Dear Arshay Brown,

This will acknowledge receipt of the captioned filing.

Please help me to fully understand the reason for this endorsement. Would there be no underlying coverage for commercial auto under this program, therefore, the reason for the exclusion?

Is this terrorism involving the use of an auto? Please explain.

Please feel free to contact me if you have questions.

Sincerely,

Edith Roberts

Terrorism Risk Insurance Program Reauthorization Act of 2007
Exclusion Of Automobile Terrorism Endorsement CEUE171 (12/07)

Dear Ms. Roberts:

Greenwich Insurance Company has received your objection dated, 4/1/08. Following is our response:

Our Exclusion of Automobile Terrorism Endorsement, CEUE171, mirrors the ISO Commercial Liability Umbrella Exclusion of Terrorism, CU 21 46 01 06, but for a few minor changes to account for policy specific differences. Our exclusion endorsement does not exclude underlying coverage for commercial auto. The Terrorism Risk Insurance Act of 2002, as amended excludes automobile insurance coverage from the Program. As our Commercial Excess Follow Form and Umbrella Liability Policy is excess over the scheduled underlying automobile insurance, this endorsement provides that we do not intend to cover injury or damage from terrorism related to the scheduled underlying insurance.

We trust that this addresses the questions you raised. Should you have any further questions on this filing, please contact me at the numbers listed below. Thank you for your attention to this filing.
