds \$100 billion. Further, this coverage is subject to a limit on our liability pursuant to the federal law, that is, if aggregate insured losses attributable to terrorist acts certified under The Act exceed \$100 billion in a Program Year and we have met our insurer deductible under The Act, we shall not be liable for the payment of any portion of the amount of such losses that exceed \$100 billion. In such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

All other terms and conditions of this Policy remain unchanged. This endorsement is a part of your Policy and takes effect on the effective date of your Policy unless another effective date is shown.

DISCLOSURE NOTICE OF TERRORISM INSURANCE COVERAGE

You are hereby notified that under the Terrorism Risk Insurance Program Reauthorization Act of 2007 ("the Act"), effective December 26th, 2007, you now have a right to purchase insurance coverage for losses arising out of acts of terrorism, *as defined in Section 102(1) of the Act*. The term "act of terrorism" means any act that is certified by the Secretary of the Treasury, in concurrence with the Secretary of State, and the Attorney General of the United States, to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of an air carrier or vessel or the premises of a United States mission; and to have been committed by an individual or individuals, as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

You should know that any coverage for losses caused by certified acts of terrorism is partially reimbursed by the United States under a formula established by federal law. Under this formula, the United States pays 85% of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage for each Program Year (January 1 through December 31). The premium charged for this coverage is provided below and does not include any charges for the portion of loss covered by the federal government under the Act.

Coverage for "insured losses", as defined in the Act, is subject to the coverage terms, conditions, amounts and limits in this policy applicable to losses arising from events other than acts of terrorism.

You should know that the Act, as amended, contains a \$100 billion cap that limits U.S. Government reimbursement, as well as insurers' liability, for losses resulting from certified acts of terrorism. When the amount of such losses for all insurers exceeds \$100 billion, your coverage may be reduced.

You should also know that, under federal law, you are not required to purchase coverage for losses caused by certified acts of terrorism.

REJECTION OR SELECTION OF TERRORISM INSURANCE COVERAGE

Please "X" one of the boxes below and return this notice to the Company.

	I decline to purchase Terrorism Coverage. I understand that I will have no coverage for losses arising from acts of Terrorism.
	I elect to purchase coverage for certified acts of Terrorism for a premium of \$_____.

Note: if you do not respond to our offer and do not return this notice to the Company, you will have no Terrorism Coverage under this policy.

EXCLUSION OF WAR, MILITARY ACTION AND TERRORISM

If the Policy to which this endorsement is attached contains an exclusion for War, that exclusion is deleted in its entirety and replaced with the following. If the Policy to which this endorsement is attached does not contain an exclusion for War, the exclusion below applies.

A. WAR AND MILITARY ACTION

or
- b.** It is reasonable to believe that the intent is to intimidate or coerce a government, or to seek revenge or retaliate, or to further political, ideological, religious, social or economic objectives or to express (or express opposition to) a philosophy or ideology.

But with respect to any such activity that also comes within the terms of the War And Military Action Exclusion, that exclusion supersedes this Terrorism Exclusion.

In the event of an act of terrorism that involves nuclear reaction or radiation, or radioactive contamination, this Terrorism Exclusion supersedes the Nuclear Hazard Exclusion.

All other terms and conditions of this policy remain unchanged. This endorsement is a part of your policy and takes effect on the effective date of your policy unless another effective date is shown.
